MANTAB FUNDING LIMITED
31 DECEMBER 2010

DIRECTORS' REPORT

The directors present their directors' report and audited financial statements of Mantab Funding Limited ("the Company") for the year ended 31 December 2010

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006

PRINCIPAL ACTIVITIES

In January 2009, MAN Financial Services plc (inter alia as originator) entered into a UK operating lease and finance lease securitisation program to replace the previous securitisation. The previous arrangement, using the SPV 'Trucks And Receivables Securitisation Limited' (TARS) was terminated in December 2008

The new transaction 'TABS' uses a group of SPV's under the UK securitisation regime. The names of these SPV's are Mantab Funding Limited (Issuer), Mantab Assets Limited (Receivables purchaser) and Mantab Trucks Limited (Vehicle purchaser)

The principal activity of the Company is to issue asset-backed loan notes which are collateralised by a lease portfolio. The capital raised is used to fund the activities of MAN Financial Services plc

REVIEW OF THE BUSINESS

The defined parties to the securitised transaction and their purpose relating to the business transaction are as follows

Mantab Funding Limited (the 'Company')	As the issuer
Mantab Trucks Limited	As the vehicle purchaser
Mantab Assets Limited	As the receivables purchaser
MAN Financial Services Plc	As the originator, receiver, cash manager, class B noteholder, residual value undertaker and the subordinated loan provider
MAN Finance International GmbH	As the residual value guarantor
Capita Trust Company Limited	As the note trustee and security trustee
Capita Trust Corporate Limited	As the registrar and corporate services provider
HSBC Bank Plc	As the accounts bank, class A noteholder, arranger, calculation agent and swap counterparty

The transactions have performed as expected for the audited financial period

Risk management and control

The principal risk within the business is liquidity risk, which is the risk that the Company will not have sufficient liquid funds to meet its liabilities as they fall due. The directors are confident that the underlying assets of the Company will continue to generate positive cashflows sufficient to meet all its future liabilities

GOING CONCERN

The directors have, at the time of approving the financial statements, a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future and in any event for a period of at least 12 months from the date of signing of the financial statements. Thus they adopt the going concern basis of accounting in preparing the financial statements

MANTAB FUNDING LIMITED
31 DECEMBER 2010

DIRECTORS' REPORT (continued)

RESULTS AND DIVIDENDS

During the financial year ended 31 December 2010, the Company made a profit after tax of £860 (2009 £720) Net assets of the Company amount to £1,581 (2009 £721)

No dividend has been recommended or proposed by the directors for the financial year ended 31 December 2010 (2009 £nil)

DIRECTORS' AND SECRETARY'S INTERESTS

The directors of the company who were in office during the year and up to the date of signing the financial statements were

Capita Trust Corporate Services Limited
Capita Trust Corporate Limited
David Ross Baker

PRINCIPAL RISKS AND UNCERTAINTIES

The board considers the policies needed to manage the Company's exposure to risk. The Company's financial instruments consisted of loan notes, interest rate swaps, debtors and creditors. The main risks arising from these types of financial instruments are interest rate risk and liquidity risk. The company does not face any significant cash flow risk because the timing of the cashflows are matched.

Interest rate risk

The interest payable to Class A noteholders is based on a floating rate of 1 month LIBOR. The Company manages interest rate risk between the loan notes and loan made to Mantab Trucks Limited by taking out an interest rate swap with HSBC Bank plc.

Liquidity risk

No external debt, other than the Class A notes, exists at the end of the period.

DIRECTORS' INDEMNITIES

The Company has made qualifying third party indemnity provisions for the benefit of David Ross Baker, Capita Trust Corporate Limited and Capita Trust Corporate Services Limited. These indemnity provisions remain in force at the date of this report.

INDEPENDENT AUDITORS

The auditors, PricewaterhouseCoopers LLP, Chartered Accountants and Statutory Auditors, were appointed during the year and have signified their willingness to continue in office as auditors.

STATEMENT OF DISCLOSURE OF INFORMATION TO AUDITORS

Each of the persons who is a director at the date of approval of this directors' report confirm that

- so far as the director is aware, there is no relevant audit information of which the Company's auditors are unaware, and
- the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s 418 of the Companies Act 2006.

MANTAB FUNDING LIMITED

DIRECTORS' REPORT (continued)

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

POST BALANCE SHEET EVENTS

Subject to regulatory clearance, a decision on which is due by 26 September 2011, Volkswagen AG has acquired 55.9% of MAN SE voting rights and upon receipt of this clearance will become the ultimate controlling party."

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF MANTAB FUNDING LIMITED

We have audited the financial statements of Mantab Funding Limited for the year ended 31 December 2010 which comprise the profit and loss account, the balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 4 the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2010 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to take advantage of the small companies' exemption in preparing the Directors' Report.

MANTAB FUNDING LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2010

1 ACCOUNTING POLICIES

1.1 Basis of preparation

The financial statements have been prepared in accordance with the Companies Act 2006 and applicable accounting standards in the United Kingdom (UK GAAP). The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

The financial statements have been prepared on a historical cost basis. Historical cost is generally based on fair value of the consideration given in exchange for the assets.

1.2 Cash flow statement and related party transactions exemptions

Under FRS 1 - 'Cash flow statements' the Company is exempt from the requirement to prepare a Cash flow statement on the grounds that its ultimate parent undertaking includes the Company in its own published consolidated financial statements.

As all of the Company's voting rights are controlled within the group headed by Mantab Holdings Limited, the Company has taken advantage of the exemption contained in FRS 8 'Related party disclosures' and has therefore not disclosed transactions or balances with entities which form part of the group (or investee of the group qualifying as related parties). The consolidated financial statements of Mantab Holdings Limited, within which this Company is included, can be obtained from Clearwater House, Clearwater Business Park, Frankland Road, Blagrove, Swindon, Wiltshire, SN5 8YZ.

1.3 Going concern

The directors have, at the time of approving the financial statements, a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus they adopt the going concern basis of accounting in preparing the financial statements.

1.4 Cash at bank and in hand

Cash at bank and in hand has an original maturity of three months or less.

1.5 Financial instruments

- the Company does not hold or issue derivative financial instruments for trading purposes, and
- interest rate swaps (both assets and liabilities) are not required to be stated at their fair value as the Company has taken advantage of the FRS 26 'Financial instruments' exemption for non-listed companies.

1.6 Interest rate swaps

The Company holds interest rate swaps. As the Company has chosen not to adopt FRS 26, the interest rate swaps are reflected in the financial statements only when they expire and when the underlying transactions and swap are unwound through the profit and loss account.

1.7 Interest income and expense

For all financial instruments measured at amortised cost (including loans to Originator and floating rate notes) interest income and expense are recognised in the profit and loss account on an Effective Interest Rate ("EIR") basis.

1.8 Tax

The tax currently payable is based on the taxable profit for the financial year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

1.9 Turnover

Turnover is comprised of interest income on the loan to originator (see note 9).

The Company purchased a portfolio of leases from MAN Financial Services plc, however as the principal risk and rewards of these leases remain with MAN Financial Services plc, these are not deemed for accounting purposes to have transferred to the Company. Accordingly, the Company accounts for the transactions as an intercompany loan to MAN Financial Services plc.

The loan to MAN Financial Services plc is denominated in sterling and bears interest equal to the lease interest which is calculated to give a constant periodic rate of return on the lease asset. It is secured on the beneficial interest in a portfolio of leases. The repayment of the loan is linked to the repayment of the lease.
