REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2012

OBJECTIVES AND ACTIVITIES

How our activities deliver public benefit

The trustees confirm that they have complied with the duty to have due regard to the public benefit guidance published by the Charity Commission when reviewing the charity's aims and objectives and in planning future activities. Our main activities and what we are trying to do is described above. These are undertaken to further our charitable purposes for the public benefit.

ACHIEVEMENT AND PERFORMANCE

No donations were received during the year

The board of trustees continue to review the arrangement, dated 17 November 2008, with the University of Oxford The purpose of the arrangement is to establish the Smith School of Enterprise and the Environment, in the Social Science Division of the University, as a research and teaching institution. This school will pioneer ways in which public and private enterprise can work jointly and individually to develop solutions to future environmental issues. The charity has an agreement with University of Oxford to make a total grant of £9,000,000. This grant is payable in instalments over a period to 31 December 2015. As at 31 December 2012, the amount not yet payable amounts to £3,000,000. The amount payable in the year ending 31 December 2013 amounts to £1,000,000 (2012 £1,000,000). The trustees have received assurances that donations will be received to meet this commitment.

FINANCIAL REVIEW

During the year, donations receivable from Martin Smith and entities related to him, together with any Gift Aid claim, amounted to nil (2011 £435,897). The other income is the dividend receivable of £10,540 (2011 nil) and interest receivable of £6,848 (2011 £9,816).

Donations payable for the year to the University of Oxford amounted to £1,000,000 (2011 £1,000,000) The only other costs were the governance costs amounting to £2,400 (2011 £2,400)

The net expenditure for the year amounted to £985,012 (2011 net expenditure of £556,687)

As at 31 December 2012, the unrestricted funds of the charity amounted to £851,563 (2011 £1,818,358)

Reserves policy

It is the policy of the charity that unrestricted funds should be maintained at a level equivalent to between three and six month's expenditure, not allowing for special projects, amounting to an estimated figure of £9,500. The trustees consider that reserves at this level will ensure that they will be able to continue while consideration is given to ways in which additional funds may be raised. This level of resource has been maintained throughout the period.

Funding sources

The principal funding source are the donations receivable from Martin Smith and/or entities related to him

Investment policy

The trustees, having regard to grants payable to the University of Oxford and to the reserves policy, have operated a policy of keeping sufficient funds in interest-bearing deposit accounts to meet its financial commitments for at least one year. The charity earned £6,848 (2011 £9,816) on these funds. The charity also has investments with a market value as at 31 December 2012 amounting to £498,874 (2011 £470,116). Included in the statement of financial activities is dividends receivable of £10,540 (2011 nil) in respect of these investments.

PLANS FOR THE FUTURE

The charity has a long term commitment with a grant payable to the University of Oxford. The trustees will review quarterly reports from the University and attend an annual review meeting. Other projects will be considered but will depend upon donations received. Any surplus funds held will be kept in deposit accounts or invested until they are required.

30 September 2013

STATEMENT OF TRUSTEES RESPONSIBILITIES FOR THE YEAR ENDED 31 DECEMBER 2012

The trustees (who are also the directors of The Smith Family Educational Foundation for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently,
- observe the methods and principles in the Charity SORP,
- make judgements and estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF THE SMITH FAMILY EDUCATIONAL FOUNDATION

We have audited the financial statements of The Smith Family Educational Foundation for the year ended 31 December 2012 on pages eight to fifteen. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of trustees and auditors

As explained more fully in the Statement of Trustees Responsibilities set out on page five, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the trustees, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Trustees to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2012 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006

In our opinion the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF THE SMITH FAMILY EDUCATIONAL FOUNDATION

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of trustees' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit
