If the liabilities to be set off are expressed in different currencies, the Security Trustee may convert either liability at a market rate of exchange for the

No single or partial exercise of any right or remedy provided under this deed or by law shall prevent or restrict the further exercise of that or any other right or remedy. No election to affirm this deed by the Security Trustee shall be effective unless it is in writing.

This deed shall be in addition to, and independent of, any other security or guarantee that the Security Trustee may hold for any of the Secured Liabilities at any time. No prior security held by the Security Trustee over the whole or any part of the Secured Assets shall merge in the security created by this deed.

28.2. Continuing security

This deed shall remain in full force and effect as a continuing security for the Secured Liabilities, despite any settlement of account, or intermediate payment, or other matter or thing, unless and until the Security Trustee discharges this deed in writing.

28.3. Discharge conditional

Any release, discharge or settlement between the Borrower and the Security Trustee shall be deemed conditional on no payment or security received by the Security Trustee in respect of the Secured Liabilities being avoided, reduced or ordered to be refunded pursuant to any law relating to insolvency, bankruptcy, winding-up, administration, receivership or otherwise. Despite any such release, discharge or settlement:

- 28.3.1. the Security Trustee or its nominee may retain this deed and the security created by or pursuant to it, including all certificates and documents relating to the whole or any part of the Secured Assets, for any period that the Security Trustee deems necessary
