Priory (Warrenpoint) Limited

Directors' report for the year ended 31 December 2011

The directors present their report and the audited financial statements of the company for the year ended 31 December 2011

Principal activities

The principal activity of the company is the provision of residential and nursing care for elderly people

Business review

The results for the year are set out in the Profit and loss account on page 6 and the position of the company as at the year end is set out in the Balance sheet on page 7

As the company is focussed on the elderly care sector, the performance of the company can be impacted by external factors. The principal factors are changes in the UK government's policy towards funding of elderly care, changes in the regulatory regime and competitive threats from other independent providers. Management uses a range of financial and non-financial indicators to manage the business. These are derived from all areas of the business and include sales growth by unit, occupancy and achieved profit margins.

Further information regarding the operations and key performance indicators of the group are set out in the Directors' report of Priory Group No. 1 Limited.

The company's management is committed to a continued growth strategy.

Key performance indicators

Given the straightforward nature of the business, the company's directors are of the opinion that analysis using key performance indicators is not necessary for an understanding of the development, performance or position of the business. The development, performance and position of Priory Group No. 1 Limited, which includes the company, is discussed in the group's annual report which does not form part of this report.

Financial risk management

The company's operations mean that it is exposed to a variety of financial risks that include the effects of changes in credit risk, liquidity risk and interest rate risk. The directors monitor the risks in order to limit the adverse effects on the financial performance by reviewing levels of debt finance and the related finance costs, however these are integrated with the risks of the group and not managed separately. Accordingly, the financial risk management policies of Priory Group No. 1 Limited, which include those of the company, are discussed in the group's annual report which does not form part of this report.

Principal risks and uncertainties

From the perspective of the company, the principal risks and uncertainties are integrated with the principal risks of the Group and are not managed separately. Accordingly, the principal risks and uncertainties of Priory Group No. 1 Limited, which include those of the company, are discussed in the Group's annual report which does not form part of this report.

Going concern

The ultimate parent company, Priory Group No. 1 Limited, has confirmed that it will continue to provide financial support to the company for the foreseeable future and for at least 12 months from the date of approval of these financial statements. Accordingly the financial statements have been prepared on the going concern basis.

Priory (Warrenpoint) Limited

Dividends

The directors do not recommend the payment of a dividend (2010 £nil)

Directors

The directors of the company who held office during the year and up to the date of signing the financial statements were as follows

P Scott

J Lock

D Hall

In accordance with the articles of association, no directors retire by rotation

Independent auditors

The independent auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006

Provision of information to auditors

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that

- so far as that director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the company's auditors in connection with preparing their report and to establish that the company's auditors are aware of that information

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements

Priory (Warrenpoint) Limited

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Priory (Warrenpoint) Limited

Independent auditors' report to the members of Priory (Warrenpoint) Limited

We have audited the financial statements of Priory (Warrenpoint) Limited for the year ended 31 December 2011 which comprise the Profit and loss account, the Balance sheet, the Statement of accounting policies and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Respective responsibilities of directors and auditors

As explained more fully in the Statement of directors' responsibilities set out on pages 2 and 3 the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2011 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Priory (Warrenpoint) Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

Priory (Warrenpoint) Limited

Statement of accounting policies

The following accounting policies have been applied consistently in the company's financial statements

Basis of preparation

The financial statements have been prepared in accordance with applicable UK accounting standards and UK company law and under the historical cost accounting rules

The ultimate parent company, Priory Group No 1 Limited, has confirmed that it will continue to provide financial support to the company for the foreseeable future and for at least 12 months from the date of approval of these financial statements. Accordingly the financial statements have been prepared on the going concern basis

Under Financial Reporting Standard 1 'Cash flow statements' (revised 1996) the company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the company in its own publicly available consolidated financial statements

As the company is a wholly owned subsidiary of Priory Group No 1 Limited, the company has taken advantage of the exemption contained in Financial Reporting Standard 8 'Related party disclosures' and has therefore not disclosed transactions or balances with entities which form part of the group

Tangible assets and depreciation

Tangible assets are stated at cost, net of accumulated depreciation and any provision for impairment. Cost includes the original purchase price of the asset and the costs attributable to bringing the asset to its working condition for its intended use

Depreciation is provided to write off the cost or valuation less the estimated residual value of tangible fixed assets by equal instalments over their estimated useful economic lives as follows

Freehold property	- 50 years
Motor vehicles	- over the shorter of the lease and 4 years
Fixtures and fittings	- 3 to 16 years

Land is not depreciated on the basis that land has an unlimited life

The expected useful lives of the assets to the business are re-assessed periodically in light of experience

Leases and hire purchase

Assets acquired under finance leases and hire purchase contracts are capitalised at cost and depreciated over the shorter of the term of the lease and the useful lives for tangible assets set out above. The capital element of future rentals is included under creditors. Interest is charged to the profit and loss account over the period of the lease in proportion to the balance of the capital payments outstanding. Operating lease rentals are charged to the profit and loss account on a straight-line basis over the period of the lease

Post-retirement benefits

The company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The amount charged against profits represents the contributions payable to the scheme in respect of the accounting period

Priory (Warrenpoint) Limited

Deferred taxation

The charge for taxation is based on the profit for the period and takes into account taxation deferred

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date

A net deferred tax asset is recognised as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits against which to recover carried forward tax losses and from which the future reversal of underlying timing differences can be deducted

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured in a non-discounted basis

Group relief

Payment is generally made for group relief at the current tax rate at the time of first estimating the tax provision. To the extent that amendments are subsequently made to the group relief plan, there is generally no payment or receipt in respect of the change

Turnover and revenue recognition

Turnover represents the amounts (excluding value added tax) derived from the provision of services to customers. Revenue is recognised as the services are provided. Revenue invoiced in advance is included in deferred income until service is provided. Revenue in respect of services provided but not yet invoiced by the period end is included within accrued income

Priory (Warrenpoint) Limited

Notes to the financial statements for the year ended 31 December 2011

1 Turnover and profit on ordinary activities before taxation

The company's turnover, loss on ordinary activities before taxation and net liabilities arise primarily from its principal activity of the management of facilities providing residential and nursing care for elderly people

All turnover and loss on ordinary activities before taxation arose within the United Kingdom and from one class of business

2 Loss on ordinary activities before taxation

Loss on ordinary activities before taxation is stated after charging/(crediting)

The remuneration of the auditors of £1,000 (2010 £1,000) was borne by another group undertaking

3 Remuneration of directors

The costs relating to the directors' services have been borne by Priory Central Services Limited, a fellow group company. No amounts have been recharged to the company in respect of the directors' services and the directors do not believe that it is practical to allocate these costs between group companies.

Priory (Warrenpoint) Limited

4 Staff numbers and costs

Priory (Warrenpoint) Limited

5 Tax on loss on ordinary activities (continued)

The current tax credit of £186,000 (2010 £nil) on losses for the year has been relieved by the surrender of losses to other group companies in exchange for payment of the same amount

The standard rate of tax for the year, based on the UK standard rate of corporation tax is 26.49% (2010 28%)
The actual tax credit for the year is lower (2010 lower) than the standard rate for the reasons set out in the following reconciliation

	2011 £'000	2010 £'000
Loss on ordinary activities before tax	(721)	(9)
Tax on loss on ordinary activities at standard rate	(191)	(3)
Factors affecting charge for the year		
Depreciation in excess of capital allowances	1	1
Depreciation of non-qualifying assets	4	2
Total current tax for the year	(186)	-

The standard rate of corporation tax in the UK changed from 28% to 26% with effect from 1 April 2011. A further reduction in this corporation tax rate effective on 1 April 2012 from 26% to 25% was substantively enacted for the purposes of FRS 19 on 5 July 2011. Accordingly, the Company's profits for this accounting period are taxed at an effective rate of 26.49% and deferred taxation has been calculated based on a rate of 25%.

In addition to the changes in rates of corporation tax disclosed above a number of further changes to the UK corporation tax system were announced in the March 2012 UK Budget Statement. Changes to the corporation tax rate on 1 April 2012, substantively enacted for the purposes of FRS 19 on 26 March 2012, will reduce to 24%, a 1% reduction from the rate substantively enacted on 5 July 2011. Further reductions to the main rate are proposed to reduce the rate by 1% per annum to 22% by 1 April 2014. These further changes had not been substantively enacted at the balance sheet date and, therefore, are not included in these financial statements.

The proposed reductions of the main rate of corporation tax by 1% per year to 22% by 1 April 2014 are expected to be enacted separately each year. The overall effect of the further changes from 25% to 22%, if these applied to the deferred tax balance at the balance sheet date, would be immaterial.
