2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These financial statements have been prepared using the historical cost convention except for, where disclosed in these accounting policies, certain items that are shown at fair value.

The presentational currency of the financial statements is Pounds Sterling, being the functional currency of the primary economic environment in which the company operates. Monetary amounts in these financial statements are rounded to the nearest Pound.

Going concern

After reviewing the company's forecasts and projections, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. The company therefore continues to adopt the going concern basis in preparing its financial statements.

Judgements and estimation uncertainty

These financial statements do not contain any significant judgements or estimation uncertainty.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.
