NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 OCTOBER 2015

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been prepared using the going concern principle. The financial statements show that the net liabilities exceeded the net assets. The company is therefore relying on the continued financial support of its creditors. No adjustment has been made to reclassify the net current liabilities on the basis that the support will not be withdrawn. The director considers the going concern principle to be appropriate.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Turnover

Turnover represents amounts receivable for sales recognised on accruals basis, net of VAT and trade discounts.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Leasehold	Over the term of the lease
Plant and machinery	25% Reducing Balance
Fixtures, fittings & equipment	25% Reducing Balance

1.5 Stock

Stock is valued at the lower of cost and net realisable value.
