1. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015) and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared on a going concern basis. The financial statements show that the net liabilities exceeded the net assets. The company is therefore reliant on the support of the Creditors. The Directors therefore consider it appropriate to prepare the financial statements on a going concern basis.
