## DIRECTORS' REPORT

### FOR THE YEAR ENDED 31 DECEMBER 2019

---

The directors present their annual report and financial statements for the year ended 31 December 2019.

#### RESULTS AND DIVIDENDS

The results for the year are set out on page 5.

No dividends were paid or proposed for the year ended 31 December 2019 or the year ended 31 December 2018.

#### FUTURE DEVELOPMENTS

On 11 March 2020, the World Health Organization declared the Coronavirus (COVID-19) outbreak to be a pandemic in recognition of its rapid spread across the globe. Many governments took stringent steps to help contain or delay the spread of the virus. Most countries, including the UK, have experienced a significant decrease in economic activity as a result of the pandemic. Whilst some of the UK Government measures to contain the spread of COVID-19 started to be relaxed from June 2020 onwards, there continues to be uncertainty regarding when all such measures may be lifted and therefore the recovery of the economy has been slow and there is a risk of a sustained recession.

The IWG plc group reacted quickly and all centres (including the centre operated by the company) continued to operate as normal with full risk assessments having been undertaken. Government guidance continues to encourage individuals to work from home where feasible, and as a result there has been a decrease in the occupancy levels across all centres in 2020 compared to 2019. In addition, there has been a slow-down in the collection of accounts receivable from our tenants. The Directors have taken actions to mitigate the effects of this reduction in cash inflows by deferring costs where possible including furloughing of staff and have sought lease rental decreases and/or abatements from our landlords.

The Directors have not yet determined the overall financial impact from these events but, are confident in the group and company's business model, including the very strong tenant base, the strong order book, and the ability for the group to continue to finance the company's operations.

The directors consider that the future outlook presents significant challenges in terms of sales volume and pricing, as well as costs. The directors have concluded that these circumstances represent a material uncertainty which casts significant doubt upon the company's ability to continue as a going concern. Nevertheless, after making enquiries, the directors have formed a judgement, at the time of approving the financial statements, that there is a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the annual report and financial statements.

#### DIRECTORS

The directors who held office during the year and up to the date of signature of the financial statements were as follows:

PDE Gibson	(Resigned 28 October 2019)
R Morris	
S Loh	(Appointed 6 February 2020)

#### POLITICAL CONTRIBUTIONS

The company made no political contributions in the year ended 31 December 2019 or the year ended 31 December 2018.

#### EVENTS SINCE THE END OF THE YEAR

Except for the impact of Covid-19 noted above there were no other events since the balance sheet date that would require adjustment or disclosure in the financial statements.

#### SMALL COMPANIES EXEMPTION

In preparing the Directors' Report, the directors have taken the small companies exemption under section 414B of the Companies Act 2006 not to prepare a Strategic Report.

## DIRECTORS' REPORT (CONTINUED)

**FOR THE YEAR ENDED 31 DECEMBER 2019**

---

### STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with FRS 101 Reduced Disclosure Framework. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of its profit or loss for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal controls as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

### STATEMENT OF DISCLOSURE TO AUDITOR

The directors who held office at the date of approval of the Directors' Report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

### AUDITORS

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be re-appointed and KPMG will therefore continue in office.

On behalf of the board

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CHELMSFORD VICTORIA ROAD CENTRE LIMITED

### Report on the audit of the financial statements

#### **Opinion**

We have audited the financial statements of Chelmsford Victoria Road Centre Limited ('the Company') for the year ended 31 December 2019 set out on pages 5 to 17, which comprise the Profit and Loss Account and Other Comprehensive Income, the Balance Sheet, the Statement of Changes in Equity and related notes, including the summary of significant accounting policies set out in note 1. The financial reporting framework that has been applied in their preparation is UK Law and FRS 101 *Reduced Disclosure Framework*.

In our opinion, the accompanying financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2019 and of its loss for the year then ended;
- have been properly prepared in accordance with FRS 101 *Reduced Disclosure Framework*; and
- have been properly prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Company in accordance with ethical requirements that are relevant to our audit of financial statements in the UK, including the Financial Reporting Council (FRC)'s Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Material uncertainty related to going concern**

We draw attention to note 1 to the financial statements which indicates that the Company incurred a net loss of £2,000 during the year ended 31 December 2019 and, at that date, the Company's current liabilities exceeded its total assets by £821,000 and it had net current liabilities of £821,000. These events and conditions, along with the other matters explained in note 1, constitute a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

#### **Other information**

The directors are responsible for the other information presented in the Annual Report together with the financial statements. The other information comprises the information included in the directors' report. The financial statements and our auditor's report thereon do not comprise part of the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except as explicitly stated below, any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work we have not identified material misstatements in the other information.

Based solely on our work on the other information:

- we have not identified material misstatements in the directors' report;
- in our opinion, the information given in the directors' report is consistent with the financial statements;
- in our opinion, the directors' report has been prepared in accordance with the Companies Act 2006.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF CHELMSFORD  
VICTORIA ROAD CENTRE LIMITED (continued)**

**Report on the audit of the financial statements (continued)**

***Matters on which we are required to report by exception***

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

**Respective responsibilities and restrictions on use**

***Responsibilities of directors for the financial statements***

As explained more fully in the directors' responsibilities statement set out on page 2, the directors are responsible for: the preparation of the financial statements including being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

***Auditor's responsibilities for the audit of the financial statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A fuller description of our responsibilities is provided on the FRC's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities).

***The purpose of our audit work and to whom we owe our responsibilities***

Our report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

# CHELMSFORD VICTORIA ROAD CENTRE LIMITED

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

---

### 1 ACCOUNTING POLICIES

#### **Company information**

Chelmsford Victoria Road Centre Limited is a private company incorporated, domiciled and registered in England and Wales. The registered office is 1 Burwood Place, London, W2 2UT.

#### **Basis of preparation**

The financial statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes the amendment where necessary in order to comply with the Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The Company's ultimate parent undertaking, IWG plc includes the Company in its consolidated financial statements. The consolidated financial statements of IWG plc are prepared in accordance with International Financial Reporting Standards as adopted by the EU and are available to the public and may be obtained from the Company's website [www.iwgplc.com](http://www.iwgplc.com) or from the IWG plc registered office, 22 Grenville Street, St Helier, Jersey, JE4 8PX.

In these financial statements, the company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- A Cash Flow Statement and related notes;
- Comparative period reconciliations for share capital, and tangible fixed assets;
- Disclosures in respect of transactions with wholly owned subsidiaries;
- Disclosures in respect of capital management;
- Disclosures in respect of the compensation of Key Management Personnel;
- Disclosure of transactions with a management entity that provides key management personnel services to the Company;
- The effects of new but not yet effective IFRSs; and
- Certain disclosures regarding revenue.

As the consolidated financial statements of IWG plc include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- Certain disclosures required by IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures.

#### **Impact of key estimates and judgements**

Management have assessed that there are no estimates or judgements that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities recognised in the financial statements.

#### **Measurement convention**

The financial statements are prepared on the historical basis.

# CHELMSFORD VICTORIA ROAD CENTRE LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 DECEMBER 2019

#### 1 ACCOUNTING POLICIES

(Continued)

##### **Changes in accounting policies**

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

The Company has adopted the following IFRSs in these financial statements:

- IFRS 16: Leases
- IFRIC 23: Uncertainty over Income Tax Treatments
- Long-term Interests in Associates and Joint Ventures (Amendments to IAS 28)
- Plan Amendments, Curtailment or Settlement (Amendments to IAS 19)
- Annual Improvements to IFRSs 2015 – 2017 Cycle
- Prepayment features with Negative Compensation (Amendments to IFRS 9)

Amendments to adopted IFRSs issued by the International Accounting Standards Board (IASB) and the International Financial Reporting Interpretations Committee (IFRIC) with an effective date from 1 January 2019 did not have a material effect on the Company's financial statements, unless otherwise stated.

##### **Impacts on transition**

The Company has not entered into any fixed term lease contracts during the period and therefore there is no impact on transition to IFRS16.

##### **Going concern**

As described in the Report of the Directors on page 1, the current economic environment is challenging and the Company has reported a loss for the year. The directors consider that the outlook presents significant challenges in terms of sales volume and pricing, as well as costs. Additionally, as at 31 December 2019 the company had net liabilities of £821,000. The Company is dependent for its working capital on funds provided to it by IWG plc, the Company's ultimate Parent. The Directors are not aware of any current intention of IWG plc and related entities to seek repayment for any intercompany balances currently made available to the Company. The directors consider that this should enable the Company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any Company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

The directors have concluded that these circumstances represent a material uncertainty which casts significant doubt upon the Company's ability to continue as a going concern and, therefore, that it may be unable to realise its assets and discharge its liabilities in the normal course of business. Nevertheless, after making enquiries, the directors have formed a judgement, at the time of approving the financial statements, that there is a reasonable expectation that the company has adequate resource to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the annual report and financial statements. The financial statements are prepared on the going concern basis and do not include any adjustments that would be necessary if this basis were inappropriate.

# CHELMSFORD VICTORIA ROAD CENTRE LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2019

---

### 1 ACCOUNTING POLICIES

(Continued)

#### **Turnover**

Revenue from the provision of services to customers is measured at the fair value of consideration received or receivable (excluding sales taxes). Where rent free periods are granted to customers, rental income is spread on a straight-line basis over the length of the customer contract.

#### **Workstations**

Workstation revenue is recognised when the provision for the service is rendered. Amounts invoiced in advance are deferred and recognised as revenue upon provision of the service.

#### **Customer service income**

Service income (including the rental of meeting rooms) is recognised as services are rendered. In circumstances where the Company acts as an agent for the sale and purchase of goods to customers, only the commission fee earned is recognised as revenue.

#### **Tangible fixed assets**

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

Where parts of an item of tangible fixed assets have different useful lives, they are accounted for as separate items of tangible fixed assets.

Under IAS 17, the Company had leases which were classified as finance leases as the Company had assumed substantially all the risks and rewards of ownership of the leased asset. Where land and buildings were held under leases the accounting treatment of the land was considered separately from that of the buildings. Prior to 1 January 2019, these leased assets acquired by way of finance lease were stated at an amount equal to the lower of their fair value and the present value of the minimum lease payments at inception of the lease, less accumulated depreciation and less accumulated impairment losses. The accounting treatment for these leases subsequent to transition to IFRS 16, and for leases entered into after 1 January 2019 are described below.

Depreciation is charged to the profit and loss account on a straight-line basis over the estimated useful lives of each part of an item of tangible fixed assets. Land is not depreciated. The estimated useful lives are as follows:

Fixtures and fittings - straight line over 10 years

Computer equipment - straight line over 3 to 10 years

Depreciation methods, useful lives and residual values are reviewed at each balance sheet date.

#### **Expenses**

##### **Net finance expense**

Interest charges and income are accounted for in the income statement on an accruals basis.

##### **Operating lease payments (policy applicable before 1 January 2019)**

Payments (excluding costs for services and insurance) made under operating leases are recognised in the profit and loss account on a straight-line basis over the term of the lease. Lease incentives received are recognised in the profit and loss account as an integral part of the total lease expense.

# CHELMSFORD VICTORIA ROAD CENTRE LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 DECEMBER 2019

---

#### 1 ACCOUNTING POLICIES

(Continued)

##### **Leases (policy applicable from 1 January 2019)**

The new accounting policies of the Company upon adoption of IFRS 16 are as follows:

##### **Short-term leases and leases of low-value assets**

The Company applies the short-term lease recognition exemption to short-term leases (i.e. those leases that have a lease term of 12 months or less from commencement). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value. Lease payments on short-term leases and leases of low-value assets are recognised as a rent expense on a straight-line basis over the lease term.

##### **Financial instruments**

##### *Recognition and initial measurement*

Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the company becomes a party to the contractual provisions of the instrument.

A financial asset (unless it is a trade receivable without a significant financing component) or financial liability is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition or issue. A trade receivable without a significant financing component is initially measured at the transaction price.

##### *Classification and subsequent measurement – financial assets*

Financial assets are classified as subsequently measured at amortised cost, fair value through the profit or loss or fair value through other comprehensive income (OCI). The classification depends on the nature and purpose of the financial assets and is determined on initial recognition.

Financial assets (including trade and other receivables) are measured at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- Its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

# CHELMSFORD VICTORIA ROAD CENTRE LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2019

### 1 ACCOUNTING POLICIES

(Continued)

#### **Financial instruments (continued)**

Financial assets at fair value through profit or loss are measured at fair value and changes therein, including any interest or dividend income, are recognised in profit or loss.

Financial assets (including trade and other receivables) are measured at fair value through OCI if both of the following conditions are met:

- The financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets; and
- Its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### *Subsequent measurement and gains and losses*

Financial assets at amortised cost - these assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

#### *Interest bearing borrowings and other financial liabilities*

Financial liabilities, including interest bearing borrowings, are recognised initially at fair value less attributable transaction costs. Subsequent to initial recognition, financial liabilities are stated at amortised cost with any difference between cost and redemption value being recognised in the income statement over the period of the borrowings on an effective interest rate method.

The Company derecognises financial liabilities when the Company's obligations are discharged, cancelled or expired.

Financial liabilities are classified as financial liabilities at fair value through profit or loss where the liability is either held for trading or is designated as held at fair value through profit or loss on initial recognition. Financial liabilities at fair value through profit or loss are stated at fair value with any resultant gain or loss recognised in the income statement. The Company has not designated any financial liabilities at fair value through the profit or loss and it has no current intention to do so.

#### *Impairment – financial assets*

IFRS 9 requires the Company to record expected credit losses (ECLs) on all of its financial instruments, either on a 12-month or lifetime basis. The Company applied the simplified approach to trade receivables and recorded the lifetime expected losses.

# CHELMSFORD VICTORIA ROAD CENTRE LIMITED

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2019

---

### 1 ACCOUNTING POLICIES

(Continued)

#### **Taxation**

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in previous years.

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The following temporary differences are not provided for: the initial recognition of goodwill; the initial recognition of assets or liabilities that affect neither accounting nor taxable profit other than in a business combination, and differences relating to investments in subsidiaries to the extent that they will not reverse in the foreseeable future. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using the tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable future taxable profits will be available against which the temporary difference can be utilised.

#### **Provisions**

A provision is recognised in the balance sheet when the Company has a present legal or constructive obligation as a result of a past event, that can be reliably measured and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects risks specific to the liability.

The terms of most building leases require the company to make good dilapidation or other damage occurring during the rental period. Due to the nature of the business, centres are maintained to a high standard. Provisions for dilapidations are only made when the company considers that it is likely that the premises will be vacated by the company and it is known that a dilapidation has occurred.

#### **Employee benefits**

##### **Defined contribution plans**

A defined contribution plan is a post-employment benefit plan under which the Company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an expense in the profit and loss account in the periods during which services are rendered by employees.

##### **Short-term benefits**

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid under short-term cash bonus or profit-sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

### 2 TURNOVER

All results are derived from the provision of serviced offices and related services in the United Kingdom.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2019

### 6 TAXATION

#### Analysis of tax expense

No liability to UK corporation tax arose for the year ended 31 December 2019 nor for the year ended 31 December 2018.

Reconciliation of effective tax rate	2019 £'000	2018 £'000
Loss before taxation	(2)	(69)
Tax using the UK corporation tax rate of 19%	-	(13)
Effects of:		
Expenses not deductible in determining taxable profit	8	1
Utilisation of tax losses not previously recognised	(9)	-
Group relief at nil consideration	-	12
Capital allowances in excess of depreciation	1	-
Taxation charge for the year	-	-

#### Factors that may affect future and total tax charges

A reduction in the UK corporation tax rate from 19% to 17% (effective 1 April 2020) was substantively enacted on 6 September 2016. The March 2020 Budget announced that a rate of 19% would continue to apply with effect from 1 April 2020, and this change was substantively enacted on 17 March 2020. This will increase the company's future current tax charge accordingly.

The company has tax losses carried forward of £119,000 (2018: £123,000) for which no deferred tax asset has been recognised, on the basis that there is uncertainty with regard to the timing of future taxable profits.

### 11 ULTIMATE PARENT COMPANY

The Company is a wholly owned subsidiary of IWG Group Holdings S.A.R.L, a company incorporated and registered in Luxembourg.

The largest group in which the results of the Company are consolidated is that headed by IWG plc, a company incorporated in Jersey. The smallest group in which they are consolidated is that headed by IWG Global Investments Sarl incorporated, registered and domiciled in Luxembourg. The consolidated accounts of IWG plc are available to the public and may be obtained from the website [www.iwgplc.com](http://www.iwgplc.com).

### 12 EVENTS AFTER THE REPORTING PERIOD

On 11 March 2020, the World Health Organization declared the Coronavirus (COVID-19) outbreak to be a pandemic in recognition of its rapid spread across the globe. Many governments took stringent steps to help contain or delay the spread of the virus. Most countries, including the UK, have experienced a significant decrease in economic activity as a result of the pandemic. Whilst some of the UK Government measures to contain the spread of COVID-19 started to be relaxed from June 2020 onwards, there continues to be uncertainty regarding when all such measures may be lifted and therefore the recovery of the economy has been slow and there is a risk of a sustained recession.

The IWG plc group reacted quickly and all centres (including the centre operated by the company) continued to operate as normal with full risk assessments having been undertaken. Government guidance continues to encourage individuals to work from home where feasible, and as a result there has been a decrease in the occupancy levels across all centres in 2020 compared to 2019. In addition, there has been a slow-down in the collection of accounts receivable from our tenants. The Directors have taken actions to mitigate the effects of this reduction in cash inflows by deferring costs where possible including furloughing of staff and have sought lease rental decreases and/or abatements from our landlords.

The Directors have not yet determined the overall financial impact from these events but, are confident in the group and company's business model, including the very strong tenant base, the strong order book, and the ability for the group to continue to finance the company's operations.

There were no other events since the balance sheet date that would require adjustment or disclosure in the financial statements.
