During this year work has continued on the website including adapting it for mobile use, with fresh articles added to encourage and resource the network of supporters. The existing trustees are responsible for the recruitment of new trustees but in so doing the trustees seek the views and recommendations of the Dream Team; a committee of volunteers involved in organising the activities of the charity.

In selecting new trustees, we seek to identify people who regularly participate in our activities and other Christian outreach. Potential trustees are invited to attend trustees' meetings as observers and are given more details of the charity's aims and activities and, if all agree, they are proposed as new trustees at the subsequent trustees' meeting.

The policies and procedures for the induction and training of trustees.

Following appointment, new trustees are introduced to their new role and given copies of the trust deed and a guide to the policies and procedures adopted by our charity. Publications from the Charity Commission are also provided including the guidance on charities and public benefit and on the advancement of religion for the public benefit.

Organisational structure of the charity and how decisions are made.

The charity trustees are responsible for the general control and management of the charity. With the exception of R L Goulding receiving a moderate contractual payment for the administration services provided, the trustees give their time freely and receive no other remuneration or other financial benefits.

The trustees have assessed the risks the charity faces and review this regularly at their meetings. The trustees are satisfied that systems are in place to manage the risks that have been identified. In particular, insurance cover is in place and the finances of the charity are kept under review.

Activate Your Life receives some donations from other Christian organisations whose support is valued.

Statement of Directors' and Trustees' Responsibilities

The Charities Acts and the Companies Acts require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the responsibility of the independent examiner in relation to the trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

Method of preparation of accounts

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

This report was approved by the board on 8 August 2022 and signed on its behalf.

Report of the Independent Examiner to the trustees on the preparation of the unaudited statutory accounts of Activate Your Life for the year ended 30 November 2021

I report that the financial statements of the Charity have been prepared in accordance with the Charities Act 1993 and with the Financial Reporting Standard for Smaller Entities (FRSSE), effective April 2008, as modified by the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, effective April 2005 as modified in June 2008. (The SORP), under the historical cost convention and the accounting policies set out.

Respective responsibilities of trustees and examiner

The Charity's trustees also have the functions of directors and are responsible for the preparation of the financial statements.

The trustees are satisfied that the audit requirement of Section 43(2) of the Charities Act 1993 (the Act) does not apply and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to section 476 of the Companies Act 2006, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit. As a consequence, the trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit under company law, or otherwise, and is eligible for independent examination, it is my responsibility to:

- a) examine the accounts under section 43 of the Act;
- b) to follow the procedures laid down in the General Directions given by the Charity Commission
- c) to state whether particular matters have come to my attention.

Basis of opinion and scope of work undertaken

I conducted my examination in accordance with the General Directions given by the Charity Commissioners for England & Wales setting out the duties of an independent examiner issued by the Charity Commissioners under section 43(7)(b) of the Act) in relation to the conducting of an independent examination, referred to above. An independent examination includes a review of the accounting records kept by the Charity and of the accounting systems employed by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from trustees concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the Statement of Recommended Practice issued by the Charity Commissioners for England & Wales (effective April 2005 as modified in June 2008), on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit and information supplied by the trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and the report is limited to the matters set out in the statement below.

I planned and performed the examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtain written assurances from the trustees of all material matters. Subject to the limitations upon the scope of the work as detailed above, in connection with the examination, I can confirm that:

1) In accordance with Regulation 31 of The Charities (Accounts and Reports) Regulations 2008, the accounts of this incorporated charity are not required to be audited under Part 16 of the Companies Act 2006;

2) the gross income of the charity in the period ended 30 November 2020 does not exceed the sum specified in section 43(3A) of the Charities 1993, namely £250,000, and that I am qualified to act as independent examiner in accordance with that section by virtue of my being a qualified member of the Institute of Chartered Institute of Management Accountants;

3) this is a report in respect of an examination carried out under section 43 of the Charities Act 1993 and in accordance with any directions given by the Commission under subsection (7)(b) of that section which are applicable;

and that no matter has come to my attention in connection with the examination which gives reasonable cause to believe that in any material respect the requirements:

(i) to keep accounting records in accordance with section 386 of the Companies Act 2006;

(ii) to prepare financial statements which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and;

(iii) that the financial statements be prepared in accordance with the methods and principles set out in the Statement of Recommended Practice - Accounting and Reporting by Charities have not been met; or to which, in my opinion, attention should be drawn in the report in order to enable a proper understanding of the accounts to be reached;

The Examiner's relevant professional body is the Institute of Chartered Accountants in England and Wales.

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (FRSSE), effective April 2008, and all other applicable accounting standards, as modified by the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, (revised June 2008). The accounts have been drawn up in accordance with the provisions of the Charities (Accounts and Reports) Regulations 2008 and the Companies Act 2006, and include the results of the charity's operations which are described in the Trustees' Report, all of which are continuing.

Insofar as the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, (revised June 2008) requires compliance with specific Financial Reporting Standards other than the FRSSE then the specific Financial Reporting Standards have been followed where their requirements differ from those of the FRSSE.

Advantage has been taken of Section 396(5) of The Companies Act 2006 to allow the format of the financial statements to be adapted to reflect the special nature of the charity's operation and in order to comply with the requirements of the SORP.

The charity has taken advantage of the exemption in the FRSSE from the requirement to produce a cash flow statement. The particular accounting policies adopted are set out below.

Accounting convention

The financial statements are prepared, on a going concern basis, under the historical cost convention. The charity is entirely dependent on continuing donations and as a consequence the going concern basis is also dependent on the continuing donations.

Incoming Resources

Incoming resources are accounted for on a receivable basis.

Deferred income

In accordance with the Statement of Recommended Practice for Accounting and Reporting (revised June 2008) issued by the Charity Commissioners for England & Wales grants received in advance and specified by the donor as relating to specific accounting periods or alternatively which are subject to conditions which are still to be met, and which are outside the control of the charity or where it is uncertain whether the conditions can or will be met, are deferred on an accruals basis to the period to which they relate. Such deferrals are shown in the notes to the accounts and the sums involved are shown as creditors in the accounts.

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Items of less than £100 are not capitalised. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:
