SHRI RAM CHANDRA MISSION UK
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objective of the Mission is to protect and preserve the public health through the practice of the Sahaj Marg system of meditation, now also known as Heartfulness (HFN).

Significant activities

The company's principal activities are:

- Establish meditation centres for practitioners of Sahaj Marg/Heartfulness within the United Kingdom.
- Work in partnership with Shri Ram Chandra Mission Ireland (an Irish Charity having similar objectives).
- Facilitate meditation, study groups, retreats and public information open days in established Shri Ram Chandra Mission/Heartfulness centres. Increasingly, meditation is also offered through online platforms and various social media channels.
- Facilitation and introduction of members of the public in the system of Sahaj Marg/Heartfulness Meditation.
- Disseminate Shri Ram Chandra Mission/Heartfulness literature and information of the charity to its members and the public throughout the United Kingdom
- Offering Heartfulness relaxation and meditation through various channels to accommodate unprecedented circumstances.

Volunteers

The Mission has been dependent on the services of volunteers to carry out its objectives. The volunteers gave their time free of charge and it was not possible to quantify the benefit arising to the company. The directors wish to express their deep gratitude to those who gave of their service in this way.

A Volunteers training programme is updated every year with any new policies and volunteers are required to complete the training every year to ensure that they are up to date.

2020 was an incredible year during which our volunteers worked together to take Heartfulness to as many people as possible and also were able to adapt to the everchanging and difficult times.

ACHIEVEMENT AND PERFORMANCE

Funding and charity management

2020 being an extraordinary year due to Covid-19, it became imperative for us to stop leasing all the Heartspot centres around the UK. Covid-19 also had a significant impact on our total income, which decreased by 43.5% as compared with 2019. This movement was mainly driven by 36.3% fall in donations compared with 2019. We were still able to meet all our other administrative costs including the maintenance of the London Meditation Centre.

Meditation Centres and Groups

London Centre: SRCM UK purchased a long-term lease (990 year) in February 2012 on premises in Stratford, London. These premises were converted to form an ashram (spiritual centre) for use by practitioners in the UK and Ireland. The purchase was funded by savings and donations from within the UK and also from other donors in SRCM centres around the world.

Other Centres: In all other areas of the UK meditation groups rent or lease meeting rooms for the purpose of meditation and training with some small groups meeting in the private homes of practitioners. The number of venues had increased to fifty due to increased outreach activity. Since early 2020, due to the pandemic we had to stop leasing all the centres.

Due to Covid-19, all the centres were closed, and groups started meeting for online zoom sessions and these proved to be very popular. There were different online programmes for everyone which included study sessions, Science of Meditation sessions, Deepening Your Practice sessions and many more informal programmes too which proved to be a great support during unprecedented times.

ACHIEVEMENT AND PERFORMANCE

Expansion

Local centres, known as Heartspots, offer meditation and training sessions on a regular, usually weekly, basis. Many volunteers are now trained to present Heartfulness around the UK, and all are required to take an online training programme that was developed for all volunteers working with the public. During 2020 various training webinars took place focussing on personal wellbeing along with several short continuing development programmes for meditators and meditation trainers.

Several improvements to our communications have been introduced this year.

HFN UK Noticeboard (WhatsApp) provides one place for all official and relevant messages from HFN UK only, and without a chat element. The messages shared are checked for authenticity, accuracy and relevance, times and dates are for UK (or have UK details immediately below). Messages shared from outside UK may be revised to ensure the content and tone of the message is appropriate for a UK audience (language, spelling, cultural nuances etc.)

The weekly UK newsletter has seen continuous improvement to make it attractive and easy to read. It is sent out by email at 7pm every Friday and copied to local WhatsApp groups to maximise its reach. All newsletters can be viewed in the archive at our website.

In July functionaries and volunteers attended two Design and Publicity webinars to ensure the aims and importance of the HFN branding and social media guidelines are understood and maintained. Participants learned how to access and use new templates and a resource bank on the UK website consisting of images, fonts and video tutorials for creating online posters etc.

An introduction to Heartfulness Communication, comprising three fortnightly 2-hour workshops, was offered to the UK Functionaries, by a small team of UK based Facilitators in month of September and October 2020. It included practical and experiential approaches to the work.

Heartfulness Outreach Activities

SRCM UK promotes Heartfulness Meditation to the wider public at health and wellbeing exhibitions and events, and in businesses, universities, hospitals (for staff) and community venues. During 2020 Heartfulness UK created initiatives such as: Heartfulness Daily Programmes via WhatsApp for beginners which benefitted more than 700 participants, with a structured daily meditation programme. This is an ongoing initiative. Facebook live meditation sessions, Instagram live relaxation and meditation sessions along with online wellbeing sessions for business organisations and Universities. During the first lockdown when children were at home, we also introduced live story reading sessions on Facebook. Towards the end of 2020 we began planning for a National Wellbeing event to be held in January 2021 which involved collaboration with global speakers including Heartfulness Guide, Kamlesh Patel also known as Daaji.

Funding and charity management

Most operational expenses of centres have been met by voluntary donations from practitioners. Donations have been received by cash, standing orders or online transfers. Most funds for the charity are from UK practitioners.

We had to cancel our planned Fun Run event in September due to Covid-19.

Future Developments

A considerable amount of work has been done on the Heartfulness UK website to streamline and enhance both its appearance and function, as well as how it can support seekers and existing meditators. Its appearance was remodelled to be consistent with the global site.

The Website Team responded to Covid-19 and the UK National lockdown by promoting virtual events with a new virtual "What's on" Page. It also liaised closely with the Global Team to promote large scale virtual events such as UN Yoga and Peace Days. There were almost 2500 new visitors on the website.

An UK Community Blog was introduced where meditators old and new shared their experiences of practising Heartfulness which created a sense of community during social isolation.

Future Developments

A new Corporate Page was developed on the website with programmes and supporting materials and work began to create a similar page aimed at Health Professionals.

Our page of offerings for schools and teachers continues to be one of the most popular on the website.

FINANCIAL REVIEW

Principal funding sources

The company's activities and developments are dependent upon funding from two main sources, donations and events. During 2020 there were no physical events which reduced our anticipated donations.

Banking

The board agreed to open another account with CAF (Flagstone) bank to spread the funds to minimise risk.

Reserves policy

It is the policy of the Mission to maintain unrestricted reserves, i.e. unrestricted funds not committed or invested in fixed assets, at a level which equates to at least four to six months annual income.

Funds in deficit

There were no funds in deficit at the year end.

Results for the year

The Statement of Financial Activities on page 6 reflects a deficit of £11,452 (2019 - £16,073). The net assets of the company at the year end were £1,464,145 (31 December 2019 - £1,475,597).

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
(INCORPORATING AN INCOME AND EXPENDITURE ACCOUNT)
SHRI RAM CHANDRA MISSION UK**

I report on the accounts for the year ended 31 December 2020 set out on pages six to fourteen.

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that, in any material respect, the requirements

- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
- to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
