## 1. ACCOUNTING POLICIES

### Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

### Turnover

Turnover is recognised at the fair value of the consideration received or receivable for sales of good and services in the ordinary course of the business. Turnover is shown net of Value Added Tax, for goods and services provided to customers. In the case of long term contracts, turnover is recognised appropriate to the stage of completion where the outcome of the contract can be ascertained with reasonable certainty.

### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery - 25% on reducing balance

### Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

### Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

### Financial instruments

Financial instruments are classified and accounted for according to the substance of the contractual arrangement. They are classified as financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.
