As previously reported, I agreed with to sell whatever right and title the Company held in the group tax refund, for 10% of the refund amount due to the group. The final amount due to the Company was £1,732 and this was received on 9 April 2015.

Creditors

As indicated at the outset, there are no monies available to make a distribution to any class of creditors and I have not taken steps to formally admit the creditors' claims

Additionally, I have discharged my statutory duties as Liquidator in the day to day matters associated with the case

Outstanding matters

The liquidation is now substantially complete and can be closed

Liquidator's remuneration

The creditors previously approved a statement of affairs fee of £5,000 plus VAT. The initial creditors' meeting passed a resolution that the liquidator's remuneration be fixed on the basis of time costs properly incurred in attending to matters arising in the liquidation. I enclose a schedule which provides details of the time costs incurred and the liquidator's disbursements. To date, the liquidator has drawn £8,500 plus VAT on account and details are provided on the attached schedule.

The remaining balance in hand will be used to discharge outstanding costs detailed in the enclosed schedule

A guide to help creditors understand the law and their rights in relation to determining how the liquidator will be paid can be downloaded at, http://www.r3.org.uk/media/documents/publications/professional/Guide to Liquidators Fees Nov2011.pdf

Alternatively, a creditor may obtain a printed copy by contacting this office directly

Professional advisers engaged by the liquidator

I have instructed the following professional advisers to assist with the administration and progression of the case. The choice of adviser is based on their relevant experience and ability to perform this type of work, the nature and complexity of the specific assignment and the basis of the fee arrangement negotiated.

Adviser/Organisation	Service provided	Reason selected	Basis of fees	Fees paid this reporting period
Ashwells LLP	Valuation and asset sale services	Sector knowledge and experience	Fixed fee	Nil

* Messrs Ashwells LLP were engaged to value and provide advice on the sale and disposal of the chattel and equipment assets of the business. The agreed fee was £375 00

The liquidator is satisfied that fees charged are considered reasonable in the circumstances of the case

Declaration regarding treatment of VAT and accruals

In accordance with Statement of Insolvency Practice 7, all entries are shown net of VAT, with VAT recorded on a separate line. The receipts and payments account discloses all receipts and payments in the reporting period. However, there may be additional accrued expenditure due in respect of storage of company records and postage, stationery, telephone, mileage and external disbursements. These charges will be drawn upon case closure in accordance with the resolution already approved by creditors.

DK OPTO LIMITED IN CREDITORS VOLUNTARY LIQUIDATION

SCHEDULE OF LIQUIDATOR'S REMUNERATION AND DISBURSEMENTS

Firm's charging policy

It is the firm's policy that all staff involved on an assignment will record all time spent on dealing with matters arising on that client and that the time will be categorised to show the type of activity carried out. The charge out rates of partners, directors and managers do not therefore include provisions for time spent by secretaries, cashiers and support staff.

The time cost to the estate is calculated by multiplying the time spent by the individual by their charge-out rate. Time is recorded in units of 6 minutes, with 10 units making up each hour of time spent. Charge-out rates are reviewed annually and are subject to change without prior notice. Full details of the rates applied to a specific case are available on application.

The charge-out rates of the persons involved in this case from commencement to the current time are as follows -

	Charge-out rate at commencement (up to £ per hour)
Partner	195 00
Director	165 00
Manager	135 00
Other professionals	105 00
Administrative staff	45 00

Liquidator's remuneration

The fee agreed and paid for the preparation of the statement of affairs and convening the meetings of members and creditors was £5,000

In relation to the liquidator's remuneration, the first meeting of creditors resolved that the liquidator's fees be fixed by reference to the time properly spent by the liquidator and his staff in attending to matters arising in the winding-up. The liquidator has ensured that case assignments have been carried out by appropriate grades of staff.

The time costs during the course of my administration for the period covered by this report are summarised below -

Liquidator's disbursements

The disbursements drawn to date can be summarised as follows -

Category 1, disbursements not requiring approval represent a re-charge to the estate for direct costs, payable to independent third parties, specifically incurred in the administration of the estate. In certain instances these costs were initially met from the firm's resources due to the lack of funds available at the time that payment was due.

Category 2, disbursements requiring approval, represent a charge to the estate for the costs incurred by the firm specifically in relation to the estate. The first meeting of creditors resolved that payment shall be made in respect of Category 2 disbursements as follows -

- External disbursements will be recharged at cost
- The in house storage of books and records will be charged at the rate of £1 per archive box per month for the duration of the liquidation period plus fifteen months in addition to the cost of boxes and ultimate confidential destruction
- Mileage will be charged at up to 45p per mile
- Postage, stationery and telephone are recharged at the rate of £2 per letter and £3 per copy of report in addition to the cost of postage
