## Notes to the Abbreviated Accounts for the Year Ended 31 December 2012

### 1 ACCOUNTING POLICIES

#### Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

#### Turnover

Turnover represents the value of services, excluding value added tax, provided under contracts to the extent that there is a right to consideration and is recorded at the value of the consideration due

Where a contract has only been partially completed at the balance sheet date turnover represents the value of the service provided to date based on a proportion of the total expected consideration at completion. Where payments are received from customers in advance of services provided, the amounts are recorded as deferred income and included as part of the creditors due within one year

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life

Fixtures and fittings - 25% on cost

#### Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items

#### Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date
