Notes to the Financial Statements for the year ended 31 December 2020

1 Accounting policies

Basis of preparation

These financial statements have been prepared under the historic cost convention as modified for the revaluation of property and in accordance with the Companies Act 2006 and United Kingdom Accounting Standards, in particular, Financial Reporting Standard 101 'Reduced Disclosure Framework' ("FRS 101").

Summary of disclosure exemptions

FRS 101 sets out a reduced disclosure framework that addresses the financial reporting requirements of and disclosure exemptions available in the individual financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of International Financial Reporting Standards ("IFRS") as adopted pursuant to Regulation (EC) No 1606/2002 as it applies in the European Union. Amendments are made to the requirements of IFRS where necessary so as to comply with the Companies Act 2006.

The Company, as a qualifying entity, is a member of a group where the parent of that group, being Capital & Counties Properties PLC, prepares publicly available consolidated financial statements that are intended to give a true and fair view and the Company is included in the consolidation. Details of where the 2020 Annual Report & Accounts of Capital & Counties Properties PLC can be obtained are disclosed in note 3.

The Directors of the Company have taken advantage of the following disclosure exemptions available under FRS 101:

- The requirements of paragraphs 10(d), 10(f), 16, 38A, 38B, 38C, 38D, 40A, 40B, 40C, 40D, 111 and 134 to 136 of IAS 1 'Presentation of Financial Statements';
- The requirements of IAS 7 'Statement of Cash Flows';
- The requirements of paragraphs 30 and 31 of IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors'; and
- The requirements in IAS 24 'Related Party Disclosures' to disclose related party transactions entered into between two or more members of a group.

Going concern

At the time of approving the financial statements the Directors have a reasonable expectation that the Company will have adequate resources to meet both ongoing and future commitments for at least 12 months from the date of signing these financial statements. Accordingly, the Directors consider it appropriate to adopt the going concern basis in preparing the financial statements.

Changes in accounting policy

No new accounting standards and interpretations that are effective for the year ended 31 December 2020 have had a material impact on the financial statements.

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated. The Directors believe there have been no key accounting estimates made in the preparation of these financial statements.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

Investments in subsidiaries

Investments are stated at cost less impairment losses, if any. Impairment losses are determined with reference to the investment's fair value less estimated selling costs. Fair value is derived from the net assets attributable to the investment at the balance sheet date. Reversal of prior impairment is calculated on a consistent basis as the original impairment charge and may not exceed the original cost prior to impairment. On disposal, the difference between the net disposal proceeds and the carrying amount is recognised in the statement of comprehensive income.
