PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

CLIP has continued to deliver its core aim of widening participation in learning in rural, coastal and peripheral communities. We continue to work equally with young people (16-18 yrs) who have underachieved at school and adults returning to learning and employment. We have also started to negotiate a range of contracts to support local job-seekers, particularly those who have greater difficulty in obtaining sustainable work.

CLIP continued to provide a local adult education service in rural and coastal areas providing courses leading to qualifications and non-accredited provision for interest and personal development. Two developments were the Certificate in Autism and an evening photography course that led to an exhibition in April in the community café. The Flare programme for 16-18 year olds had a high achievement rate of 83% this year and attracted a particularly large cohort in Mablethorpe of 44 learners. For the first time in many years, we were funded to run Access to Higher Education. We piloted a small cohort and several local people have been able to access degree courses eg in Social Work. It is particularly important in rural Lincolnshire that we take a "Grow Your Own" approach as professional jobs are notably difficult to fill.

2015 was our 20th anniversary year and at the end of the year we held learner celebrations in each of the centres which were particularly successful.

(If applicable, please just state "A social audit report covering these points is attached")

(Please continue on separate continuation sheet if necessary)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are, how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear

Our stakeholders are our learners, members of local community organisations and our funders. We consult regularly with learners both informally and through written feedback and this shapes the development of our provision. Written feedback suggests a high level of satisfaction with the provision and the impact was evidenced in the celebration events held at the end of the year which were attended by local councillors and officers.

We continue to run a support group for people recovering from mental health problems in two of our centres – and focus groups were held as part of an evaluation. Members were particularly positive about the social contact and confidence that they gained from attending.

(If applicable, please just state "A social audit report covering these points is attached")

There are no other transactions or arrangements in conjunction with the remuneration of directors, or compensation for directors' loss of office which require to be disclosed. Full details are in the accounts.

PART 4 – TRANSFERS OF ASSETS OTHER THAN FOR FULL CONSIDERATION – Please insert full details of any transfers of assets other than for full consideration e.g. Donations to outside bodies.
