Structure, governance and management

The organisation is a registered charity and is a member of Homeless Link, Advice UK and the Scottish Council for Single Homeless. The charity is constituted as a company limited by guarantee registered at Companies House and governed by its Memorandum and Articles of Association.

Trustees

Details of Trustees are noted in page 1 of this report Trustees are recruited based on experience and skills required by the Charity There is an induction policy in place that includes meeting with staff and other Trustees

Organisational Structure

The Board of Trustees are responsible for determining the strategic direction of the charity. They delegate appropriate authority for operational matters to Scotscare via a management services agreement.

Objectives, Activities, Performance and Future Plans

The principal activity of the Charity is to help vulnerable Scots in and around London who are homeless or inadequately housed. New Borderline offers assistance to anyone in need, regardless of age, creed, race or circumstances. In the Trustees' opinion these objectives have been met during the year. The Trustees also confirm they have had due regard to the guidance on Public Benefit issued by the Charity Commission. The number of contacts made over the past year with and on behalf of clients remains good. We have continued to access accommodation and provide advice and support services to a wide range of clients. We now operate over 5 full days and provide appointments and a walk-in service daily. We aim to provide a rapid response to our clients and adopt a proactive method of working meaning we are able to prevent homelessness and rough sleeping when unable to access emergency accommodation. Each client's vulnerability is assessed and decisions taken very carefully on the most suitable accommodation for that individual. We aim to provide the most appropriate and effective services to clients, while continuing to build on current relationships with other providers in the sector. Grant funding has been spent on providing services to clients and the appropriate infrastructure for the delivery of those services.

The charity sets targets which are largely encompassed in the bid documents to the Scottish Executive, the statutory funder. These are monitored regularly and reported upon annually. Regular reports on performance and achievements are made to team and Board meetings. Targets for 2009-10 were not met due to considerable reductions in income, however we did manage to assist nearly 1000 individuals using our helpline and undertook 134 full assessments, subsidised 13 bed spaces and secured accommodation for a further 38 individual in London, secured accommodation in Scotland for 38 individuals and assisted to relocate a further 26 individuals. Furthermore, 67 large grants were awarded and 64 travel warrants provided to clients.

The income projection for the Charity remain precarious and we have recruited a fundraiser to assist in increasing income. Securing a stable funding base is the main objective for the Charity, whilst attempting to maintain the level of service to clients currently provided.

Financial Review

The results for the year are shown in the Statement of Financial Activities

- Incoming resources totalled £304,711, and total resources expended were £210,216. This
 resulted in a surplus of £94,495 which includes £15,639 from a predecessor unincorporated
 charity.
- Incoming resources relating to grant income amounted to £199,939,
- Donations and other income amounted to £89,105,
- Cost of voluntary income amounted to £68,440,
- Cost of Charitable Activities amounted to £139,428,
- Investment Management Costs amounted to £1,101,
- Governance costs amounted to £1,247, and
- The total funds as at 31 March 2010 amounted to £94,495

We are satisfied with the state of the Corporation's affairs

Risk Assessment

One of the major risks to which the charity is exposed is loss of core funding from the Scottish Government. This funding was considerably reduced for the current financial year. It would seem likely that New Borderline will face an uphill battle to retain its funding in the long term, since there is now an increased focus on projects with a "Scottish national identity".

With regard to the safety of personnel, the charity has a management services agreement with ScotsCare which constantly reviews and updates its policies and procedures. The charity abides by Health and Safety law and implements best practice. The charity considers its staff may be at personal risk when working with clients and a panic alarm system is installed together with appropriate written procedures for staff to follow.

Reserves

The position disclosed by the Financial Statements shows that the unrestricted income fund of the Charity amounted to £94,495, as at 31 March 2010 We consider this level to be appropriate and satisfactory to meet the ongoing operational costs of the Charity

Statement of the Trustees' Responsibilities

The Trustees (who are also directors of New Borderline for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

Company law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and the group and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to,

- select suitable accounting policies and then apply them consistently,
- observe the principles and methods of the Charities SORP,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report is made solely to the Trustees, as a body, in accordance with Section 43 of the Charities Act 1993 and regulations made under section 44 of that Act. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Company and the Trustees as a body, for my work, for this report, or for the opinions I have formed

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The Trustees, who are also the directors of the Company for the purposes of company law, are responsible for the preparation of the financial statements. The Trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the Act) and that an independent examination is needed. Having satisfied myself that the Society is not subject to audit under charity or company law and is eligible for independent examination, it is my responsibility to

- examine the financial statements under section 43 of the Act,
- follow the procedures laid down in the general Directions given by the Charity Commission under section 43(7)(b) of the Act, and
- state whether particular matters have come to my attention

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the general Directions given by the Charity Commission An examination includes a review of the accounting records kept by the Company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention

- (1) which gives me reasonable cause to believe that in any material respect the requirements
- to keep accounting records in accordance with section 386 of the Companies Act 2006, and
- to prepare financial statements which accord with the accounting records and comply with the
 accounting requirements of section 396 of the Companies Act 2006 and with the methods and
 principles of the Statement of Recommended Practice Accounting and Reporting by Charities

have not been met, or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached
