TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2017

The Trustees present their annual report together with the financial statements of Academy FM Folkestone for the year ended 31 March 2017. The Trustees confirm that the Annual Report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective 1 January 2015).

Since the company qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

Objectives and Activities

a. PRINCIPAL OBJECTIVES AND ACTIVITIES

The charity operates a community radio station, based at the school premises of Folkestone Academy. The station was launched on 31 March 2011.

The objectives of the charity are to improve the education of young people and in particular broaden the experience of students of the Folkestone Academy, who work with the station manager and to continue to develop strong links to the communities which it serves. Students are closely involved in all aspects of the station's activities.

The station broadcasts to the Folkestone urban area, which contains several pockets of severe deprivation. The charity is based in a school in order to give young people the opportunity to engage in radio production and broadcasting, as well as to learn on formal taught Radio Production courses using the medium of radio to help young people's self-confidence, communication skills and team working. Younger pupils do very simple shows under direct guidance from station staff, while some older pupils are trained to produce and present their own shows. Staff train young people in basic journalism and several have gone on to careers in commercial radio or degree studies. Station staff have been acclaimed for the work with pupils of all ages and abilities, ranging from the brightest in the school to those with Special Educational Needs.

The charity aids community cohesion by broadcasting local news and information, regular interviews about local issues and is one of the major online information sources for the community. The station is run by a small team of paid staff, with many radio shows presented by adult volunteers from the community. The station is very popular in the Folkestone area and the audience is growing. Staff have a thorough understanding of social media and over three thousand people have joined the station's Facebook feed. The website is at www.academyfmfolkestone.com.

The charity is funded by grants, donations and revenue from advertising and sponsorship. Since early 2015 the charity's OFCOM radio licence no longer forbids the station from carrying on-air advertising, but these other forms of income are still particularly valuable. Most grants are for individual projects, these always have an educational focus but don't always work with children. The charity is currently running several projects, one helps unemployed teenagers find work, another project trains adults to report on issues in their community and another project engages young people with science and medicine. The charity also runs funded projects that increase the speaking and listening skills of school children.

Other income comes from hosting events and through donations by Friends of Academy FM, made up of individual supporters and local business.

FOR THE YEAR ENDED 31 MARCH 2017

b. PUBLIC BENEFIT

The trustees have considered the impact of the public benefit requirement including the guidance issued by the Charity Commission. The charity aims to actively advance the education of Folkestone Academy students and inhabitants of the Folkestone area.

Achievements and performance

a. REVIEW OF ACTIVITIES

Academy FM's work was rewarded with 5 national Community Radio Awards, including two Golds. The station's work was also recognised by the support of a variety of funders, including some who rarely give to Community Radio. We continued to receive support from Kent-based supporters, and local councils such as Shepway District Council. The radio station's educational work covered a wider range than ever before; our beneficiaries ranged in age between 4 and 80, and our delivery improved communication skills, teamworking, literacy, environmental issues, financial literacy, local awareness, journalism skills, and we improved the confidence of several young people with Special Educational Needs.

Financial review

a. FINANCIAL STATUS

The charity ended the year with a cash balance of £41,606, and total funds of £55,715. There was a surplus of income over expenditure for the previous year of £26,228, and a deficit of expenditure over income for this year of (£29,845). This is due to some projects scheduled for delivery in this year receiving their income in the previous year (a number of projects run over more than one financial year).

b. PRINCIPAL FUNDING

The charity continued to receive income from a variety of sources. Grants from long-standing supporters such as the Roger De Haan Charitable Trust, the Folkestone Academy, and Shepway District Council continued, and new funders including Santander provided grants. Commercial income from advertising and sponsorship income increased from 2016. Overall income was lower in 2017 than the previous year, but expenditure was also lower.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ACADEMY FM FOLKESTONE

I report on the financial statements of the company for the year ended 31 March 2017 which are set out on pages 8 to 24.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The Trustees, who are also the directors of the company for the purposes of company law, are responsible for the preparation of the financial statements. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the Act) and that an independent examination is needed.

Having satisfied myself that the company is not subject to audit under charity or company law and is eligible for independent examination, it is my responsibility to:

- examine the financial statements under section 145 of the Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Act; and
- state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S REPORT (continued)
FOR THE YEAR ENDED 31 MARCH 2017

INDEPENDENT EXAMINER'S STATEMENT

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare financial statements which accord with the accounting records, Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard in the UK and Republic of Ireland (FRS 102) and in other respects comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities.

have not been met; or

- (2) ~~to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.~~

The notes on pages 10 to 24 form part of these financial statements.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2017**

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Academy FM Folkestone meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Reconciliation with previous Generally Accepted Accounting Practice

In preparing these accounts, the Trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required.

No restatements were required.

The financial statements are presented in £ sterling.

1.3 Company status

The company is a company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

1.4 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2017**

1. ACCOUNTING POLICIES (continued)

1.5 Income

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either: the company is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the company has been notified of the executor's intention to make a distribution. Where legacies have been notified to the company, or the company is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Donated services or facilities are recognised when the company has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the company of the item is probable and that economic benefit can be measured reliably.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the company which is the amount the company would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.6 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements.

Charitable activities and Governance costs are costs incurred on the company's educational operations, including support costs and costs relating to the governance of the company apportioned to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

1.7 Going concern

The going concern concept has been applied in the preparation of these financial statements. In common with many other small charities, Academy FM Folkestone is dependent on the continuing support of its donors. The trustees anticipate that this support will continue to be forthcoming over the coming year.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2017**

1. ACCOUNTING POLICIES (continued)

1.8 Tangible fixed assets and depreciation

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Office equipment	-	33.33% on cost and 20% on cost
------------------	---	--------------------------------

Where tangible fixed assets have been acquired with the aid of specific grants, they are included in the balance sheet at cost and are depreciated over their useful economic lives on a basis consistent with the depreciation policy. The related grants are credited to a restricted Fixed Asset fund which is then charged with the depreciation on the relevant assets.

1.9 Taxation

Academy FM Folkestone is a registered charity and as such its income and gains are exempt from income and corporation tax to the extent that they are applied to its charitable activities under the provisions of the Income and Corporations Taxes Act 1988.

1.10 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the Bank.

1.11 Debtors

Trade and other debtors are recognised at the settlement amount.

1.12 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.13 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

FOR THE YEAR ENDED 31 MARCH 2017

1. ACCOUNTING POLICIES (continued)

1.14 Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year.

1.15 Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
