STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The Trustees have examined the principal areas of the charity's operations and considered the major risks faced in each of these areas.

In the opinion of the Trustees, the Charity has established resources and review systems which, under normal conditions, should allow these risks to be mitigated to an acceptable level in its day to day operations.

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

Objectives and Policy

The object of the Charity is to advance the education of the pupils at Wigmore School or at any other school in respect of which the Company acts to promote community cohesion.

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising powers or duties.

ACHIEVEMENT AND PERFORMANCE

Review of Activities and Financial Results

During the year, the Trust supported year 7 students to attend a residential team building trip ensuring that peer groups were formed at the start of secondary education.

The Trust's aim is to provide additional support to students in the Wigmore area to give opportunity for all to participate in educational extra curricula activities.

Reserves policy

The Trustees have given consideration to the continued activities and life of the Charity. The Trustees are very much aware that the continued existence of the Charity is to some extent dependent on the level of funds held and as such, a concerted effort has been made to address the need to add to these funds on an annual basis going forward.

In the opinion of the Trustees, the present level of funds is adequate for short term purposes.

Report of the Trustees for the Year Ended 31st August 2015
