### **Fair review of the business**

The results for the year are set out in the profit and loss account on page 6 and the position of the company as at the year end is set out in the balance sheet on page 8.

*Given the straightforward nature of the business, the company's directors are of the opinion that analysis using key performance indicators is not necessary for an understanding of the development, performance or position of the business. The development, performance and position of Priory Group UK 1 Limited, an intermediate parent of the company, is discussed in the group's financial statements which includes the company and does not form part of this report.*

### **Principal risks and uncertainties**

### **Statement on Section 172(1)**

The following Section 172 statement, which is required by the Companies Act 2006, describes how the directors have had regard to the matters set out in Section 172(1a to 1f) including key decisions and matters that are of strategic importance to the company. The directors, in line with their duties under Section 172 of the Companies Act 2006, act in a way they consider, in good faith would be most likely to promote the success of the company for the benefit of its members as a whole, and in doing so have regard to a range of matters when making decisions for the long term.

From the perspective of the company, decisions and policies relating to Section 172(1) are determined at group level and applied to the company, where relevant, by the directors. Accordingly, further details in relation to how the directors have engaged with suppliers, customers, employees and other stakeholders are included in the financial statements of Priory Group UK 1 Limited, an intermediate parent of the company, which includes the company and does not form part of this report.

### **Statement of Directors' Responsibilities**

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 'Reduced Disclosure Framework' ('FRS 101'). - make judgements and accounting estimates that are reasonable and prudent;
- state whether FRS 101 has been followed, subject to any material departures disclosed and explained in the financial statements; and

##### **Going concern**

The intermediate parent company, Priory Group UK 1 Limited, has confirmed that it will continue to provide financial support to the company for the foreseeable future and for at least twelve months from the date of approval of these financial statements. Accordingly the financial statements have been prepared on the going concern basis.

##### **Exemption from preparing group accounts**

The financial statements contain information about Amore (Cockermouth) Limited as an individual company and do not contain consolidated financial information as the parent of a group.

The company is exempt under section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included by full consolidation in the consolidated financial statements of its parent, Priory Group UK 1 Limited, a company incorporated in United Kingdom.

##### **Changes in accounting policy**

None of the standards, interpretations and amendments effective for the first time from 1 January 2020 have had a material effect on the financial statements.

##### **Tax**

The tax expense for the period comprises current tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

Payment is generally made for group relief at the current tax rate at the time of first estimating the tax provision. To the extent that amendments are subsequently made to the group relief plan, there is generally no payment or receipt in respect of the change.

##### **Investments**

Investments in securities are classified on initial recognition as available-for-sale and are carried at fair value, except where their fair value cannot be measured reliably, in which case they are carried at cost, less any impairment.

Unrealised holding gains and losses other than impairments are recognised in other comprehensive income. On maturity or disposal, net gains and losses previously deferred in accumulated other comprehensive income are recognised in income.

Interest income on debt securities, where applicable, is recognised in income using the effective interest method. Dividends on equity securities are recognised in income when receivable.

##### **Share capital**

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.
