STATEMENT OF DIRECTORS' RESPONSIBILITIES

Statement of Directors' responsibilities in respect of the financial statements

The Directors are responsible for preparing the Annual Report and Financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under Company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the McCarthy & Stone website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Directors and auditors

As explained more fully in the Directors' Responsibilities Statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Directors; and the overall presentation of the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

1. Accounting Policies

The following accounting policies have been used in dealing with items that are considered material in the financial statements. They have been applied consistently throughout the period.

Basis of accounting

The financial statements have been prepared under the historical cost convention, modified by the revaluation of certain investment properties, and in accordance with applicable United Kingdom accounting standards.

McCarthy & Stone Rental Interests No.1 Limited was formed to invest in property. McCarthy & Stone Rental Interests No.1 Limited's finance is provided through intercompany balances. The Group is headed by McCarthy & Stone Limited which is funded by banking facilities. The Group has confirmed that it will not seek repayment of intercompany balances within 12 months of signing the statutory accounts of McCarthy & Stone Rental Interests No.1 Limited. The Directors are in receipt of a letter of support from McCarthy & Stone Limited. The Directors are satisfied that the facilities and operations of the Group are sufficient to provide the assurances held within this letter. On this basis, the accounts have been prepared on the going concern basis.

The accounts have been prepared on the going concern basis. For further details please refer to the Directors Report.

Investment properties

Investment Properties represent rental properties and are valued at a multiple of the rent receivable.

In accordance with Statement of Standard Accounting Practice 19 investment properties are normally revalued annually and the aggregate surplus or deficit is transferred to a revaluation reserve; no depreciation or amortisation is provided in respect of freehold investment properties and leasehold investment properties with over 20 years to run. Although the Companies Act would normally require the systematic annual depreciation of fixed assets, the Directors believe that this policy of not providing depreciation is necessary in order for the accounts to give a true and fair view, since the current value of investment properties, and changes in that current value, are of prime importance rather than a calculation of systematic annual depreciation. Depreciation is only one of many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

Income tax

Income tax comprises current tax and deferred tax. Current tax is based on taxable profits for the year.

Deferred tax is recognised on all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements, with the following exceptions:

- In respect of taxable temporary differences associated with investments in subsidiaries, associates and joint ventures, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future; and

NOTES TO THE FINANCIAL STATEMENTS

1. Accounting Policies (continued)

- Deferred income tax assets are recognised only to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, carried forward tax credits or tax losses can be utilised.

Deferred income tax assets and liabilities are measured on an undiscounted basis at the tax rates that are expected to apply when the related asset is realised or liability is settled, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

Income tax is charged or credited directly to equity if it relates to items that are credited or charged to equity. Otherwise income tax is recognised in the income statement.
