Notes to the Financial Statements for the Year Ended 31 March 2023

#### 1. STATUTORY INFORMATION

KXB Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

#### 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

#### **Turnover**

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

#### **Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Office furniture - 25% on reducing balance Computer equipment - 30% on reducing balance

#### **Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Statement of Income and Retained Earnings, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

#### **Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Notes to the Financial Statements - continued for the Year Ended 31 March 2023

#### 2. ACCOUNTING POLICIES - continued

#### Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account.

#### Going concern

The current economic conditions present increased risks for all businesses. In response to such conditions, the director has carefully considered these risks, including an assessment of uncertainty on future trading projections for a period of at least twelve months from the date of signing the financial statements, and the extent to which they might affect the preparation of the financial statements on a going concern basis.

Based on this assessment, the director considers that the Company maintains an appropriate level of liquidity, sufficient to meet the demands of the business including any capital and servicing obligations of external liabilities.

In addition, the Company's assets are assessed for recoverability on a regular basis, and the director considers that the Company is not exposed to losses of these assets which would affect their decision to adopt the going concern basis.

The director is therefore satisfied and has a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future and that there are no material uncertainties that lead to significant doubt upon the Company's ability to continue as a going concern. Theses financial statements have therefore been prepared on a going concern basis.

#### 3. EMPLOYEES AND DIRECTORS
