STRUCTURE, GOVERNANCE AND MANAGEMENT

Legal Status

Masonic Hall Ipswich Limited is a charitable company limited by guarantee without share capital incorporated on 2 June 2009 and registered as a charity on 3 July 2009. The company was established under a Memorandum of Association, which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up during the period of membership or within one year after, each member undertakes to contribute such amount, as may be required not exceeding £10.00.

Recruitment and appointment

The directors of the company are also the charity trustees for the purposes of charity law. The charity may by ordinary resolution appoint a person who is willing to be a Director and determine the rotation in which any additional Directors are to retire.

Trustee Induction and Training

New Trustees are advised of their role and responsibilities by current Trustees. Each is encouraged to use the Charity Commission website to remain fully abreast of their role.

Risk Management

The major risks to which the Charity is exposed, as identified by the Trustees, have been reviewed and systems have been established to mitigate those risks.

OBJECTIVES AND ACTIVITIES

The Charity's Objectives

Our charity's objectives as set out in the company's memorandum of association are:

- (a) For the public benefit to preserve and maintain the fabric and structure of the Freemasons Hall, Soane Street, Ipswich, IP4 2BG.
- (b) To advance the education of the public in the principles of Freemasonry, in particular, but not exclusively, by the establishment and maintenance of a Masonic Heritage Centre.

Freemasons Hall is a Grade II listed building, which was purpose-built and opened in 1876. At the time of its completion it was no doubt a fine example of the builders craft and ever since that time Ipswich Freemasons have met there and planned their charitable activities. Unfortunately, their financial focus for many years was almost totally concerned with raising money in order to give it away to various charitable causes. For quite inexplicable reasons, the need to allocate some of their resources to keeping their Masonic centre in good order and making provision for the future appears to have escaped their notice. Regrettably, as a consequence, this Grade II listed building, which is sited in a designated conservation area of Ipswich, has been the victim of unintended neglect over an extended period of time. This unintended lack of consideration for the future has now been recognised and replaced by a policy which takes a fuller account of future needs.

The use of the Freemasons Hall by the wider public has always been possible but with the passing of the years it has become a progressively less attractive venue for hire by the general public in comparison with any competitor because of its lack of modern facilities. And of course, it has to be admitted that the wider public have not really been aware of its availability. The need to raise public awareness of (i) the principles of Freemasonry; (ii) the very positive contribution that Freemasonry makes to society; and (iii) the sheer physical existence of Freemasons Hall as an asset available to the wider community are seen as priorities.

REPORT OF THE DIRECTORS AND TRUSTEES (CONTINUED)

Our Aims and Objectives

Our first concern was seen as the cessation of any further possible deterioration to the fabric of the building. Our further concern has been the need to make necessary basic improvements to the building and its facilities. We have certainly halted the deterioration of the fabric of the building. Had this been allowed to continue and had it not been halted the ultimate consequence could well have been the total loss of the building. Were this to happen, Ipswich and the wider community would have lost forever, not only a valuable part of its architectural heritage, but also what should be a prized local facility. Additionally, without Freemasons Hall as its focus, Freemasonry as an active organisation in Ipswich, could well disappear and with it, its not inconsiderable support for local and national charitable causes.

The premises consist primarily of a Masonic Temple, a Dining Room, a Bar and a Kitchen area. It should perhaps be pointed out that the word "Temple" does not have its usual connotation. It is not a place of worship but a designated Masonic venue with a prescribed format. There are in addition toilets, a changing room, a small cloakroom, and a large room which contains Masonic artefacts and is used as a meeting room. This is the room which we might see ultimately as a designated Masonic Heritage Centre. There are also three smaller rooms one of which is used by our archivist. The use of the premises is by definition largely that of hiring to Masonic Groups based in Ipswich. The rental income from these groups represents our primary source of income. The premises are also available to the wider community for hire for appropriate social functions e.g wedding receptions, anniversary dinners, presentations, birthday parties, exhibitions, training days etc but this area of activity continues to be difficult because our facilities do not measure up to the level required for such commercial hire.

Although there continue to be inherent difficulties of trying to "preserve and maintain the fabric and structure" of our listed building the process of deterioration has now been largely halted and we are continuing to undertake the necessary programme of improvements. These in the short term are aimed at bringing the building into a condition which is more appropriate to, and suitable for its use, by Ipswich Freemasons. There is also a need for considerable further improvements to basic facilities, not only for the benefit of the Masonic community, but to also to make its prospective use by the local community a more realistic aspiration.

We intend to continue to raise public awareness of the principles of Freemasonry and the impact that Freemasonry and its charitable work has on the community at large. We are currently doing this by participating in the Ipswich Heritage week-end programme and offering to provide conducted tours of the building to local interest groups. Both of these activities will continue to highlight the very positive message that Freemasonry is a major deliverer of charity, both nationally and locally, and as such is a very positive and constructive influence in the community.

We are committed to addressing our statutory responsibilities under Health and Safety and Environmental Health regulations. We are very proud of the fact that our catering arrangements have maintained their five star hygiene rating in spite of the difficulties imposed by its Victorian architecture.

We are committed in the long term to improve all of our facilities, particularly toilet and cloakroom facilities, as fast as financial constraints permit. Ultimately we want our Masonic tenants to feel that their Masonic "home" will be one of which they are justifiably proud and reflects the high standards with which Freemasonry is associated.

Failure to provide such facilities at a high standard can ultimately only undermine the longer term future of Freemasonry in Ipswich and be detrimental to any future prospects of hire and use by the wider public.

Achievements

The company which has been incorporated is based on the model Memorandum and Articles of Association provided by the Charity Commission. The company is limited by guarantee and has as its Members the individual Masonic Lodges which are based at, and meet regularly at Freemasons Hall. The Board of Directors / Trustees are elected and appointed at the AGM of the company. The directors all have relevant experience as directors of other companies or

commercial or public sector experience. They bring with them skills ranging from civil engineering, finance, local

government administration, architectural design, catering and property management. Decisions are made by the Board at their monthly meetings and the work of the company is reported to, and subjected to the scrutiny of Members at the AGM. The directors receive no benefit from their involvement other than their incidental membership of any of the Masonic groups meeting at Freemasons Hall.

We continue to be committed to a policy of strict financial discipline, setting an annual budget with planned objectives for the year, which with a contingency element and a flexible approach has enabled us to successfully pursue our stated objectives with regard to necessary expenditure. We have continued to carefully plan and cost our programme of improvements, repairs and necessary maintenance.

Following our success in making the premises weathertight, we are now continuing our efforts with the interior and have made further improvements. These include upgrading our fire safety arrangements in line with our Fire Safety Assessment requirements at a cost in excess of £3,000. The Foyer has been redecorated and the lighting improved at a cost of some £3,000. We have also taken the first steps to incorporate a loop hearing system for the hard of hearing at a cost of £2,400. Steps have been taken to minimise energy costs by installing an upgrade to the hot water supply to the kitchen at a cost of £260. It has been calculated that this will pay for itself in a very short time. Other minor maintenance costs have been kept under close control.

Our in-house lottery continues to make a substantial contribution to our future plans. The donation element of each subscription enables a valuable additional contribution to be obtained from the Gift Aid Scheme. All of this income continues to go into a dedicated "Development and Improvement Fund" within our accounts. This fund is explicitly identified as being for the purpose of providing improvements to the facilities of Freemasons Hall and not to meet general maintenance costs. Establishing a substantial balance here will be crucial in helping to provide sufficient resources to improve the premises and ensuring the commercial viability and the future of Freemasons Hall. It will also be seen as an indicator of our intent.

Once again we participated in Ipswich's Heritage Weekend by opening our premises to the general public on Saturday 12th September 2015. This is done in cooperation with the Ipswich Society who organise it under the auspices of English Heritage when local buildings of notable and historic interest are opened to the general public. Well over two hundred and fifty visitors attended between 10.30am and 4.00pm, each of whom was provided with a comprehensive and detailed information sheet to better inform them of the history of the building and the work of Freemasons. A number of senior members of the many Ipswich Masonic lodges who are based in the building acted as steward, guiding visitors around our beautiful Grade II listed building. They were able to answer questions and explain the significance and symbolism of the many and various Masonic artefacts contained within the building. An exhibition illustrating a selection from the variety of causes attracting Masonic Financial support both locally and nationally and the extent of this support was mounted in part of the building. Much appreciation was expressed by visitors who were in the main completely unaware of Masonic charitable activities. It was also pointed out that the dining facilities were available for hire on very reasonable terms. Without exception our visitors left us very much better informed as to the principles of Freemasonry and its contribution to society.

We have been able as a consequence to provide conducted tours to two groups from Suffolk College's University of the Third Age.

The Board has over the years, successfully maintained a focused, sound and disciplined financial policy. This has enabled it to achieve its short term objective of carrying out a programme of remedial work to address the more immediate problems created by the years of neglect. That remedial programme has, by and large, been successfully completed. As a result, the Board now feels it can make a start in assessing the possibility of making good those facilities, previously referred to, which fall well short of contemporary standards. This is the next stage of ensuring the future of the building.

FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2015

REPORT OF THE DIRECTORS AND TRUSTEES (CONTINUED)

The company's Balance Sheet at the close of 2015 shows a very healthy surplus. The growth in our cash balance is due not only to careful financial management but also to recognition and support of the Board's efforts by the Members via (i) some generous donations both by lodges and individual Masons and (ii) the surplus from a Lottery which takes advantage of the Gift Aid Scheme. All of this income has been earmarked for our Development and Improvement Fund. This substantial balance in the Development & Improvement Fund, £36,000, (ring-fenced within the General Account) has encouraged the Board to consider the possibility of replacing its very poor toilet and cloakroom facilities. Such a possibility would involve a demolition and building programme which at present is far and away beyond our present resources as represented by the balance in the Development and Improvement Fund. However – after considerable discussion the Board felt that this could be the right time to produce a plan of action to place before the Members at the next AGM. The objective would be to seek support for a substantial rebuilding programme. Members would be asked to consider the plan and support would be invited. The Board were very much aware that they had obtained an increasing level of appreciation and approval from the Members for their efforts thus far and it felt that they had established the necessary goodwill to ensure that a fund-raising appeal would receive general approval. It was unanimously agreed to go ahead with this proposal and architects have been instructed and initial plans have been prepared to place before the Members in 2016.

Financial Review

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities published on 16 July 2014.

The Board has continued with its Annual Budget Review Process. Items of expenditure for inclusion in the annual budget are agreed at the beginning of the year in January. Rental income levels and estimates of surpluses from Ipswich Masonic Club and Ipswich Catering Club are also accepted and agreed. The Budget is subjected to review at monthly Board meetings when Management Accounts are available detailing expenditure and income for the period. This provides a sound financial basis for the company's ability to achieve its objects. The support of the Ipswich Masonic Club and Ipswich Masonic Catering Club has allowed us to construct an annual budget which can accommodate a fairly substantial provision for repairs to the fabric of the building and provision for contingency needs. Our current income level, with our much reduced Business Rate enables us to contemplate our future with much more confidence. We shall continue to seek competitive tenders for any further work which may need to be done to the building and the restoration and improvement of Ipswich Masonic Hall.

We continue to benefit from donations by lodges and individual masons which, by their very nature, are spasmodic. These, together with the surplus from the Lottery, will be used exclusively for the development and improvements to the facilities offered to those using the building and not for maintenance.

Public Benefit Statement

This statement complies with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission. We have reviewed this guidance when reviewing our aims and objectives and in planning future activities. The Trustees consider how planned activities will contribute to the aims and objectives they have set.

Reserves

The Trustees plan to build up the company reserves as indicated to ensure (i) necessary repairs and maintenance can always be undertaken with expedition and (ii) that a longer term strategy to provide improved facilities to Freemasons Hall remains in place. This will ultimately give it the necessary standing with the local community and make it an attractive proposition for the wider general public to hire and use for their social requirements.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF MASONIC HALL IPSWICH LIMITED

I report on the accounts of the company for the year ended 31 December 2015 which are set out on pages 8 to 14.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act, and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES

1 ACCOUNTING POLICIES

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year.

a Basis of preparation

The financial statements have been prepared under the historical cost convention. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP), "Accounting and Reporting by charities" published in 2005 and the Financial Reporting Standard for Smaller Entities (effective January 2015) and the Companies Act 2006.

b Company status

The charity is a company limited by guarantee. The members of the company are the trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity.

c Fund Accounting

- Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.
- Designated funds are unrestricted funds as set aside by the trustees for particular purposes.
- · Restricted funds are subjected to restrictions on their expenditure imposed by the donor.

d Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy.

e Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred.

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both the costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory
 requirements of the charity and include accountancy and costs linked to the strategic management of the
 charity.
