TRUSTEES' REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2022

The Trustees present their annual report together with the financial statements of the Company for the 1 October 2021 to 30 September 2022. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The objects of the charity are any charitable purposes for the general benefit of the inhabitants of the parish of Worstead, Norfolk and its immediate neighbourhood or any part of the said parish for which provision is not made out of rates, taxes or other public funds, as the Executive Committee shall from time to time determine.

The trustees confirm that, in exercising their powers and duties, they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission.

The charity runs The Worstead Festival in the last weekend of July each year in Worstead Village. The festival surplus is used to fund grants to local organisations.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

a. Key financial performance indicators

After having to cancel the festival in 2020 and 2021, the trustees were happy to be able to announce that the festival would take place in 2022. As we hadn't had any income during these two years, the emphasis of the trustees was to keep the initial outlay for the festival as low as possible, just in case the festival would have to be cancelled again.

The aim was to increase the number of paying stallholders and concessions and to keep the cost of the attractions low. This was achieved by promoting the pitches at the same price as the previous festival and offering new attractions the space to set up and charge visitors directly. Well-tried much loved attractions, some paid for by the festival, complemented the offerings. Instead of running the bars ourselves with the help of volunteers, local brewer Wildcraft was asked to take this over in for a fee.

As to be expected, costs for infrastructure had increased and we had some difficulties in booking marquees due to increased bookings by other events and weddings. We did manage to keep costs to a minimum and worked around the lack of marquees by hiring a local circus tent.

We increased our efforts in promoting the festival through social media and publications which in return resulted in several interviews on BBC radio Norfolk. We advertised the festival aiming to go cashless.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2022

Achievements and performance (continued)

All of the above, together with some good weather and despite some issues with the new smart card readers, resulted in a great turnout and a very successful festival achieving a surplus of £16,086. We received high praise from both visitors and stallholders who have already booked pitches for the next festival in 2023 amounting to nearly £7,400.

Grant applications were accepted and after evaluation after the year end, a total of £7,851 was distributed to local causes. The remainder of the surplus will be held in reserves. The festival is still financially secure and as long as volunteers keep coming forward with enthusiasm the event will continue to flourish. It is also the ongoing policy of the Festival to keep costs under strict control.

We have learnt a lot from previous festivals and hope to improve the event in the coming years, we are mindful of the need to continue to adapt and vary the event. In this regard all suggestions, feedback, ideas and offers of help are always welcome. There are many people to thank because without them the festival would not happen. From the volunteers, committee members and supporters to the people who donate services, equipment, facilities, land and sponsorship. We appreciate all of your help & support and hope you will continue to support us, and the good causes which benefit, in the years to come

b. Review of activities

The trustees will continue to keep the festival fun both for the volunteers and for the visiting public. We would like to continue to keep the costs low and try to reduce the number of volunteers needed, as these are getting more difficult to find. We would like to increase the ticket price but in return offer new attractions on top of the well-tried much loved ones. We aim to keep the festival small scale, offering local craft and food, attractions for all and entertainment for everybody to get involved and interact with.

The Festival's financial reserves are now fully funded to the value which the directors believe is sufficient to protect the charity without jeopardising the longevity of the festival or the charity. Sufficient reserves are still in place to protect the event for this year and the Festival's foreseeable future, all amounts above the current reserve will be transferred to the grant fund and distributed to good causes.

The income for the year amounted to £55,131 (2021: (£889)). Expenditure to support the charitable objectives during the year was £39,045 (2021: £8,040) which includes grants to institutions amounting to £7,663 (2021: £3,560).

Financial review

a. Going concern

The trustees have considered the charity's position at the time of signing the financial statements, and current economy. The trustees have considered the current financial position of the company, together with the range of measures the trustees can take to mitigate ongoing costs.

Based on this, the trustees have concluded that they have a reasonable expectation that the charity will have adequate resources to continue in operational existence for the foreseeable future, at least twelve months from the date of signing these financial statements, and they therefore continue to adopt the going concern basis of accounting in preparing these financial statements.

THE WORSTEAD VILLAGE FESTIVAL
(A company limited by guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2022

b. Reserves policy

Free reserves at 30 September 2022 amounted to £90,741 (2021: £74,655) consisting of the net current assets of the charity.

The Trustees consider the level of reserves to be sufficient to allow the company to continue to operate for the foreseeable future.

Structure, governance and management

a. Constitution

The charity is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on 27/06/2009.

The charity is constituted under a Memorandum of Association dated 27/06/2009 and is a registered charity number 1137770.

b. Methods of appointment or election of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

The scheme provides that the Executive Committee consists of between six and twelve members elected at the Annual General Meeting. New Committee members are actively recruited by the Executive Committee, and are interviewed prior to recommendation to the Annual General Meeting. The Committee may appoint three co-opted members.

All members retire together at the AGM following their appointment, but may be re-elected or re-appointed.

Future developments

The trustees will continue to look to fine tune the festival and add some new attractions to keep it interesting. They are also conscious of keeping some of the old core attractions which everyone loves.

The trustees are continuing to look into increasing publicity for the festival to stand out from many other attractions around that time of year. They are continuing with the update of the website presence and actively maintaining social media outlets. The new website will enable the Festival to take bookings, manage sponsors and sell tickets online. The continued use of Smartcard readers will reduce the need to hold cash at the gates during the event and also work towards making the festival a largely cashless event in 2023. The trustees are also looking at ways to improve the flow of visitors entering the festival.

With regards to the grant policy the intention is still to be able to seek to support larger projects where possible to deliver towards significant and tangible enhancements to the local community.

INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 30 SEPTEMBER 2022

Independent examiner's report to the Trustees of The Worstead Village Festival ('the Company')

I report to the charity Trustees on my examination of the accounts of the Company for the year ended 30 September 2022.

Responsibilities and basis of report

As the Trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Company's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Company and the Company's Trustees as a body, for my work or for this report.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2022

1. General information

The charity is company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Worstead Village Festival meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Gifts donated for resale are included as income when they are sold. Donated facilities are included at the value to the charity where this can be quantified and a third party is bearing the cost. No amounts are included in the financial statements for services donated by volunteers.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs. Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2022

2. Accounting policies (continued)

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.5 Tangible fixed assets and depreciation

Tangible fixed assets are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Fixtures and fittings	- 25% straight line
Computer equipment	- 50% straight line

2.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.
