TESCO ATRATO (GP) LIMITED

DIRECTORS' REPORT FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021

The Directors present their Report and the audited consolidated financial statements of Tesco Atrato (GP) Limited (the "Parent Company") and its subsidiaries (together the "Group") for the 52 weeks ended 27 February 2021 (prior period: 61 weeks ended 29 February 2020 ("2020")).

Business review and principal activity

The principal activity of the Parent Company is to act as a holding company for the other entities in The Tesco Atrato Limited Partnership Group (the "Partnership").

There has been no significant change in the nature or level of this activity during the period and the Directors do not expect this to change significantly throughout the next financial period.

The financial statements of the Parent Company and the Group have been prepared in accordance with the Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102").

Results and dividends

The results for the 52 weeks ended 27 February 2021 show a profit before tax of £65 (2020: £706) and profit after tax of £4,315 (2020: £1,230). The Group has net assets at the period end of £260,432 (2020: £256,117) and has net current assets at the period end of £265,232 (2020: £260,917).

The Directors do not recommend payment of a dividend for the period ended 27 February 2021 (2020: £nil).

Future developments

The Group's and the Parent Company's future performance is expected to continue throughout the next financial period and it is anticipated that the current performance levels will be maintained.

The Group's future developments form a part of the Tesco PLC Group's (the "PLC Group") long-term strategy, which is discussed on pages 4 to 30 of the Tesco PLC Annual Report and Financial Statements 2021, which do not form a part of this Report.

Principal risks and uncertainties

From the perspective of the Parent Company, the principal risks relate to the carrying value of the investments that this Parent Company holds.

To manage the risk the Group and the Parent Company reviews the financial statements of the entities the Parent Company has investments in. As all other companies within the Group are dormant, the principal risks of the Parent Company are the sole risks to the Group.

No impairment losses were recognised during the period (2020: £nil).

From the perspective of the Group, the principal risks and uncertainties of the Parent Company are integrated with the principal risks of the PLC Group and are not managed separately. Accordingly, the principal risks and uncertainties of the PLC Group, which include the Parent Company, are discussed on pages 31 to 37 of the Tesco PLC Annual Report and Financial Statements 2021, which do not form a part of this Report.

Business risk

The Company holds investments in Tesco Group companies which, by nature of their business, continue to operate as essential businesses during the pandemic. This serves to mitigate some of the risk the Company is exposed to.

The financial impact of the pandemic for the financial year upon the Tesco PLC Group companies is noted in the Tesco PLC Annual Report, with increased Group sales offset by significant COVID-19 costs. The wider Tesco Group continues to assess, monitor and, where possible mitigate the risks and impacts of the pandemic upon the Company and its stakeholders, particularly as restrictions are eased in line with the UK Government roadmap.

The ongoing development of the UK's trading relationship with the EU, subsequent to the end of the Brexit transition period during the year, and a failure to prepare all eventualities could have an adverse effect on our primary business, its financial results and operations. The Tesco PLC Board will continue to assess and monitor the potential risks and impacts on the Company and its stakeholders as a whole, while taking mitigation measures to address challenges as appropriate.

TESCO ATRATO (GP) LIMITED**DIRECTORS' REPORT FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021****(continued)**

Going concern

In order to form a view as to the most appropriate basis of preparation of these financial statements, the Directors consider that the Company has adequate resources to remain in operation for a period of at least 12 months from the date of signing the financial statements and have therefore continued to adopt the going concern basis in preparing the financial statements.

Events after the reporting period

Details of events after the reporting period can be found in Note 18 to the financial statements.

Political donations

There were no political donations for the period (2020: £nil) and the Group and the Parent Company did not incur any political expenditure (2020: £nil).

Research and development

The Group does not undertake any research and development activities (2020: £nil).

Financial risk management

The main risks associated with the Group's and Parent Company's financial assets and liabilities are set out below:

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Debtors predominantly comprises amounts owed by Group undertakings, hence credit risk is determined to be low.

Liquidity risk

Liquidity risk is the risk that the Group and Parent Company will encounter difficulty in meeting its obligations associated with its financial liabilities. The payables of the Group and Parent Company are primarily pertaining to payables to Group undertakings, therefore the liquidity risk is determined to be low.

Strategic report

The Directors have taken advantage of the exemption under section 414B of the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 from preparing a Strategic Report

Employees

The Group had no employees during the period (2020: none).

Directors

The following Directors served during the period and up to the date of signing the financial statements, unless otherwise stated.

A Soni (resigned on 21 September 2020)

D Anniss (appointed on 21 September 2020, resigned on 26 March 2021)

J Gibney

D Wheeler (appointed on 22 April 2020)

Tesco Services Limited

None of the Directors had any disclosable interests in the Group or the Parent Company during this period.

TESCO ATRATO (GP) LIMITED

DIRECTORS' REPORT FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

Directors (continued)

A qualifying third-party indemnity provision as defined in Section 234 of the Companies Act 2006 is in force for the benefit of the Tesco PLC Company Secretary (who is also a Director of Tesco Services Limited, which is appointed to the Board of the Company) in respect of liabilities incurred as a result of his office, to the extent permitted by law. In respect of those liabilities for which directors and officers may not be indemnified, Tesco PLC maintained a Directors' and Officers' liability insurance policy throughout the financial period and up to the date of signing the financial statements.

Disclosure of information to auditor

Each Director who is a Director of the Parent Company at the date of approval of these financial statements confirms that:

- so far as the Directors are aware, there is no relevant audit information of which the Parent Company's auditor is unaware; and
- the Directors have taken all the steps that ought to have been taken as a Director to be aware of any relevant audit information and to establish that the Parent Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

Cautionary statement regarding forward-looking information

Where this document contains forward-looking statements, these are made by the Directors in good faith based on the information available to them at the time of their approval of this Report. These statements should be treated with caution due to the inherent risks and uncertainties underlying any such forward-looking information. A number of factors, including those in this document, could cause actual results to differ materially from those contained in any forward-looking statement.

Directors' Responsibilities Statement

The Directors are responsible for preparing the Annual Report and the consolidated financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial period. Under that law the Directors have elected to prepare the Group and Parent Company financial statements in accordance with FRS 102 "The Financial Reporting Standards applicable in the United Kingdom and the Republic of Ireland" and applicable law.

Under Company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Parent Company and of the profit or loss of the Group for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Group and the Parent Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Parent Company's transactions and disclose with reasonable accuracy at any time the financial position of the Parent Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Parent Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

TESCO ATRATO (GP) LIMITED

**DIRECTORS' REPORT FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021
(continued)**

Independent auditor

Deloitte LLP, having indicated its willingness to continue in office, will be deemed to be reappointed as auditor under section 487(2) of the Companies Act 2006.

Approval by the Board of Directors on 17 August 2021 and signed on behalf of Board by:

Robert Welch

For and on behalf of Tesco Services Limited, Director

Tesco Atrato (GP) Limited

Registered Office: Tesco House, Shire Park, Kestrel Way, Welwyn Garden City, AL7 1GA, United Kingdom

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TESCO ATRATO (GP) LIMITED

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of Tesco Atrato (GP) Limited (the 'Parent Company') and its subsidiaries (the 'Group'):

- give a true and fair view of the state of the Group's and of the Parent Company's affairs as at 27 February 2021 and of the Group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the Group's Profit and Loss Account;
- the Group and Parent Company Balance Sheet;
- the Group and Parent Company Statement of Changes in Equity;
- the Group Cash Flow Statement; and
- the related notes 1 to 18.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Group and the Parent Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's ("the FRC's") Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's and parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TESCO ATRATO (GP) LIMITED (continued)

Other information (continued)

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Directors

As explained more fully in the Directors' Responsibilities Statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Group's and the Parent Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or the Parent Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the nature of the group's industry and its control environment, and reviewed the group's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management about their own identification and assessment of the risks of irregularities.

We obtained an understanding of the legal and regulatory framework that the group operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included UK Companies Act and tax legislation; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the group's ability to operate or to avoid a material penalty.

We discussed among the audit engagement team including relevant internal specialists such as tax regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TESCO ATRATO (GP) LIMITED (continued)

Extent to which the audit was considered capable of detecting irregularities, including fraud (continued)

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management legal counsel concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Group and Parent Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept by the Parent Company, and the Group; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemptions and from the requirement to prepare a strategic report.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the Parent Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Parent Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Parent Company and the Parent Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

TESCO ATRATO (GP) LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021

1. Statement of compliance

The financial statements of Tesco Atrato (GP) Limited (the "Parent Company") and its subsidiaries (together the "Group") have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006 on a going concern basis under the historical cost convention.

2. General information

The Parent Company is a private company, limited by shares and is incorporated and domiciled in England and Wales under the Companies Act 2006.

The address of the registered office is Tesco House, Shire Park, Kestrel Way, Welwyn Garden City, AL7 1GA, United Kingdom. The nature of the Parent Company's and the Group's operations and its principal activity are set out in the Directors' Report on page 1. Details of the Parent Company's subsidiaries are set out in Note 8.

The functional and presentational currency of the Parent Company and the Group is Pound Sterling (£) because that is the currency of the primary economic environment in which the Parent Company and Group operates. The consolidated financial statements are also presented in Pound Sterling.

The financial statements are prepared under the historical cost convention.

The principal accounting policies are summarised below. They have all been applied consistently throughout the period and to the preceding period, unless otherwise stated.

3. Accounting policies

a) Basis of consolidation

The Group financial statements consolidate the financial statements of the Parent Company and its subsidiary undertakings.

The financial period represents 52 weeks ended 27 February 2021 (prior financial period: 61 weeks ended 29 February 2020). For the subsidiaries, the financial period is also 52 weeks ended 27 February 2021 (prior financial period: 61 weeks ended 29 February 2020).

The results of subsidiary undertakings acquired are included from the date of acquisition until the date on which the Parent Company ceases to control the subsidiary. Business combinations are accounted for under the purchase method. Where necessary, adjustments are made to the financial statements of subsidiaries to bring the accounting policies used into line with those used by the Group. All intra-group transactions, balances, income and expenses are eliminated on consolidation.

As a Consolidated Group Profit and Loss Account published, a separate Profit and Loss Account for the Parent Company is omitted from the Group financial statements by virtue of section 408 of the Companies Act 2006. The Parent Company is a qualifying entity for the purpose of FRS 102. Consequently as per section 1.12(b), the Parent Company has taken the exemption from the requirement to prepare a Cash Flow Statement under the terms of FRS 102 section 7 "Statement of Cash Flows".

The Consolidated Group financial statements consists of the financial statements of Tesco Atrato (GP) Limited and its 100% subsidiaries: Tesco Atrato (Nominee Holdco) Limited, Tesco Atrato (Nominee 1) Limited, Tesco Atrato (Nominee 2) Limited and Tesco Atrato Depot Propco Limited.

b) Going concern

In order to form a view as to the most appropriate basis of preparation of these financial statements, the Directors consider that the Group has adequate resources to remain in operation for a period of at least 12 months from the date of signing the financial statements and have therefore continued to adopt the going concern basis in preparing the financial statements.

TESCO ATRATO (GP) LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED
27 FEBRUARY 2021 (continued)****3. Accounting policies (continued)****c) Critical accounting judgements and key sources of estimation uncertainty**

In the application of the Group's and the Parent Company's accounting policies, which are described hereafter, the Directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial period, is described below.

Carrying value of investment

For the carrying value of investments, management has assessed the underlying investment by reviewing its net assets as well as future expected cash flows to determine whether it supports the carrying value. There were no indicators of impairment based on the amount of the underlying instruments. Refer Note 8 for details.

Judgements

There are no judgements that have a significant effect on amounts recognised in the financial statements.

d) Significant accounting policies**Investments**

Investments in subsidiaries and associates are stated at cost plus incidental expenses less where appropriate provisions for impairment. Impairment is reviewed annually with movements taken to the Profit and Loss Account. The Parent Company elected to adopt the cost model for holding its investments as permitted under section 9 of FRS 102.

Impairment of investments

At each Balance Sheet date, the Group and the Parent Company reviews the carrying amounts of the investments to determine whether there is any need for impairment in accordance with Section 27 of FRS 102, "Impairment of Assets". Any impairment is recognised in the Profit and Loss Account in the period in which it occurs.

Financial instruments

Financial assets and financial liabilities are recognised on the Balance Sheet when the Group becomes a party to the contractual provisions of the instrument. The expected maturity of the financial assets and liabilities is not considered to be materially different to their current and non-current classification.

Financial assets***Initial recognition and measurement***

The Group and the Parent Company determines the classification of its financial assets at initial recognition. All financial assets are recognised initially at transaction price including directly attributable transaction costs. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset. The Group's and the Parent Company's financial assets include cash and debtors.

Subsequent measurement

The subsequent measurement of financial assets depends on their classification as follows:

TESCO ATRATO (GP) LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED
27 FEBRUARY 2021 (continued)****3. Accounting policies (continued)****d) Significant accounting policies (continued)****Financial instruments (continued)*****Financial assets (continued)******Debtors***

Debtors are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are initially recognised at transaction price including directly attributable transaction costs and subsequently measured at amortised cost using the effective interest method (EIR), less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Profit and Loss Account. For a non-interest bearing debtors that is receivable within one year on normal business terms, amortised cost shall be measured at the undiscounted amount of the cash or other consideration expected to be received (ie net of impairment). Losses arising from impairment are recognised in the Profit and Loss Account in other operating expenses.

Financial liabilities***Initial recognition and measurement***

The Group and the Parent Company determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognised initially at transaction cost and in the case of loans and borrowings, plus directly attributable transaction costs.

Subsequent measurement

The measurement of financial liabilities depends on their classification as follows:

Creditors

Creditors are non-derivative financial liabilities with fixed or determinable payments. Such liabilities are initially recognised at transaction price and subsequently measured at amortised cost using the effective interest method (EIR). Amortised cost is calculated by taking into account transaction costs that are an integral part of the EIR. The EIR amortisation is included in interest expense in the Profit and Loss Account. For a non-interest bearing creditors that is payable within one year on normal business terms, amortised cost shall be measured at the undiscounted amount of the cash or other consideration expected to be paid.

De-recognition of financial instruments

Financial assets are derecognised when and only when (a) the contractual rights to the cash flows from the financial asset expire or are settled; (b) the Group transfers to another party substantially all of the risks and rewards of ownership of the financial asset; or (c) the Group, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party. Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expired.

Income taxes

Current tax, including United Kingdom corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date. The tax currently payable is based on taxable profit for the period. Taxable profit differs from net profit as reported in the Profit and Loss Account because it excludes items of income or expense that are taxable or deductible in other periods and it further excludes items that are never taxable or deductible.

TESCO ATRATO (GP) LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED
27 FEBRUARY 2021 (continued)****3. Accounting policies (continued)****d) Significant accounting policies (continued)****Income taxes (continued)**

Tax provisions are recognised for uncertain tax positions where a risk of an additional tax liability has been identified and it is probable that the Group will be required to settle that tax. Measurement is dependent on subjective judgements as to the outcome of decisions by tax authorities in the various tax jurisdictions in which the Group operates. This is assessed on a case by case basis using in-house tax experts, professional firms and previous experience.

Group relief on taxation

The Company may receive or surrender group relief from group companies without payment and consequently there may be no tax charge in the Profit and Loss Account.

Deferred tax

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences arising on investments in subsidiaries and associates, and interests in joint ventures, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future. The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the year when the liability is settled or the asset is realised based on tax laws and rates that have been enacted or substantively enacted at the Balance Sheet date.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and liabilities on a net basis.

Current tax and deferred tax for the period

Current and deferred tax are recognised in the Profit and Loss Account, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Cash at bank and in hand

Cash at bank and in hand in the Balance Sheet comprise cash at banks and in hand and short term deposits with an original maturity of three months or less.

TESCO ATRATO (GP) LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED
27 FEBRUARY 2021 (continued)****4. Operating profit**

The Directors received no emoluments for their services to the Group and the Parent Company (2020: £nil).

The Group and Parent Company had no employees during the period (2020: none).

The auditor's remuneration of £9,396 (2020: £9,396) for the current and previous period was borne by The Tesco Atrato Limited Partnership and not recharged to the company. The non-audit fees for the period is £nil (2020: £nil).

5. Interest receivable and similar income

	52 weeks ended 27 February 2021 £	61 weeks ended 29 February 2020 £
Interest receivable on bank deposits	65	706
	65	706

6. Tax credit on profit**(a) Factors that have affected the tax credit**

The standard rate of corporation tax in the UK at the balance sheet date is 19%. This gives a corporation tax rate for the Company for the full period of 19% (2020: 19%).

At the Budget 2021 on 3 March 2021, the Government announced that the Corporation Tax rate will increase to 25% for companies with profits above £250,000 with effect from 1 April 2023, as well as announcing a number of other changes to capital allowances and treatment of losses. These changes were not substantively enacted or enacted at balance sheet date and hence have not been reflected in the measurement of deferred tax balances at the period end. The Company has assessed the impact of the change in rate on its deferred tax assets and liabilities and the impact would be to increase the deferred tax assets at the balance sheet date by £6,474.

The share is representative of its holding within its investment, as shown in Note 8.

The tax charge relates to the General Partner's share of any taxable profit charge incurred within the Limited Partnership.

(b) Tax credit in the Profit and Loss Account

The analysis of the credit for the period is as follows:

	52 weeks ended 27 February 2021 £	61 weeks ended 29 February 2020 £
Current tax charge:		
- UK corporation tax on profit for financial period	-	688
Total current income tax charge	-	688
Deferred tax charge/(credit):		
- Current period	(2,339)	(1,355)
- Impact of rate change adjustment	(1,911)	143
Total deferred tax credit	(4,250)	(1,212)
Total tax credit in the Profit and Loss Account	(4,250)	(524)

TESCO ATRATO (GP) LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED
27 FEBRUARY 2021 (continued)****6. Tax credit on profit (continued)****(c) Reconciliation of the effective tax credit**

The differences between the total credit shown above and the amount calculated by applying the UK corporation tax rate to profit is as follows:

	52 weeks ended 27 February 2021 £	61 weeks ended 29 February 2020 £
Profit before tax	65	706
Tax charge at standard UK corporation tax rate of 19% (2020: 19%)	12	134
Effects of:		
- Effects of group relief/other reliefs	(2,011)	(404)
- Impact of rate change adjustment	(1,911)	143
- Allowable share of commutation payments	(340)	(397)
Total tax credit	(4,250)	(524)

(d) Current tax liabilities

Current tax liabilities were as follows:

	Group		Parent Company	
	27 February 2021 £	29 February 2020 £	27 February 2021 £	29 February 2020 £
UK corporation tax payable	-	688	-	688
Total corporation tax payable	-	688	-	688

7. Deferred tax asset

The following are the major deferred tax assets recognised by the Group and Parent Company and movements thereon during the current and prior financial period measured using the tax rates that are expected to apply when the liability is settled or the asset realised based on the tax rates that have been enacted or substantively enacted by the Balance Sheet date:

	Short term timing differences £	Total £
At 29 February 2020	16,249	16,249
Origination and reversal of temporary differences		
- In respect of the current period	2,339	2,339
- In respect of change in tax rates	1,911	1,911
At 27 February 2021	20,499	20,499

TESCO ATRATO (GP) LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED
27 FEBRUARY 2021 (continued)****7. Deferred tax asset (continued)**

	Short term timing differences £	Total £
At 1 January 2019	15,037	15,037
Origination and reversal of temporary differences		
- In respect of the current period	1,355	1,355
- In respect of change in tax rates	(143)	(143)
At 29 February 2020	16,249	16,249

Deferred tax assets and liabilities are offset only where the Group and the Parent Company has a legally enforceable right to do so and where assets and liabilities relate to income taxes levied by the same taxation authority.

8. Investments

	Group £	Parent Company £
Cost		
At 29 February 2020	200	203
At 27 February 2021	200	203
Net book value		
At 29 February 2020	200	203
At 27 February 2021	200	203

The Directors believe that the carrying value of the investments is supported by their underlying net assets as the subsidiaries hold the legal title and the economic rights to all the investment property leased by The Tesco Atrato Limited Partnership.

In accordance with the Companies Act 2006 information on the Parent Company's and Group's investments are set out below.

TESCO ATRATO (GP) LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED

TESCO ATRATO (GP) LIMITED**NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED
27 FEBRUARY 2021 (continued)****12. Called up share capital (continued)**

'A' shares and 'B' shares each constitute a separate class of shares. The shares have attached to them full voting, dividend and capital distribution (including on winding up) rights; they do not confer any rights of redemption. Both classes of shares have the same rights and rank pari passu in all respects.

In the previous financial period, Tesco Property Holdings (No.2) Limited has acquired 5,000 shares held by Atrato Keystone Estates Limited.

13. Reserves

Profit and Loss Account comprises of prior and current period's undistributed earnings after tax.

Share premium account includes the premium on issues of equity shares, net of any issue costs.

14. Net cash used in operating activities

Reconciliation of operating profit to net cash used in operating activities is shown below:

	52 weeks ended 27 February 2021	61 weeks ended 29 February 2020
	£	£
Profit before tax	65	706
Working capital movements:		
Decrease in creditors	(688)	(1,727)
Net cash used in operating activities	(623)	(1,021)

15. Ultimate parent undertaking and controlling party

In the prior financial period, Tesco Property Holdings (No.2) Limited acquired 5,000 shares of the Parent Company held by Atrato Keystone Estates Limited, resulting in Tesco Property Holding (No.2) being the immediate parent undertaking.

The Company's ultimate parent undertaking and controlling party is Tesco PLC. The results of the Company are only included in the consolidated financial statements of Tesco PLC, which is the smallest and largest group to consolidate these financial statements.

Copies of the Tesco PLC Annual Report and Financial Statements 2021 are available from the Company Secretary at the registered office: Tesco PLC, Tesco House, Shire Park, Kestrel Way, Welwyn Garden City, AL7 1GA, United Kingdom.

16. Related party transactions

During the 52 weeks period ended 27 February 2021 the Group and the Parent Company have not entered into any transactions with related parties. Balances outstanding at 27 February 2021, are as follows:

All related parties' transactions are with subsidiaries of the ultimate parent undertaking.

THE TESCO ATRATO LIMITED PARTNERSHIP

STRATEGIC REPORT FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021

Tesco Atrato (GP) Limited (the "General Partner") present its Strategic Report of The Tesco Atrato Limited Partnership (the "Partnership") for the 52 weeks ended 27 February 2021 (prior period: 61 weeks ended 29 February 2020 ("2020")).

Business review and principal activity

The principal activity of the Partnership is to carry out property investment in 15 retail stores and 2 distribution centres for which a rental income is received. There has been no significant change in the nature or level of this activity during the period and the General Partner does not expect this to change significantly throughout the next financial period.

The financial statements of the Partnership have been prepared in accordance with the Financial Reporting Standards applicable in the United Kingdom and the Republic of Ireland ('FRS 102').

Results and distributions

The results for the period show a total comprehensive income of £19,444,458 (2020: £11,283,713) and rental income of £40,086,362 (2020: £46,017,260).

The Partnership did not distribute any profits in the current and the prior period.

The Partnership has net assets of £21,012,712 at the period end (2020: £1,568,254) and net current liabilities of £18,751,586 (2020: £17,974,473). The General Partner does not consider this a going concern risk as future rental income streams are guaranteed through a Retail Price Index ("RPI") linked swap to ensure that the Partnership can meet its financial obligations. With the swap arrangement deemed to be commercially viable, the General Partner believes that the Partnership will continue as a going concern.

Key performance indicators (KPIs)

Given the straightforward nature of the business, the General Partner is of the opinion that analysis using key performance indicators is not necessary for an understanding of the development, performance or position of the business.

The development, performance and position of the operations of the Tesco PLC Group (the "Group"), which includes the Partnership, is discussed on page 11 of the Tesco PLC Annual Report and Financial Statements 2021, which does not form a part of this Report.

Future developments

The Partnership's future developments form a part of the Group's long-term strategy, which is discussed on pages 4 to 30 of the Tesco PLC Annual Report and Financial Statements 2021, which do not form a part of this Report. The Partnership's performance is expected to continue throughout the next financial period and it is anticipated that the current performance levels will be maintained.

Principal risks and uncertainties

The Partnership's activities expose it to risks and uncertainties as summarised below. The Partnership's financial instruments comprise solely the Partnership loans and RPI linked swap arrangements.

The principal risks and uncertainties are related to property investment into the retail stores and distribution centers. These risks include the exposure to fluctuations in the open market value of the investment properties.

The property portfolio is managed to ensure its value is maximised.

From the perspective of the Partnership, the principal risks and uncertainties are integrated with the principal risks of the Group and are not managed separately. Accordingly, the principal risks and uncertainties of the Group, which include the Partnership, are discussed on pages 31 to 37 of the Tesco PLC Annual Report and Financial Statements 2021, which do not form a part of this Report.

Business risk

The ongoing development of the UK's trading relationship with the EU, subsequent to the end of the Brexit transition period during the year, and a failure to prepare all eventualities could have an adverse effect on our primary business, its financial results and operations.

THE TESCO ATRATO LIMITED PARTNERSHIP

STRATEGIC REPORT FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

Principal risks and uncertainties (continued)

Business risk (continued)

The Tesco PLC Board will continue to assess and monitor the potential risks and impacts on the Company and its stakeholders as a whole, while taking mitigation measures to address challenges as appropriate.

The Company is, by virtue of the tenants of its properties, exposed to the impact of the pandemic. The Company's principal business relationships are with Tesco PLC Group companies which, by nature of their business, have continued to operate as essential businesses during the pandemic. This has served to mitigate some of the risk the Company is exposed to. The financial impact of the pandemic for the financial year upon the Tesco PLC Group companies is noted in the Tesco PLC Annual Report and Financial Statements 2021. The wider Tesco Group continues to assess, monitor and, where possible mitigate the risks and impacts of the pandemic upon the Company and its stakeholders, particularly as restrictions are eased in line with the UK Government roadmap.

Financial risk management

The main risks associated with the Partnership's financial assets and liabilities are set out below:

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The credit risk posed by the Partnership's sole customer, Tesco Stores Limited, is determined to be low, yet the Partnership monitors the credit risk of Group (ultimate parent of Tesco Stores Limited) to ensure their ability to discharge their obligations as lessee. The Partnership's credit risk is also managed through the use of an RPI rate swap contract to fix its cash inflows so that it is able to meet its fixed-rate interest and capital repayments along with its administrative costs.

Liquidity risk

Liquidity risk is the risk that the Partnership will encounter difficulty in meeting its obligations associated with its financial liabilities. The principal risks and uncertainties are related to property investment in the retail stores and distribution centres and the obligation to make repayments against the loans when due. These risks include the exposure to fluctuations in the fair market value and the occupancy of the investment properties.

The Partnership manages this through using a managing agent, who manages its occupational leases and actively manages the receipt of arrears for the Partnership.

Cash flow risk

The Partnership's activities expose it primarily to the financial risks of changes in an RPI which could cause the Partnership difficulty in meeting its obligations if the level of an RPI uplifts does not rise enough to enable the Partnership to meet its obligations under the loan agreement. See Note 12 for further information with regards to the risks identified. The Partnership uses an RPI-rate swap contracts to hedge these exposures. Interest bearing assets and liabilities are held at fixed rate to ensure certainty of cash flows.

Section 172(1) Statement

Section 172 of the Companies Act 2006 requires a director of a company to act in the way he or she considers, in good faith, would most likely promote the success of the company for the benefit of its members as a whole. In doing this section 172 requires directors to have regard to, amongst other matters, the:

- likely consequences of any decisions in the long-term;
- interests of the company's employees;
- need to foster the company's business relationships with suppliers, customers and others;
- impact of the company's operations on the community and environment;
- desirability of the company maintaining a reputation for high standards of business conduct; and
- need to act fairly as between members of the company.

THE TESCO ATRATO LIMITED PARTNERSHIP

STRATEGIC REPORT FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

Section 172(1) Statement (continued)

In discharging our section 172 duties we have regard to the factors set out above. In addition, we also have regard to other factors which we consider relevant to the decision being made.

Those factors for example include the interests and views of our leaseholders, members of the Tesco Group and our relationship with our lenders. By considering the Limited Partnership's purpose, together with its strategic priorities and having a process in place for decision-making, we aim to make sure that decisions are consistent and appropriate in all the circumstances.

We delegate authority for day-to-day management of the Partnership to the General Partner's senior management. Board meetings are held periodically where the Partnership considers its activities and makes decisions. As a part of those meetings the Partners receive information in a range of different formats which includes information relevant to section 172 matters when making relevant decisions. For example, we periodically make an assessment of the strength of the Partnership's balance sheet and future prospects relative to market uncertainties, ensuring that future liabilities can be met.

As a Limited Partnership, the principal activity of the Partnership is to carry out property investment in 15 retail stores and 2 distribution centres for which a rental income is received. The Partnership has a limited number of external suppliers who provide specific administration and compliance services, otherwise the Partnership has had no commercial business, and no employees or external customers during the period and as such the breadth of stakeholder considerations that would often apply in operating or commercial trading companies have generally not applied to the decisions made by the Partnership. The Partnership's key stakeholders are its leaseholders, debtors and creditors.

In accordance with requirements this section 172(1) statement will be published on the Tesco PLC website at www.tescopl.com

Approved by the General Partner on 17 August 2021 and signed on behalf of the General Partner by:

Robert Welch
Tesco Services Limited, Director
For and on behalf of the General Partner
Tesco Atrato (GP) Limited
Registered Number: 06969536
Registered office: Tesco House, Shire Park, Kestrel Way, Welwyn Garden City, AL7 1GA, United Kingdom

THE TESCO ATRATO LIMITED PARTNERSHIP

GENERAL PARTNER'S REPORT FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021

Tesco Atrato (GP) Limited (the "General Partner") presents its Report and the audited financial statements of The Tesco Atrato Limited Partnership (the "Partnership") for the 52 weeks ended 27 February 2021 (prior period: 61 weeks ended 29 February 2020 ("2020")). During the period, Tesco Atrato (GP) Limited acted as the General Partner and Tesco Atrato (1LP) Limited and Tesco Atrato Unit Trust (Jersey) acted as limited partners of the Partnership.

The Partnership was originally constituted under an Initial Partnership Agreement, which was then superseded by the fifth amended and restated Limited Partnership Agreement (the "Limited Partnership Agreement") on 26 February 2010.

Results and distributions

This information is included in the Strategic Report on page 1.

Future developments

This information is included in the Strategic Report on page 1.

Going concern

In order to form a view as to the most appropriate basis of preparation of these financial statements, the General Partner has assessed the likelihood of whether the Partnership will be able to continue principal activities over a period of at least twelve months from the date of signing the financial statements versus the likelihood of either intending to or being forced to either cease principal activities or putting the Partnership into liquidation.

The ability of the Partnership to meet its obligations on the loans and to meet its operating and administrative expenses is dependent on the extent that it receives the amounts due from its sole customer, Tesco Stores Limited and its ability to discharge its obligations under the Property Portfolio leases.

While the securitisation structure is credit-linked to Tesco PLC (Ultimate parent of Tesco Stores Limited) and relies on rental receipts under the occupational lease, any changes in Tesco PLC's credit rating is not expected to directly impact the Partnership's ability to repay the Partnership loan and consequently the Partnership's ability to repay the loans and its administrative costs. The Partnership has also entered into an RPI linked derivative financial instrument to fix its cash inflows, thereby allowing the Partnership to meet its obligation whilst annual an RPI increases to rental income are lower than expected.

The General Partner has noted that, at the reporting date the Partnership is in a net asset position and a net current liability position. The General Partner does not consider this a going concern risk as future rental income streams are guaranteed through an RPI linked swap to ensure that the Partnership can meet its financial obligations. The General Partner has produced 18 months cash flow forecasts demonstrating the Partnership's ability to continue as a going concern.

With the swap arrangement deemed to be commercially viable the General Partner believes that the Partnership will continue as a going concern.

Whilst COVID-19 is a threat to many businesses, management's assessment is that demand for the Partnership's properties is not expected to suffer, as primarily the tenants of the properties are grocery retailers, which have functioned as essential businesses throughout the pandemic and will continue to operate afterwards. The assessment is therefore that there is no threat to Going Concern.

Therefore, the General Partner considers that the Partnership is able to meet its liabilities as they fall due, and accordingly, the financial statements have been prepared on a going concern basis.

Events after the reporting period

Details of events after the reporting period can be found in Note 18 to the financial statements.

This information is included in the Strategic Report on page 2.

Employees

The Partnership had no employees during the period (2020: nil).

Fostering of business relations

Details of the Partnership's engagement with its stakeholders is included in the section 172(1) statement on pages 2 and 3.

Energy and Carbon reporting

The Company's Streamlined Energy and Carbon Reporting (SECR) disclosures form a part of the Group's SECR disclosures, which are discussed on page 100 of the Tesco PLC Annual Report and Financial Statements 2021, which does not form a part of this Report.

Partners

The partners, including the General Partner, Tesco Atrato (GP) Limited, are set out in Note 13 of the financial statements.

Disclosure of information to auditor

At the date of approval of this report, the General Partner confirms that:

- so far as the General Partner is aware, there is no relevant audit information of which the Partnership's auditor is unaware; and
- the General Partner has taken all the steps that ought to have taken as a General Partner to be aware of any relevant audit information and to establish that the Partnership's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006. The financial statements have been prepared in accordance with Section 12 of the Limited Partnership Agreement (2010) and part 15 of the Companies Act 2006 as required under the Regulations.

Cautionary statement regarding forward looking information

Where this document contains forward-looking statements, these are made by the General Partner in good faith based on the information available to them at the time of their approval of this Report. These statements should be treated with caution due to the inherent risks and uncertainties underlying any such forward-looking information. A number of factors, including those in this document, could cause actual results to differ materially from those contained in any forward-looking statement.

Modern Slavery Act

As per section 54(1) of the Modern Slavery Act 2015, our Slavery and Human Trafficking Statement is published annually on our Group website. The statement covers the activities of the Tesco PLC Group and its subsidiaries and details policies, processes and actions we have taken to ensure that slavery and human trafficking are not taking place in our supply chains or any part of our own business.

General Partner's Responsibilities Statement

The General Partner is responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

THE TESCO ATRATO LIMITED PARTNERSHIP

GENERAL PARTNER'S REPORT FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

General Partner's Responsibilities Statement (continued)

The Company law as applied to qualifying Partnerships by the Partnerships (Accounts) Regulations 2008 (the "Regulations") requires the Partnership to prepare financial statements for each financial period. Under that law the General Partner has prepared the Partnership financial statements in accordance with FRS 102 (the Financial Reporting Standards applicable in United Kingdom and the Republic of Ireland).

Under the Limited Partnership Act 1907, as amended by the Company law, as applied to qualifying Partnerships, the General Partner must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Partnership and of the profit or loss of the Partnership for that period. In preparing these financial statements, the General Partner is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, comprising FRS 102, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Partnership will continue in business.

The General Partner is responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Partnership and enable them to ensure that the financial statements comply with the Companies Act 2006, as applicable to Limited Partnerships. They are also responsible for safeguarding the assets of the Partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The General Partner is required to act in the best interests of the Partnership and to perform its obligations under the Limited Partnership Agreement

Independent auditor

Deloitte LLP, having indicated its willingness to continue in office, will be deemed to be reappointed as auditor under Section 487(2) of the Companies Act 2006.

Approved by the General Partner on 17 August 2021 and signed on behalf of the General Partner by:

Robert Welch

Tesco Services Limited, Director

For and on behalf of the General Partner

INDEPENDENT AUDITOR'S REPORT TO THE PARTNERS OF THE TESCO ATRATO LIMITED PARTNERSHIP

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of The Tesco Atrato Limited Partnership (the 'qualifying partnership')

- give a true and fair view of the state of the qualifying partnership's affairs as at 27 February 2021 and of its profit for the 52 weeks period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to qualifying partnerships.

We have audited the financial statements which comprise:

- the Profit and Loss Account;
- the Statement of Comprehensive Income;
- the Balance Sheet;
- the Statement of Changes in Partner's Interest; and
- the related notes 1 to 18.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the qualifying partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the General Partner's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the qualifying partnership's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the General Partner with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The General Partner is responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITOR'S REPORT TO THE PARTNERS OF THE TESCO ATRATO LIMITED PARTNERSHIP (continued)

Other information (continued)

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of General Partner

As explained more fully in the General Partner's Responsibilities Statement, the General Partner is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the General Partner determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the General Partner is responsible for assessing the qualifying partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the General Partner's either intend to liquidate the qualifying partnership or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We considered the nature of the qualifying partnership's industry and its control environment, and reviewed the qualifying partnership's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management about their own identification and assessment of the risks of irregularities.

We obtained an understanding of the legal and regulatory framework that the qualifying partnership operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. This includes the UK Companies Act as applied to qualifying partnerships; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the qualifying partnership's ability to operate or to avoid a material penalty.

INDEPENDENT AUDITOR'S REPORT TO THE PARTNERS OF THE TESCO ATRATO LIMITED PARTNERSHIP (continued)

Extent to which the audit was considered capable of detecting irregularities, including fraud (continued)

We discussed among the audit engagement team including relevant internal specialists such as valuations specialists regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

As a result of performing the above, we identified the greatest potential for fraud to be in respect of the valuation of investment properties and in response we performed the following specific procedures:

- we obtained and reviewed the property valuation reports prepared by a third party expert engaged by the qualifying partnership;
- we evaluated the methods and assumptions used by the expert in deriving the valuations; and
- we reconciled the property valuation report to the financial statements.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management and in-house / external legal counsel concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and the General Partner's report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the General Partner's report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the qualifying partnership and its environment obtained in the course of the audit, we have not identified any material misstatements in the Strategic Report or the General Partner's report.

Matters on which we are required to report by exception

Under the Companies Act 2006 as applied to qualifying partnerships we are required to report in respect of the following matters if, in our opinion:

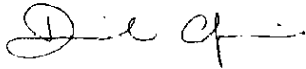

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of General Partner's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

INDEPENDENT AUDITOR'S REPORT TO THE PARTNERS OF THE TESCO ATRATO LIMITED PARTNERSHIP (continued)

Use of our report

This report is made solely to the qualifying partnership's partners, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 as applied to qualifying partnerships. Our audit work has been undertaken so that we might state to the qualifying partnership's partners those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the qualifying partnership and the qualifying partnership's partners as a body, for our audit work, for this report, or for the opinions we have formed.

THE TESCO ATRATO LIMITED PARTNERSHIP

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021

1. Statement of compliance

The financial statements of The Tesco Atrato Limited Partnership (the "Partnership") have been prepared in accordance with FRS 102 (the Financial Reporting Standards applicable in the United Kingdom and the Republic of Ireland) and in accordance with the Companies Act 2006 as applied to qualifying partnerships by the Partnerships (Accounts) Regulations 2008 (and as required by the amended and restated Limited Partnership Agreement).

2. General information

The Partnership was established on 5 August 2009 and is registered as a Limited Partnership in England and Wales under the Limited Partnership Act 1907. The Partnership was originally constituted under the Initial Partnership Agreement, which was then superseded by the Limited Partnership Agreement on 26 February 2010. The Partnership is limited by Partners' capital.

The address of the registered office is Tesco House, Shire Park, Kestrel Way, Welwyn Garden City, AL7 1GA, United Kingdom. The nature of the Partnership's operations and its principal activity are set out in the Strategic Report on pages 1 to 2.

The functional and presentational currency of the Partnership is considered to be Pound Sterling (£) because that is the currency of the primary economic environment in which the Partnership operates. The financials are rounded to the nearest Pound Sterling (£), except when otherwise stated.

The principal accounting policies are summarised below. They have all been applied consistently throughout the period and to the preceding period, unless otherwise stated.

3. Accounting policies

a) Basis of preparation

The financial statements of the Partnership are prepared on the going concern basis under the historical cost convention, as modified by the revaluation of certain investment properties, financial assets and liabilities (including derivative instruments) at fair value through profit and loss.

The Partnership elected to adopt the fair value model for holding its investment property, as permitted under Section 16 of FRS 102.

The Partnership has included the fair value of its hedging instruments within the Balance Sheet and hedging reserve, per Section 12 of FRS 102.

The Partnership is wholly owned by Tesco PLC and is included in the consolidated financial statements of Tesco PLC, which are publicly available. The Partnership is a qualifying entity for the purposes of FRS 102. Consequently, as per section 1.12(b), the Partnership has taken advantage of the exemption from preparing a cash flow statement under the terms of FRS 102 section 7 "Statement of Cash Flows".

b) Going concern

In order to form a view as to the most appropriate basis of preparation of these financial statements, the General Partner has assessed the likelihood of whether the Limited Partnership will be able to continue principal business over a period of at least twelve months from the date of signing the financial statements versus the likelihood of either intending to or being forced to either cease trading or putting the Partnership into liquidation.

The ability of the Partnership to meet its obligations on the loans and to meet its operating and administrative expenses is dependent on the extent that it receives the amounts due from its sole customer, Tesco Stores Limited and its ability to discharge its obligations under the property portfolio leases.

While the securitisation structure is credit-linked to Tesco PLC (ultimate parent of Tesco Stores Limited) and relies on rental receipts under the occupational lease, any changes in Tesco PLC's (ultimate parent of Tesco Stores Limited) credit rating is not expected to directly impact the Partnership's ability to repay the Partnership Loan and consequently the Partnership's ability to repay the loans and its administrative costs. The Partnership has also entered into an RPI linked derivative financial instrument to fix its cash inflows, thereby allowing the Partnership to meet its obligation whilst annual an RPI increases to rental income are lower than expected.

THE TESCO ATRATO LIMITED PARTNERSHIP

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

3. Accounting policies (continued)

b) Going concern (continued)

The General Partner has noted that, at the reporting date the Partnership is in a net asset position and a net current liability position. The General Partner does not consider this a going concern risk as future rental income streams are guaranteed through an RPI linked swap to ensure that the Partnership can meet its financial obligations. The General Partner has produced 18 months cash flow forecasts demonstrating the Partnership's ability to continue as a going concern.

With the swap arrangement deemed to be commercially viable the General Partner believes that the Partnership will continue as a going concern.

Whilst COVID-19 is a threat to many businesses, management's assessment is that demand for the Partnership's properties is not expected to suffer, as primarily the tenants of the properties are grocery retailers, which have functioned as essential businesses throughout the pandemic and will continue to operate afterwards. The assessment is therefore that there is no threat to Going Concern.

Therefore, the General Partner considers that the Partnership is able to meet its liabilities as they fall due, and accordingly, the financial statements have been prepared on a going concern basis.

c) Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements requires General Partner to make judgements, estimates and assumptions in applying the Partnership's accounting policies to determine the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Key sources of estimation uncertainty

The estimation of future an RPI rates impact upon the valuation of the derivative instrument. Management has applied their own internal estimations of future RPI movements. This has been benchmarked against market-data for accuracy and is in line with the methodologies used by Tesco PLC in valuing their derivative instrument. A credit risk is also applied to the counterparty in estimating the valuation of the derivative instrument.

For investment properties, determining the value requires an estimation of expected open-market rental income as well as an expected yield to calculate its fair value. Refer Note 8 for details.

Judgements

There are no judgements that have a significant effect on amounts recognised in the financial statements.

d) Significant accounting policies

Investment properties

The Partnership carries its investment property at fair value, with changes in fair value being recognised in profit or loss. The Partnership engaged independent valuation specialists to determine fair value at 27 February 2021.

The valuation is undertaken on an open market basis deemed to represent at fair value. The determined fair value of the investment property is most sensitive to the estimated yield as well as the long term vacancy rate. The key assumptions used to determine the fair value of investment property are further explained in Note 8.

THE TESCO ATRATO LIMITED PARTNERSHIP

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

3. Accounting policies (continued)

d) Significant accounting policies (continued)

Investment properties (continued)

No amortisation or depreciation is provided in respect of freehold or long leasehold properties. The departure from the requirements of the Companies Act 2006, which requires all properties to be depreciated, is, in the opinion of the General Partner, necessary to show a true and fair view. The financial effect of this departure cannot be reasonably quantified, as amortisation or depreciation is only one of the many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified.

Leases and rental income

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

The properties owned by the Partnership are being leased out under operating leases. Rental income is recognised in the Profit and Loss Account when earned, with rent received in advance being deferred in the Balance Sheet.

A number of leases are subject to annual uplifts which are linked to the Retail Price Index (RPI), subject to a minimum annual increase of nil and a maximum annual increase of 5%.

100% of the rental income generated during the period was generated in the United Kingdom by letting out properties which are all located in the United Kingdom.

In line with the requirements of Section 20.25 of FRS 102, as the rental income has been structured to increase in line with the expected general inflation to compensate for the Partnership's expected inflationary cost increases, the Partnership has not recognised rental income from operating leases on a straight line basis.

The Partnership operates within one business segment being that of the leasing of its investment properties with business wholly transacted in the United Kingdom (UK).

Financial instruments

Financial assets and financial liabilities are recognised when the Partnership becomes a party to the contractual provisions of the instrument. The expected maturity of the financial assets and liabilities is not considered to be materially different to their current and non-current classification.

Financial assets

Initial recognition and measurement

The Partnership determines the classification of its financial assets at initial recognition. All financial assets are recognised on initial measurement at transaction price including directly attributable transaction costs.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Partnership commits to purchase or sell the asset. The Partnership's financial assets include cash, investments, debtors and other receivables.

Subsequent measurement

The subsequent measurement of financial assets depends on their classification as follows:

THE TESCO ATRATO LIMITED PARTNERSHIP

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

3. Accounting policies (continued)

d) Significant accounting policies (continued)

Financial instruments (continued)

Financial assets (continued)

Debtors

Debtors are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are initially recognised at transaction price and subsequently measured at amortised cost using the effective interest rate (EIR) method, less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in interest income in the Profit and Loss Account. For a non-interest bearing debtors that is receivable within one year on normal business terms, amortised cost shall be measured at the undiscounted amount of the cash or other consideration expected to be received (i.e. net of impairment). Losses arising from impairment are recognised in the Profit and Loss Account in other operating expenses. Debtors and other receivables are classified within debtors.

Financial liabilities

Initial recognition and measurement

The Partnership determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognised initially at transaction value and in the case of loans and borrowings, plus directly attributable transaction costs. The principal financial liabilities include loan, creditors and other payables and derivative financial instrument.

Subsequent measurement

The measurement of financial liabilities depends on their classification as follows:

Creditors

Creditors are financial liabilities with fixed or determinable payments. Such liabilities are initially recognised at transaction price and subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account transaction costs that are an integral part of the EIR. The EIR amortisation is included in interest expense in the Profit and Loss Account. For a non-interest bearing creditors that is payable within one year on normal business terms, amortised cost shall be measured at the undiscounted amount of the cash or other consideration expected to be paid. Loans are classified within creditors.

De-recognition of financial instruments

Financial assets are derecognised when and only when (a) the contractual rights to the cash flows from the financial asset expire or are settled; (b) the Partnership transfers to another party substantially all of the risks and rewards of ownership of the financial asset; or (c) the Partnership, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party. Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expired.

Offsetting

Financial assets and liabilities are offset and the net amounts presented in the financial statements when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

THE TESCO ATRATO LIMITED PARTNERSHIP

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

3. Accounting policies (continued)

d) Significant accounting policies (continued)

Financial instruments (continued)

Derivative financial instruments and hedge accounting

The Partnership uses derivative financial instruments to reduce its exposure to an RPI rate movements. The Partnership does not hold or issue derivative financial instruments for speculative purposes, however, if derivatives do not qualify for hedge accounting they are accounted for as such.

Derivative financial instruments are recognised and stated at fair value. Where derivatives do not qualify for hedge accounting, any gains or losses on re-measurement are immediately recognised in Profit and Loss Account. Where derivatives qualify for hedge accounting, recognition of any resultant gain or loss depends on the nature of the hedge relationship and the item being hedged. In order to qualify for hedge accounting, the Partnership is required to document from inception the relationship between the item being hedged and the hedging instrument.

The Partnership is also required to document and demonstrate an assessment of the relationship between the hedged item and the hedging instrument, along with its risk management objectives and clear identification of the risk in the hedged item that is being hedged by the hedging instrument, which shows that the hedge will be highly effective on an ongoing basis. This effectiveness testing is performed at each financial reporting date to ensure that the hedge remains highly effective. Furthermore, at the inception of the hedge the Partnership determines and documents causes for hedge ineffectiveness.

Derivative financial instruments with maturity dates of more than one year from the Balance Sheet date are disclosed as non-current.

Note 12 sets out details of the fair value of the derivative instruments used for hedging purpose.

Cash flow hedging

Derivative financial instruments are classified as cash flow hedges when they hedge the Partnership's exposure to variability in cash flows that are either attributable to a particular risk associated with a recognised asset or liability, or a highly probable forecasted transaction. The effective element of any gain or loss from re-measuring the derivative instrument is recognised directly in other comprehensive income.

The associated cumulative gain or loss is reclassified from other comprehensive income and recognised in the Profit and Loss Account in the same period or periods during which the hedged transaction affects the Profit and Loss Account.

The classification of the effective portion when recognised in Profit and Loss Account is the same as the classification of the hedged transaction. Any element of the re-measurement of the derivative instrument which does not meet the criteria for an effective hedge is recognised immediately in the Profit and Loss Account within interest income or expenses.

Hedge accounting is discontinued when the Partnership revokes the hedging relationship, hedging instrument expires or is sold, terminated or exercised, or if a voluntary de-designation takes place or no longer qualifies for hedge accounting. At that point in time, any cumulative gain or loss on the hedging instrument recognised in equity is retained in the Statement of Changes in Partner's interest until the forecast transaction occurs or the original hedged item affects the Profit and Loss Account. If a forecast hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in the Statement of Changes in Partner's interest is reclassified to the Profit and Loss Account.

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

3. Accounting policies (continued)

d) Significant accounting policies (continued)

Financial instruments (continued)

Fair value measurement

The best evidence of fair value is a quoted price for an identical asset in an active market. When quoted prices are unavailable, the price of a recent transaction for an identical asset provides evidence of fair value as long as there has not been a significant change in economic circumstances or a significant lapse of time since the transaction took place. If the market is not active and recent transactions of an identical asset on their own are not a good estimate of fair value, the fair value is estimated by using a valuation technique.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

Cash and net debt

Cash is represented by balance with banks and cash in hand. Net debt is comprised of loans advanced to the Partnership and cash.

Allocation of profits and drawings

The net profits of the Partnership incurred in each period are divided between the partners in the following proportions:

Tesco Atrato (1LP) Limited	49.95%
Tesco Atrato Unit Trust (Jersey)	49.95%
Tesco Atrato (GP) Limited	0.10%

Any net losses of the Partnership in each period are borne by the partners in the same proportion that they share the balance of the net profits of the Partnership.

Interest payable and receivable

Interest payable and receivable is calculated on an accrual basis.

4. Operating profit

The General Partner received no emoluments in respect of its services to the Partnership (2020: £nil).

The Partnership had no employees during the period ended 27 February 2021 (2020: none).

The auditor's remuneration in respect of audit services in the period amounted to £7,517 (2020: £7,517). The non-audit fees for the period is £nil (2020: £nil). The audit fees were borne on the Partnership's behalf by another Group company.

THE TESCO ATRATO LIMITED PARTNERSHIP

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

5. Interest receivable and similar income

	52 weeks ended 27 February 2021 £	61 weeks ended 29 February 2020 £
Interest income from derivative financial instrument	1,327,715	2,457,743
Interest received on bank deposits	1,612	20,189
	1,329,327	2,477,932

The interest income from derivative financial instrument is related to an RPI linked swap (refer Note 12).

6. Interest payable and similar charges

	52 weeks ended 27 February 2021 £	61 weeks ended 29 February 2020 £
Interest payable on other loans	28,486,767	40,689,113
	28,486,767	40,689,113

The interest payable on other loans is related to the loan provided by Tesco Property Finance 2 PLC (refer Note 10).

7. Tax on profit

The financial information does not incorporate any charge or liability for taxation on the results of the Partnership, as the relevant income tax or tax on capital gains is the responsibility of the individual partners.

8. Investment properties

	27 February 2021 £	29 February 2020 £
Land and building		
Valuation:		
Opening balance	673,080,000	666,130,000
Revaluation	10,390,000	6,950,000
Closing balance	683,470,000	673,080,000

The investment properties have been valued by Cushman and Wakefield LLP who is deemed to be a suitably qualified valuer of the General Partner on the fair value basis at 27 February 2021. The valuation was carried out in accordance with the Appraisal and Valuation Manual of the Royal Institute of Chartered Surveyors (RICS).

This fair value has been determined by an independent valuer, by applying an appropriate rental yield to the rentals earned by the investment properties. There are no lease incentives.

The property has been valued on the basis of market value which the valuer confirms to be fair value, as the estimated amount for which an asset or liability should exchange on the valuation date between a willing buyer and a willing seller in an arm's length transaction after proper marketing and where the parties had each acted knowledgeably, prudently and without compulsion. This has been subject to any existing leases of guarantees; otherwise assuming vacant possession.

THE TESCO ATRATO LIMITED PARTNERSHIP

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

8. Investment properties (continued)

The average yield across the portfolio is 5.94% (2020: 5.97%) with a rental income of £161.74 (2020: £160.08) per square metre.

There were no restrictions on the realisability of investment property or the remittance of income and proceeds of disposal, nor were there any contractual obligations to purchase, construct or develop investment property or for repairs, maintenance or enhancements.

9. Debtors: amounts falling due within one year

	27 February 2021	29 February 2020
	£	£
Prepayments	461	-
Amounts owed by group undertakings	474,997	420,811
VAT	47,379	44,310
	522,837	465,121

Amounts owed by group undertakings are unsecured, interest free, have no fixed date of repayment and are repayable on demand.

10. Creditors: amounts falling due within one year

	27 February 2021	29 February 2020
	£	£
Loan from Tesco Property Finance 2 PLC	16,890,269	16,292,384
Accruals and deferred income	3,122,254	2,657,989
Amounts owed to Group undertakings	20,312	226,221
	20,032,835	19,176,594

Amounts owed to Group undertakings are unsecured, interest free, have no fixed date of repayment and are repayable on demand. The loan from Tesco Property Finance 2 PLC incurs interest at a fixed rate of 6.0517% and is repayable in instalments. The loan is secured on the Partnership's investment properties. The amount above reflects the amounts of principal and accrued interest that are due for repayment within the next 12 months from 27 February 2021.

As the loan from Tesco Property Finance 2 PLC has been calculated using the effective interest rate method, any accrued interest payable is included within the amounts payable to Tesco Property Finance 2 PLC.

The Partnership has taken a loan from Tesco Property Finance 2 PLC, who in turn holds a back-to-back arrangement with Tesco PLC. Tesco PLC hold a cash flow hedge arrangement externally. All arrangements have been set up to manage the cash flow fluctuations generated from the cash inflows of The Tesco Atrato Partnership Limited.

THE TESCO ATRATO LIMITED PARTNERSHIP

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

11. Creditors: amounts falling due after more than one year

	27 February 2021	29 February 2020
	£	£
Loan from Tesco Property Finance 2 PLC	438,879,469	452,024,823
Back-to-back swap arrangement	204,826,233	201,512,450
	643,705,702	653,537,273

Refer Note 10 for details.

12. Financial instruments

The Partnership holds a back-to-back arrangement with Tesco PLC, who holds an RPI-linked derivative arrangement externally. Both the swap and the loan are considered to be Level 2 financial liabilities under the fair value hierarchy, being that they are based on inputs other than quoted prices that are observable either directly or indirectly.

The main financial risk faced by the Partnership relates to fluctuations in an RPI rates, the risk of default by counterparties to financial transactions, and the availability of funds to meet business needs. The management of these risks is outsourced as approved in the Partnership agreement. The outsourcing arrangements are monitored by the General Partner. The swap valuations above, based on the discounted expected future cash flows associated with the swaps, are linked to future inflation levels as referenced by the Retail Price Index and this gives rise to inherent uncertainty as to their fair value.

RPI rate risk

The Partnership's debt is issued at fixed rates with the principal repayments increasing over the term of the loan. Cash inflows are subject to annual uplifts in RPI that may not cover the Partnership's cash outflows. This exposes the Partnership to RPI rate risk which is managed through the use of derivative instruments.

Credit risk

Credit risk arises from the cash and cash equivalents, trade and other receivables and financial instruments. The management of these risks is outsourced as approved in the Partnership agreement.

Liquidity risk

Liquidity risk is managed by short-term and long-term cash flow forecasts. The Partnership is not exposed to any foreign currency volatility.

The counterparty exposure under derivative contracts is £204,826,233 (2020: £201,512,450).

The Partnership considers its maximum liquidity risk to be £663,738,537 (2020: £672,713,867), being the Partnership's total financial liabilities.

Sensitivity analysis

The swap valuations above, based on the discounted expected future cash flows associated with the swaps, are linked to future inflation levels as referenced by the Retail Price Index and this gives rise to inherent uncertainty as to their fair value.

As the RPI rates are hedged at a fixed rate, any increase or decrease will have nil impact. Sensitivity analysis is not shown as it has a nil impact.

THE TESCO ATRATO LIMITED PARTNERSHIP

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

12. Financial instruments (continued)

Capital risk

The Partnership's objectives when managing capital (defined as net debt plus equity) are to safeguard the Partnership's ability to continue as a going concern in order to provide returns to shareholders and benefits or other stakeholders, while maintaining a strong credit rating and headroom whilst optimising return to shareholders through an appropriate balance of debt and equity funding. The Partnership manages its capital structure and makes adjustments to it, in light of changes to economic conditions and the strategic objectives of the Partnership.

Financial assets and liabilities by category

The accounting classifications of each class of financial asset and liability as at 27 February 2021 and 29 February 2020 are as follows:

	Loans and receivables/ other financial liabilities (amortised cost)	Fair value through other comprehensive income	Total
	£	£	£
At 27 February 2021			
Cash and cash equivalents	758,412	-	758,412
Other receivables	522,837	-	522,837
Borrowings	(455,769,738)	-	(455,769,738)
Derivatives back-to-back arrangement	-	(204,826,233)	(204,826,233)
Other payables	(3,142,566)	-	(3,142,566)
	(457,631,055)	(204,826,233)	(662,457,288)
At 29 February 2020			
Cash and cash equivalents	737,000	-	737,000
Other receivables	465,121	-	465,121
Borrowings	(468,317,207)	-	(468,317,207)
Derivatives back-to-back arrangement	-	(201,512,450)	(201,512,450)
Other payables	(2,884,210)	-	(2,884,210)
	(469,999,296)	(201,512,450)	(671,511,746)

There is no netting off in relation to any of the above financial assets and liabilities.

THE TESCO ATRATO LIMITED PARTNERSHIP

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

13. Cumulative partners account

Partners Accounts as at 27 February 2021	Partners' capital accounts	Hedge reserve	Profit and Loss account	Total
	£	£	£	£
Tesco Atrato (1LP) Limited	10,090	(102,388,483)	112,874,243	10,495,850
Tesco Atrato Unit Trust (Jersey)	10,090	(102,388,483)	112,874,243	10,495,850
Tesco Atrato (GP) Limited	20	(204,982)	225,974	21,012
Total	20,200	(204,981,948)	225,974,460	21,012,712

The Partnership was formed on 5 August 2009. The Partnership was originally constituted under the Initial Partnership Agreement, which was then superseded by the Limited Partnership Agreement on 26 February 2010, with capital injections totaling £20,200. Tesco Atrato (1LP) Limited owns 49.95%, Tesco Atrato Unit Trust (Jersey) owns 49.95%, and Tesco Atrato (GP) Limited owns 0.1% of the Partnership.

The Limited Partnership reserves are as follows:

Partners' capital accounts represent capital contributed by the partners in the Limited Partnership.

Hedge reserve represents the cumulative portion of gains and losses on hedging instruments deemed effective.

Profit and Loss account represent cumulative profits or losses, net of distribution paid.

14. Receivables under operating lease

Total future minimum lease receivables under non-cancellable operating leases are as follows:

	27 February 2021	29 February 2020
	£	£
Due within one year	40,158,297	40,158,298
After one year but not more than five years	160,633,189	160,633,191
After five years	552,176,589	592,334,890
	752,968,075	793,126,379

Tesco Stores Ltd is the sole tenant of the Partnership, with rental payments guaranteed by Tesco PLC. The 30 year leases, on full repairing and insuring terms, are due to expire in 2039. The tenant has the option to take 3 further leases of the premises, each for a period of 10 years at market rent.

15. Ultimate parent undertaking and controlling party

The partners of the Partnership are Tesco Atrato (1LP) Limited, Tesco Atrato Unit Trust (Jersey) and Tesco Atrato (GP) Limited.

The Partnership is wholly owned by Tesco PLC. Copies of the Tesco PLC Annual Report and Financial Statements 2021 are available from the Company Secretary at its registered office address: Tesco PLC, Tesco House, Shire Park, Kestrel Way, Welwyn Garden City, AL7 1GA, United Kingdom.

THE TESCO ATRATO LIMITED PARTNERSHIP

NOTES TO THE FINANCIAL STATEMENTS FOR THE 52 WEEKS ENDED 27 FEBRUARY 2021 (continued)

16. Related party transactions and balances

The Partnership has taken advantage of the exemption under paragraph 33.1A of FRS 102 not to disclose transactions with fellow wholly owned subsidiaries. RPTs or RP balances which don't meet this exemption criteria i.e. those with non-wholly owned entities, should be disclosed

During the 52 weeks period ended 27 February 2021 (prior period: 61 weeks 29 February 2020) the Partnership entered into transactions with related parties, in the ordinary course of business. Transactions entered, and balances outstanding at 27 February 2021, are as follows:

All related parties' transactions are with subsidiaries of the ultimate parent undertaking

Transactions	2021		2020	
	Income	Expense	Income	Expense
	£	£	£	£
Tesco Stores Limited	40,086,362	-	46,017,260	-
Spem Hill Management Limited	-	386,002	-	397,734
Tesco Atrato Unit Trust	-	54,186	-	108,113

Balances	2021		2020	
	Debtors	Creditors	Debtors	Creditors
	£	£	£	£
Spem Hill Management Limited	-	217,355	-	221,221
Tesco Atrato Unit Trust	474,997	-	420,811	-
Tesco Atrato (GP) Limited	-	1,000	-	1,000

Reference to balances outstanding at the period-end are disclosed in Notes 9, 10 and 11.

17. Accounting period

The financial statements have been prepared for the 52 weeks ended 27 February 2021. The comparatives presented are for the 61 weeks ended 29 February 2020 and hence are not comparable to the current period of the 52 weeks ended 27 February 2021.

18. Events after the reporting period

There are no material events since the Balance Sheet date which requires disclosure.
