Introduction

This progress report has been prepared to provide the members with an update for the work undertaken in the period.

Assets

The Company did not have any assets. It ceased to trade on 31 October 2012 and has been a dormant company since 2014. There was a debt due to Wesco Aircraft Europe Limited, the parent company, but this was forgiven before the Company went into liquidation.

Compliance

We have, during the period since our appointment, complied with the requirement to notify interested parties of our appointment and filed the necessary documents with both the Registrar of Companies and the London Gazette. We have also notified HM Revenue and Customs and submitted tax returns as necessary. In addition we have attended to case maintenance including set-up, banking, record collection and periodic file reviews.

Liquidators' Remuneration

The written resolutions which were passed on 6 December 2016, approved the basis of the joint liquidators' remuneration, as a fixed amount of £3,500 plus VAT and expenses in respect of statutory matters and by reference to the time properly given by the liquidators' and their staff in respect of any other matters arising. I can confirm that fees of £3,500 have been drawn as agreed. In the reporting period the joint liquidators have incurred in £350 disbursements in regard to the statutory advertising and bonding.

The joint liquidators have reviewed the work undertaken and reported here and consider this level of costs to be appropriate bearing in mind the nature and complexity of the case. For more information on the joint liquidators' charging policy please visit; <https://www.jamescowperkreston.co.uk/information-and-guides> click on "Information to creditors with regards to office holders' remuneration and expenses" under the heading "Other information".

What remains to be done

We have requested tax clearance from HM Revenue and Customs which we have not yet received. We have sent a reminder to HMRC since. When we have received tax clearance, we will be in a position to close the liquidation.

Statutory Rights

Rule 18.9 of the Insolvency Rules 2016 entitles 5% in value of the members or any member with the permission of the court to make a written request to the liquidators for further information about remuneration or expenses. In response to such a request the liquidators must respond within 14 days:-

- a) Providing all of the information requested;
- b) Providing some of the information requested; or
- c) Declining to provide the information requested.

The liquidators may provide only some of the information or decline the request if:

- a) The time or cost of preparing the information would be excessive;
- b) Disclosure of the information would be prejudicial to the conduct of the case;
- c) Disclosure might reasonably be expected to lead to violence against any person; or
- d) The liquidators are subject to an obligation of confidentiality in relation to the information.

If the liquidators do not provide all of the information or decline to provide any of the information they must inform the person or persons making the request of their reasons for so doing. A member, who need not be the same member(s) who requested the information may then apply to Court within 21 days of the following.

- a) The liquidators giving reasons for not providing all of the information requested; or
- b) The expiry of the 14 days in which the liquidators must respond.

The court may then make such order as it thinks just.

Rule 18.34 provides that a member with the concurrence of at least 10% of the total value of the members of the Company (or any member with the permission of the court) may apply to the court on the grounds that liquidators' remuneration or expenses are excessive or the basis fixed for the remuneration is inappropriate. Such application must be made no later than eight weeks after receipt by the applicant member(s) of this progress report.
