Information for creditors

Outcome

Information for

creditors

Outcome

Secured creditors

Neither CCGS nor CMM have any secured creditors.

Preferential creditors

There are no known preferential creditors in either of the Companies.

Prescribed Part

As there are no secured creditors with floating charges, the Prescribed Part provisions do not apply to these cases.

Unsecured creditors

We currently anticipate that there will be a small dividend to the unsecured creditors of approximately 5p in the £ and 7p in the £ in CCGS and CMM respectively.

Claims process – creditors with debts of £1,000 or less

You do not need to prove your debt for dividend purposes if the amount you are owed is £1,000 or less. We will notify you if funds become available for dividend purposes. Your claim will be admitted in the amount shown in the Company's records/statement of affairs. If you disagree with that amount you will be provided with an opportunity to notify us of the correct amount.

Claims process – creditors with debts of more than £1,000

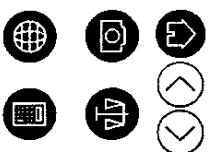

Unsecured creditors with claims of more than £1,000 are invited to submit their claims to us by completing a proof of debt form which is available on the administration website and which should be sent to the address on page 3, marked for the attention of Maggie Rowe.

Extensions to the administrations

In order to complete the debtor realisations in the Companies we made an application to Court to extend both of the administrations which was granted by the Court on 1 September 2017 for a period of 18 months and the order also allowed the Joint Administrators to distribute funds to the unsecured creditors in the administrations. The administrations will now end on or before 31 March 2019.

Exit

As detailed in our proposals, following any distribution to the Companies' unsecured creditors, we consider that dissolution will be the most appropriate exit route from the administrations.

Should you require a paper copy, please send your request in writing to us at the address on Page 1 of this report and this will be provided to you at no cost.

Basis of remuneration

The basis of our remuneration in CCGS and CMM was fixed on 22 January 2016 by the creditors at meetings of creditors held on that date as set amounts of £80,000 and £100,000 plus VAT thereon respectively.

We have drawn remuneration as shown in the receipts and payments accounts on page 6.

Remuneration and expenses

Detailed information

Category 1 Disbursements

These are payments made by us direct to third parties and for which no approval is required.

Category 2 Disbursements

These are costs and expenses initially paid by us and not generally made to a third party, for example, reimbursement to staff engaged on the case for their mileage costs. These may also include shared or allocated costs.

Specific approval is required before these costs and expenses can be drawn from the administration estate and was given by creditors on 22 January 2016. Mileage is calculated at the prevailing standard mileage rate of up to 45p used by Deloitte at the time when the mileage is incurred.

Details of all disbursements are given below and from which it can be seen that we have not yet recovered our disbursements in full.

Category 1 disbursements incurred					
£ (net)	CCGS	Paid	CMM	Paid	
Bordereau					
Courts Advertising	240	230	240	230	
Stationery and courier	85	85	170	170	
Records storage	6	6	66	66	
	<u>331</u>	<u>321</u>	<u>524</u>	<u>502</u>	
Estimated Future Category 1 disbursements	85	85	20	105	
Total estimated disbursements	365	365	629		

Disbursements

Our disbursements to date are in line with estimates provided in the proposals and are summarised below. The Joint Administrators' disbursements to date exceed the estimates provided in the proposals and are summarised below. The principal reason for this is the ongoing work in relation to debtor collections which was out of the Joint Administrators' control.

Category 1 Disbursements

These are payments made by us direct to third parties and for which no approval is required.

Category 2 Disbursements

These are costs and expenses initially paid by us and which are not generally made to a third party, for example, reimbursement to staff engaged on the case for their mileage costs. These may also include shared or allocated costs.

CCGS has paid the Courts advertising costs and website costs for the group but will be reimbursed by CCGS in due course for its share of the costs. Unfortunately there were insufficient realisations in the other companies to settle these costs.

Creditors' right to request information

Any secured creditor or unsecured creditor (with the support of at least 5% in value of the unsecured creditors or with leave of the Court) may, in writing, request us to provide additional information regarding remuneration or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report, in accordance with Rule 18.9 of the Rules.

Creditors' right to challenge remuneration and/or expenses

Any secured creditor or unsecured creditor (with the support of at least 10% in value of the unsecured creditors or with leave of the Court) may apply to the Court for one or more orders (in accordance with Rule 18.34 of the Rules), reducing the amount or the basis of remuneration which we are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within eight weeks of receipt by the applicant(s) of the progress report detailing the remuneration and/or expenses being complained of, in accordance with Rule 18.34(3) of the Rules.

Please note that such challenges may not disturb remuneration or expenses approved or deemed to be approved under prior progress reports.

Disbursements

Our disbursements to date are in line with estimates provided in the proposals and are summarised below.

The Joint Administrators' disbursements to date exceed the estimates provided in the proposals and are summarised below. The principal reason for this is the ongoing work in relation to debtor collections which was out of the Joint Administrators' control.

Category 1 Disbursements

These are payments made by us direct to third parties and for which no approval is required.

Category 2 Disbursements

These are costs and expenses initially paid by us and which are not generally made to a third party, for example, reimbursement to staff engaged on the case for their mileage costs. These may also include shared or allocated costs.

Specific approval is required before these costs and expenses can to be drawn from the administration estate and was given by creditors on 22 January 2016. Mileage is calculated at the prevailing standard mileage rate of up to 45p used by Deloitte at the time when the mileage is incurred.

Details of all disbursements are given below and from which it can be seen that we have not yet recovered our disbursements in full.

CMM has paid the Courts advertising costs and website costs for the group but will be reimbursed by CCGS in due course for its share of the costs. Unfortunately there were insufficient realisations in the other companies to settle these costs.

Creditors' right to request information

Any secured creditor or unsecured creditor (with the support of at least 5% in value of the unsecured creditors or with leave of the Court) may, in writing, request us to provide additional information regarding remuneration or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report, in accordance with Rule 18.9 of the Rules.

Creditors' right to challenge remuneration and/or expenses

Any secured creditor or unsecured creditor (with the support of at least 10% in value of the unsecured creditors or with leave of the Court) may apply to the Court for one or more orders (in accordance with Rule 18.34 of the Rules), reducing the amount or the basis of remuneration which we are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within eight weeks of receipt by the applicant(s) of the progress report detailing the remuneration and/or expenses being complained of, in accordance with Rule 18.34(3) of the Rules.

Please note that such challenges may not disturb remuneration or expenses approved or deemed to be approved under prior progress reports.
