Equipment, fixtures and fittings 25% on RBM

Other accounting policies

a) Stocks

Stock and work in progress is valued at the lower of cost and estimated net realisable value.

Cost of raw materials is determined on the first in first out basis. In the case of work in progress and finished goods, cost includes all direct expenditure and production overheads based on the normal level of activity. Net realisable value is the price at which the stock can be released in the normal course of business, less further costs to completion of sale.

b) Deferred taxation

Deferred tax is provided in respect of the tax effect of all timing differences that have originated but not reversed at the balance sheet date.

Deferred tax is measured on the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

c) Ultimate Controlling Party

Mr Murat Temir own %100 shares holding, therefore Mr Murat Temir is the ultimate controlling party.

d) Related Party Transactions
