Regus (Aberdeen Berry Street) Limited (Registered number: 07007145)

Report of the Directors

for the Year Ended 31 December 2013

The directors present their report with the financial statements of the company for the year ended 31 December 2013

DIVIDENDS

The total distribution of dividends for the year ended 31 December 2013 was £50,000 (year ended 31 December 2012 £nil)

FUTURE DEVELOPMENTS

The directors are cautiously optimistic about future financial performance. The company continues to benefit from being part of the Regus Group, and expects to continue to drive occupancy improvements through higher enquiries and conversion levels. Costs continue to be monitored closely and will be managed at a level which ensures they remain appropriate for forecast activity levels.

DIRECTORS

PDE Gibson and R Morris were appointed as directors after 31 December 2013 but prior to the date of this report.

N Benbow and N McIntyre ceased to be directors after 31 December 2013 but prior to the date of this report.

POLITICAL CONTRIBUTIONS

The company made no political contributions in either the year ended 31 December 2013 or the year ended 31 December 2012.

SMALL COMPANY EXEMPTION

In preparing the Directors' Report, the directors have taken the small companies exemption under section 419(2) of the Companies Act 2006 not to prepare a Strategic Report.

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

Regus (Aberdeen Berry Street) Limited (Registered number: 07007145)

Report of the Directors
for the Year Ended 31 December 2013

AUDITORS

Pursuant to Section 487 of the Companies Act 2006, the auditors will be deemed to be re-appointed and KPMG will therefore continue in office

Independent Auditors' Report to the Members of Regus (Aberdeen Berry Street) Limited

We have audited the financial statements of Regus (Aberdeen Berry Street) Limited for the year ended 31 December 2013 which comprise the Profit and Loss account, Balance Sheet and Notes to the Financial Statements. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Statement of Directors' Responsibilities set out on page two, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Directors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2013 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

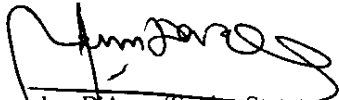

In our opinion the information given in the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements.

Independent Auditors' Report to the Members of Regus (Aberdeen Berry Street) Limited

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit, or
- the directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report

Notes to the Financial Statements
for the Year Ended 31 December 2013

1 ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared in accordance with the requirements of the Companies Act 2006 and comply with UK Generally Accepted Accounting Practice

Accounting convention

The financial statements have been prepared under the historical cost convention

Cash flow statement

In accordance with FRS 1, a cash flow statement has not been prepared on the grounds that the company is a wholly owned subsidiary undertaking of Regus plc and its cash flows are included within the consolidated cash flow statement of that company

Turnover

Turnover represents the value of services provided to third parties in the year and is exclusive of VAT and similar taxes

Centre income is invoiced two months in advance and is deferred until the month in which the services are provided

Income for other services supplied to clients is charged and recognised in the month in which the related services are provided

Services are deemed to have been delivered to customers when, and to the extent that, the company has met its obligations under its services contract

Tangible fixed assets and depreciation

Depreciation is provided on a straight line basis at rates calculated to write off the cost of fixed assets to estimated residual values over their estimated useful lives at the following rates

Furniture, telephone & office equipment	- 5 to 10 years
Other fixtures & fittings	- 10 years
Computers	- 3 years

Taxation

The charge for taxation is based on the profit or loss for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. Deferred tax is recognised, without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19

Leases

Building Leases

Building leases are all accounted for as operating leases because substantially all the risks and rewards of ownership remain with the lessor

Any incentives or rent free periods on conventional leases and the conventional element of leases, which are partly conventional and partly conditional on profitability, are spread on a straight line basis over the period to the date of the first market rent review or first break point in the lease, whichever is sooner, so that the amounts charged to the profit and loss account are the same each year over that period

Going concern

The company's principal activity is the provision of serviced offices and related services and future developments of the company are set out in the Report of the Directors on page 2. The directors believe the company's funding is likely to be sufficient to meet its day to day working capital requirements and that accordingly it is appropriate to prepare these financial statements on a going concern basis

Regus (Aberdeen Berry Street) Limited (Registered number: 07007145)

Notes to the Financial Statements - continued for the Year Ended 31 December 2013

1 ACCOUNTING POLICIES - continued

Related party transactions

As the company is a wholly owned subsidiary of Regus plc, the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group

Start-up costs

Start-up costs (including formation costs, costs related to finding property and any other centre opening costs) are charged to the profit and loss account as they are incurred

Refurbishment

The terms of most building leases require the company to make good dilapidation or other damage occurring during the rental period. Due to the nature of the business, centres are maintained to a high standard. Provisions for dilapidations are only made when the company considers that it is likely that the premises will be vacated by the company and it is known that a dilapidation has occurred.

The above accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

2 TURNOVER

All results are derived from the provision of serviced offices and related services in the United Kingdom

7 TAXATION

Analysis of the tax charge

No liability to UK corporation tax arose on ordinary activities for the year ended 31 December 2013 nor for the year ended 31 December 2012.

Factors affecting the tax charge

The tax assessed for the year is lower than the standard rate of corporation tax in the UK. The difference is explained below.

	2013	2012
	£'000	£'000
Profit on ordinary activities before tax	<u>405</u>	<u>135</u>
Profit on ordinary activities multiplied by the standard rate of corporation tax in the UK of 23.250% (2012 - 24.500%)	94	33
Effects of:		
Utilisation of tax losses	-	(6)
Group relief received not paid for	<u>(94)</u>	<u>(27)</u>
Current tax charge	<u>-</u>	<u>-</u>

The company has accelerated capital allowances of £20,000 (2012: £19,000) for which no deferred tax asset has been recognised, on the basis that there is uncertainty with regard to the timing of future taxable profits.

Factors that may affect future and total tax charges

Following the 2013 Budget Statement, the main rate of UK corporation tax was reduced from 24% directly to 23% with effect from 1 April 2013. Thereafter the main rate of UK corporation tax will continue to reduce to 21% from 1 April 2014 and to 20% from 1 April 2015. It is expected that this graduated fall in the main corporation tax rate will result in a reduction of the company's future current tax charge.
