NOTES TO THE FINANCIAL STATEMENTS
For The Year Ended 31 March 2020

1. STATUTORY INFORMATION

Dunsfold Services Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared in accordance with the provisions of Section 1A "Smaller Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover represents sales of consultancy services in the sale of aircraft spare parts together with the supply of aircraft spare parts, excluding value added tax, during the year.

Turnover is recognised as the right to consideration arises and adjustments are made for accrued and deferred income.

Tangible fixed assets

Tangible fixed assets are stated at cost or valuation less accumulated depreciation. Cost includes costs directly attributable to making the asset capable of operating as intended by management.

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 25% on cost

Financial instruments

The company enters into basic financial instruments, which result in the recognition of financial assets and liabilities. Financial instruments are recognised at amortised cost. At the end of each reporting period financial instruments are assessed for evidence of impairment, and changes are recognised in profit or loss.

Taxation

Taxation for the year comprises current tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current tax represents the amount of tax payable or receivable in respect of the taxable profit (or loss) for the current or past reporting periods.

Consideration is given to whether deferred tax should be provided in respect of material timing differences which have not reversed at the balance sheet date. Deferred tax assets are only recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or future taxable profits.

Current tax assets and liabilities are not discounted and are recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Foreign currencies

Transactions denominated in foreign currencies are translated into sterling and recorded at the rate of exchange ruling at the date of the transaction. Balances at the year-end denominated in a foreign currency are translated into sterling at the rate of exchange ruling at the balance sheet date.
