NOTES TO THE ABBREVIATED ACCOUNTS

YEAR ENDED 30TH APRIL 2015

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with applicable UK accounting standards.

The going concern basis has been used.

Of the company's liabilities £630 is owed to the directors and it has been agreed that repayment will not be demanded whilst such action would adversely affect the company's operations.

The director expects the major creditors, because of the nature of their relationship with the company, to continue with their support for at least twelve months from the date of approval of the financial statements.

If the going concern basis were not appropriate, adjustments would have to be made to reduce the value of the assets to their recoverable amount and to provide for any further liabilities that might arise.

Cash flow statement

The directors have taken advantage of the exemption in Financial Reporting Standard No 1 (Revised 1996) from including a cash flow statement in the financial statements on the grounds that the company is small.

2. SHARE CAPITAL
