**ORDINARY RESOLUTION 13**

“That pursuant to Article 6 of the Company’s articles of association and section 551 of the Act, the Board be authorised to allot shares or grant rights to subscribe for or to convert any securities into shares:

- a. up to a nominal amount of £1,367,400; and
- b. comprising equity securities (as defined in the Act) up to a nominal amount of £2,734,800 (such amount to be reduced by the aggregate nominal amount of any allotments or grants made under (a) above) in connection with an offer by way of a rights issue to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings and to people who are holders of other equity securities if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities, and so that the Board may impose any limits or restrictions and make any arrangements which it considers necessary or appropriate to deal with fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter.

Such authorities shall apply until the end of the AGM of the Company to be held in 2024 but, in each case, so that the Company may make offers and enter into agreements during the relevant period which would, or might, require shares to be allotted or rights to be granted after the authority ends and the Board may allot shares or grant rights under any such offer or agreement as if the authority had not ended. This resolution revokes and replaces all unexercised authorities previously granted to the Board to allot shares or grant rights for or to convert any securities into shares but without prejudice to any such allotment of shares or grant of rights already made, offered or agreed to be made pursuant to such authorities.”

- a) the allotment of equity securities in connection with a rights issue or any other offer to holders of ordinary shares in proportion (as nearly as practicable) to their respective holdings and to holders of other equity securities as required by the rights of those securities or as the Board otherwise consider necessary, but subject to such exclusions or other arrangements as the Board deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates, legal or practical problems in or under the laws of any territory or the requirements of any regulatory body or stock exchange; and
- b) the allotment (otherwise than pursuant to sub-paragraph (a) above) of equity securities or sale of treasury shares up to an aggregate nominal value of £205,110.

Such authority to expire at the end of the AGM of the Company to be held in 2024 but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.”

- a) limited to the allotment of equity securities or sale of treasury shares up to a nominal value of £205,110; and
