**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2013**

The trustees (who are also directors of the company for the purposes of company law) present their report together with the audited financial statements of Student Information Services Limited ("the Charity") for the year ended 31 March 2013. The comparatives present information from the year ended 31 March 2012. The trustees confirm that the report and financial statements of the Charity comply with the current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2005 (amended May 2008).

Structure, governance and management

a CONSTITUTION

The Charity is registered as a company limited by guarantee and established by Memorandum of Association on 19 November 2009.

The Charity is registered as a charity with the Charity Commission (charity number 1138593).

The principal object of the Charity is to provide information for the education and training of young people.

b METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES

The management of the Charity is the responsibility of the trustees who are elected and co-opted under the terms of the Articles of Association.

c. POLICIES ADOPTED FOR THE INDUCTION AND TRAINING OF TRUSTEES

As part of their training, trustees are given an information pack which includes the Charity's Memorandum and Articles of Association and Charity Commission guidance on Trustees' Responsibilities. All trustees are kept informed at meetings of their duties and obligations under the law in addition to their proper conduct.

The trustees are aware of their obligations to ensure new trustees are properly versed in their role. A similar induction process will be undertaken for new trustees as the Charity develops and will include providing the trustees with additional documentation such as recent annual reports, grant making policy and relevant minutes. The training of trustees will be kept under review.

d. ORGANISATIONAL STRUCTURE AND DECISION MAKING

The trustees meet regularly and decisions are made at trustees' meetings. The day to day administration of the Charity is managed by the trustees.

e RISK MANAGEMENT

A risk assessment has been undertaken which comprises

- An annual review of the risks the charity may face
- The establishment of systems and procedures to mitigate those risks, and
- The implementation of procedures designed to minimise any potential impact on the Charity should those risks materialise

This continuing process will identify risk areas to which the Charity is vulnerable and highlight any necessary safeguards that will need to be put in place. No major risks were identified at the date of these accounts.

Objectives and Activities

a POLICIES AND OBJECTIVES

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing Student Information Services Limited's aims and objectives and in planning future activities and providing help in the form of gifts or grants or any combination of these

b. STRATEGIES FOR ACHIEVING OBJECTIVES

i) Aims & Objectives

The principal objects of the Charity are to advance the education of the public, in particular (but not exclusively) young persons, with a view to improving their employment prospects and their conditions of life and enabling them to fulfil their potential. This will be done by the provision of information via the development, management and publicising of databases in relation to further education and careers

The primary activity during the year was the continued funding, development and delivery of the website bestCourse4me.com

The aim of bestCourse4me.com is to enable and encourage students from all backgrounds to get the best and most appropriate level of education for their needs and abilities. We believe that this will lead to significant benefits both for individuals and for society as a whole

ii) Significant activities for achieving objectives

The Charity has developed the website which provides information to students, and those who affect them, about the outcomes from education (currently higher education) so that they can see the benefits or possible disadvantages of subjects, institutions, courses and careers. By making this information available easily, this will support more equal access to higher education and therefore support social mobility

The Charity has set up a trading subsidiary, Statistical Information Projects Limited (formerly Student Information Projects Limited) to exploit the commercial opportunities arising from the charitable development of the website. During the year, Statistical Information Projects Limited completed a project for its first commercial client

c. ACTIVITIES FOR ACHIEVING OBJECTIVES

The trustees have a number of powers which are detailed in the Memorandum of Association and which may be exercised in promoting the objects

The Charity has obtained funding to support the development of the website which first went live in February 2010

During the year a programme of school talks was run in 100 secondary schools in deprived areas, in order to help students make good choices about higher education, which has reached over 10,000 students

The marketing of the bestCourse4me.com website to the primary target market has resulted in over 237,000 visits to the site since its launch and a 45% increase in site visits compared to the last financial year

The project team has continued to familiarise themselves with the education sector, building relationships and maximizing collaboration opportunities with potential stakeholders, in order to increase profile, raise awareness and further deliver on the Charity's objects

REPORT OF THE TRUSTEES (continued)
FOR THE YEAR ENDED 31 MARCH 2013

Achievements and performance

a. GOING CONCERN

After making appropriate enquiries, the trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

b. REVIEW OF ACTIVITIES

i) Incoming Resources

Incoming resources totalled £205,955 for the year to 31 March 2013 (2012 £300,100)

ii) Charitable activities

Charitable activities include direct charitable expenditure for the year of £178,547 (2012 £291,596)

Financial review

a RESERVES POLICY

During the year grants received by the Charity have exceeded those paid out or accrued by the trustees. It is anticipated that the excess will be invested in further development of the website in the next financial year.

The trustees have no outstanding commitments or cash demands which are not adequately covered by existing resources. All the Charity's reserves are regarded as free reserves. At this stage the trustees feel that it would be inappropriate to adopt a specific reserves policy. The trustees will keep this under constant review. In future years, a specific reserves policy may be required.

Plans for the future

The Charity's main objectives for the next financial year are

- To launch app versions of bestCourse4me
- To launch Version 3 of bestCourse4me
- To continue to market the site and increase visitor numbers
- To increase its commercial clients

Internal Controls

The trustees have overall responsibility for ensuring that the Charity has appropriate systems of internal controls. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements follow best practice. They are also responsible for the Charity safeguarding its assets and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The system of internal controls is designed to provide reasonable, but not absolute, assurance against material misstatement or loss.

TRUSTEES' RESPONSIBILITIES STATEMENT

The trustees (who are also directors of Student Information Services Limited for the purposes of company law) are responsible for preparing the Annual Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently,
- observe the methods and principles in the Charities SORP,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF STUDENT INFORMATION SERVICES LIMITED

We have audited the financial statements of Student Information Services Limited ("the Charity") for the year ended 31 March 2013 which comprise the Statement of Financial Activities, the Income and Expenditure Account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the Charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charity's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and its members, as a body, for our audit work, for this report, or for the opinion we have formed.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Charity's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the trustees, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Trustees and Financial Statements to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements

- give a true and fair view of the state of the Charity's affairs as at 31 March 2013 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.
