The principal activity of the Company was as the corporate member of Ingenious Fuller Partnership LLP ("the Partnership"). The directors are not aware of any likely major changes in the Company's activities in the next year.

The Group manages its operations on a divisional basis. For this reason, the Company's directors believe that key performance indicators for the Company are not necessary or appropriate for an understanding of its development, performance or position.

Going concern

The Company's business activities, together with factors likely to affect its future development, performance and position have been reviewed by the directors.

Having assessed these risks including those set out in the Directors' Report, its financial position, and profit and cash flow forecasts, the directors believe that the Company is well placed to manage its business risks successfully. Principal risk and uncertainties

The key business risks faced by the Company can be affected by a number of factors some of which may result from matters beyond the Company's control, such as conditions in the domestic and global financial markets and the wider economy. The financial risk and operational management policies are determined for the Group as a whole and are discussed in the Group's Report and Financial Statements.

Financial risk

The Company is exposed to financial risk through its financial assets and liabilities. The Company has an investment in the Partnership which it reviews on a regular basis. All other balances are predominantly amounts owed by or owing to companies within the Group or are connected to the investment in the Partnership.

Liquidity risk

The Group operates a group-wide treasury management strategy to manage the liquidity requirements of the Group as a whole (including the Company) which is discussed in the Group's Report and Financial Statements.

Report on the audit of the financial statements

Opinion

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 June 2017 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of Ingenious Fuller Partnership IM Limited (the "Company") which comprise:

- the Profit and Loss Account;
- the Balance Sheet;
- the Statement of Changes in Equity; and
- the related notes 1 to 15.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

1. Accounting policies

The principal accounting policies are summarised below. They have been applied consistently throughout the current and prior year.

1.1 General information and basis of preparation of financial instruments

The Company is incorporated in England and Wales under the Companies Act 2006.

The Company is a private company limited by shares and is registered in England and Wales. The address of the registered office is given on the Company Information page.

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 Section 1A, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 Section 1A, requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies.

The functional currency of the Company is considered to be pound sterling which is the currency of the primary economic environment in which the Company operates.

1.2 Going concern

The Company's business activities, together with factors likely to affect its future development, performance and position have been reviewed by the directors.

Having assessed these risks including those set out in the Directors' Report, its financial position, and profit and cash flow forecasts, the directors intend to continue operating its business successfully. Therefore, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly they continue to adopt the going concern basis in preparing the annual report and financial statements.

1.3 Turnover

Turnover represents the Company's entitlement to drawings from its investment in the Partnership and is recorded at the value of consideration due. Drawings are recognised on an accruals basis when the Company's right to consideration is secured in accordance with the terms of the Partnership's Members' Agreement.

1.4 Cost of sales

Cost of sales represents the impairment of investments.

1.5 Fixed asset investments

The investment in the Partnership is stated at cost less any permanent diminution in value.

1.6 Trade loans

Trade loans are recorded at the full extent of their legal liability at the date that the loan agreement was signed, less any repayments made.

INGENIOUS FULLER PARTNERSHIP IM LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

1. Accounting policies (continued)

1.7 Dividends

Equity dividends are recognised when they become legally payable. Interim equity dividends are recognised when paid. Final equity dividends are recognised when approved by the shareholders at an annual general meeting. Dividends on shares recognised as liabilities are recognised as expense in the Profit and Loss Account.

1.8 Taxation

Tax is recognised in the Profit and Loss Account, except that a change attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current corporation tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Company operates and generates income.

1.9 Disclosure exemptions

The Company is a qualifying entity under FRS 102 and it is taking advantage of some of the disclosure exemptions available to such entities in its financial statements. As such, the financial statements do not include a cash flow statement, a note on financial instruments and a reconciliation of number of shares outstanding. Further details can be found in note 15 about the name of the immediate parent company of the Company and details of where the consolidated financial statements of that parent can be obtained.

INGENIOUS FULLER PARTNERSHIP IM LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017

2. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical accounting judgements in applying the accounting policies

The following are the critical judgements that the directors have made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements:

Impairment of investments

Assets, other than those measured at fair value, are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss as described below.

Financial assets

For financial assets carried at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

Where indicators exist for a decrease in impairment loss, and the decrease can be related objectively to an event occurring after the impairment was recognised, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired financial asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.
