## Strategic report

The Directors present their strategic report for the year ended 31 March 2020.

### Principal activity

Teddington 2 Limited ("the Company") principal activity during the year is that of a holding company. The Company expects to continue to operate on the same basis for the foreseeable future. The main trading entity of that wider group is LGC Science Group Holdings Limited ("the Group" or "LGC"), a company incorporated in England.

LGC is a global leader in the life science tools sector, serving customers in human healthcare, applied markets (including food, agbio and the environment), research and government. LGC provide a comprehensive range of reference materials, proficiency testing schemes, oligonucleotides, genomics reagents and instrumentation based upon our foundation of research and measurement capabilities. Our scientific tools and solutions form an essential part of our customers' quality and compliance procedures as well as enable them to provide safer products, develop new solutions and advance research.

The Group operates via the Standards and Genomics divisions, underpinned by our Health, Science & Innovation (HS&I) team and our corporate functions.

Each division provides mission critical solutions in life sciences tools and technology across growing end markets. The business model includes research and development, manufacturing, marketing, sales and customer support of a range of specialist products underpinned by our science capabilities.

The Standards division provides a comprehensive product range of Measurement Tools, Proficiency Testing schemes and Supply Chain Assurance tools.

The Genomics division provides a comprehensive product range of Oligonucleotides, PCR (Polymerase Chain Reaction) reagents and instrumentation and NGS (Next Generation Sequencing) tools.

Our HS&I team runs a number of national, scientific laboratories on behalf of the British Government along with leading analytical and measurement capabilities for pharma customers in the development of nucleic acid therapeutics and small and large molecule drugs.

The business addresses markets which are underpinned by sustainable growth drivers such as population demographics, rise of the middle class, increased regulatory activity and a continuing demand for a high quality of life.

Science for a safer world is our core purpose. Our strategy is to build sustainable leading positions in attractive niche segments requiring specialist scientific expertise, across the life science tools sector, including clinical and molecular diagnostic, pharma & biotech and applied markets (food & environment, agri-genomics, industrial and metals). In doing so we will leverage our position as a global leader in life science tools and technology, our world-class measurement science capabilities, and our highly differentiated and complete portfolio of products and technologies and our proven capability in delivering organic and inorganic growth.

A full review of the business of which Teddington 2 Limited forms a part and future developments are disclosed in the financial statements of LGC Science Group Holdings Limited, which are available to the public and may be obtained from LGC, Queens Road, Teddington, Middlesex, TW11 0LY.

### Ownership

LGC's ultimate controlling party is KKR & Co. L.P. ("KKR"), an entity incorporated in the United States of America. KKR acquired their controlling interest through various subsidiary entities including KKR Blue Co-Invest L.P. and KKR European Fund IV L.P.

On 21 April 2020, after the financial year end, KKR agreed to sell the Group to a consortium led by Astorg and Cinven. Founded in 1998, Astorg is an independent private equity group with offices throughout Europe. Founded in 1977, Cinven is a global private equity firm, with offices in nine international locations. Financial terms of the transaction were not disclosed. The sale was completed on 21 April 2020.

# Teddington 2 Limited

## Strategic report (continued)

### Review of the business and future developments

The income statement is set out on page 6, and shows the profit for the financial year of £258,000 (2019: profit of £284,000).

No key performance indicators are monitored by the Directors as Teddington 2 Limited is a holding company.

### Principal risks and uncertainties

The review of other principal risks and uncertainties contains certain forward-looking statements. These statements have been made by the Directors in good faith based on the information available to them at the time of their approval of this report. They should be treated with caution due to the inherent uncertainties arising because they relate to circumstances that may or may not occur in the future. The principal risks facing the Company are grouped broadly into competitive and financial instrument risks.

### Financial instruments

#### *Financial risk management*

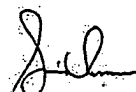

The Company's operations expose it to a variety of financial risks that include the effects of changes in price risk, credit risk, liquidity risk, interest rate cash flow risk and foreign exchange risk. The Company's main UK trading parent, LGC Science Group Holdings Limited, has in place a group-wide risk management programme that seeks to limit the adverse effects on the financial performance of the Company. Details are set out in the financial statements of LGC Science Group Holdings Limited.

#### *Liquidity risk*

Liquidity is managed by the main UK trading parent, LGC Science Group Holdings Limited. The wider Group actively maintains a mixture of long-term and short-term debt finance and cash deposits that are designed to ensure the Group has sufficient available funds for operations, expansion and planned acquisitions. From 8 March 2016, there are no liquidity covenants associated with the Company's banking facilities.

#### *Foreign exchange risk*

The Company's operations expose it to a variety of financial risks that include the effects of changes in price risk, credit risk, liquidity risk, interest rate cash flow risk and foreign exchange risk. The Company's main UK trading parent, LGC Science Group Holdings Limited, has in place a group-wide risk management programme that seeks to limit the adverse effects on the financial performance of the Company. Details are set out in the financial statements of LGC Science Group Holdings Limited.

**Simon Parsons**  
Director  
29 March 2021

# Teddington 2 Limited

## Directors' report

The Directors present their report and financial statements for the year ended 31 March 2020.

### Directors

The Directors who served the Company during the year were as follows:

Timothy Robinson

Simon Parsons

Key person and Directors and Officers insurance is maintained for all Directors.

### Dividends

The Directors do not recommend an interim dividend or final dividend (2019: £nil).

### Going concern

The financial statements have been prepared on the going concern basis.

In considering the appropriateness of the going concern assumption, the Directors have had regard to:

- financial support from LGC Science Group Holdings Limited (the ultimate UK trading parent company);
- future projections for the Company and the Group; and
- financing arrangements in place.

The Group has loan facilities to provide adequate financing to support the Company's operations and the covenants set out in the Group's facilities are forecast to continue to be satisfied.

Whilst acknowledging the inherent risk in any plan, the Directors are concluding that, having considered the factors set out above, it is appropriate to prepare the financial statements on a going concern basis.

### Financial instruments

Details of financial instruments are provided in the strategic report on page 3.

By order of the Board

**Simon Parsons**

Director

29 March 2021

# Teddington 2 Limited

## Directors' responsibilities statement

The Directors are responsible for preparing the Strategic report, the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 'Reduced Disclosure Framework' ('FRS 101'). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether FRS 101 has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Notes to the financial statements

at 31 March 2020

### 1. Corporate information

These financial statements were authorised for issue by the Board on 29 March 2021. The Company is a private company limited by share capital incorporated in England and Wales and domiciled in the United Kingdom.

The address of its registered office is:

LGC  
Queens Road  
Teddington  
Middlesex  
TW11 0LY

### 2. Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### Basis of preparation

The Company's financial statements,

- have been prepared under the historical cost convention and in accordance with FRS 101 and the Companies Act 2006;
- do not comply with all of the requirements of EU-adopted IFRS and therefore do not contain the unreserved statement of compliance set out in paragraph 3 of IFRS 1 First Time Adoption of International Financial Reporting Standards and paragraph 16 of IAS 1 Presentation of Financial Statements;
- are presented in pounds sterling and all values are rounded to the nearest thousand pounds (£000), except where indicated otherwise;

The Company has taken advantage of the following disclosure exemptions under FRS 101:-

- the requirements of IFRS 7 Financial Instruments Disclosures;
- the requirements of paragraphs 91-99 of IFRS 13 Fair Value Measurements;
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
  - (i) paragraph 79(a)(iv) of IAS 1;
  - (ii) paragraph 73(e) of IAS 16 Property, Plant and Equipment;
- the requirements of paragraphs 10(d), 10(f), 39(c) and 134-136 of IAS 1 Presentation of Financial Statements;
- the requirements of IAS 7 Statement of Cash Flows;
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors;
- the requirements of paragraph 17 of IAS 24 Related Party Disclosures; and
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member.

# Teddington 2 Limited

## Notes to the financial statements

at 31 March 2020

### 2. Accounting policies (continued)

#### Exemption from preparing group accounts

The financial statements contain information about Teddington 2 Limited as an individual Company and do not contain consolidated financial information as the parent of a group.

The Company is exempt under section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included by full consolidation in the consolidated financial statements of LGC Science Group Holdings Limited, a company incorporated in England and Wales.

#### Going Concern

The financial statements have been prepared on a going concern basis as per the Directors' report.

In considering the appropriateness of the going concern assumption, the Directors have had regard to:

- financial support from LGC Science Group Holdings Limited (the ultimate UK trading parent company);
- future projections for the Company and the Group; and
- financing arrangements in place.

The Group has loan facilities to provide adequate financing to support the Company's operations and the covenants set out in the Group's bank facilities are, and are forecast to continue to be, satisfied.

Whilst acknowledging the inherent risk in any plan, the Directors are concluding that, having considered the factors set out above, it is appropriate to prepare the financial statements on a going concern basis.

#### Foreign currencies

Transactions in foreign currencies are initially recorded at the functional currency rate prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated into the respective functional currency of the entity at the rates prevailing on the reporting period date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the initial transaction dates. All differences arising on settlement or translation of monetary items are taken to the Income statement. Tax charges and credits attributable to exchange differences on those monetary items are also recorded in the Income statement.

Non-monetary items measured in terms of historical cost in a foreign currency are not retranslated.

#### Current and deferred income tax

Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income or directly to equity.

Current tax is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates taxable income.

Deferred tax is provided on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements and on unused tax losses or tax credits in the Company. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

# Teddington 2 Limited

## Notes to the financial statements

at 31 March 2020

### 2. Accounting policies (continued)

#### Fixed asset investments

Fixed asset investments are stated at cost. The carrying values of fixed asset investments are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

In the event of reconstructions within the Group, where the trade and net assets of subsidiary undertakings may be transferred elsewhere within the Group, consideration is given to whether such reconstruction results in a loss to the Company when considering whether an impairment has occurred.

#### Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

### 3. Operating profit

The profit for the year is entirely from continuing operations.

### 4. Staff costs and Directors remuneration

The Directors of the Company are also Directors of the holding company and fellow subsidiaries. The Directors received total remuneration for the year of £1,285,000 (2019: £1,185,000), which was paid by LGC (Holdings) Limited. The Directors do not believe that it is practical to apportion this amount between their services as Directors of the Company and services as Directors of the holding and fellow subsidiary companies.

Other than the Directors, the Company had no employees and therefore incurred no staff costs during the year.

# Teddington 2 Limited

## Notes to the financial statements

at 31 March 2020

### 5. Taxation

Tax charged in the income statement:

#### (a) Analysis of charge in year:

	2020 £000	2019 £000
Current tax		
UK tax charge for the year	-	-
<b>Total tax charge for the year</b>	<b>-</b>	<b>-</b>

#### b) Factors affecting tax charge for the year:

The tax on profit before tax for the year is lower than the standard rate of corporation tax in the UK of 19% (2019: 19%). The differences are reconciled below:

	2020 £000	2019 £000
Profit on ordinary activities before taxation	258	284
Corporation tax at standard rate of 19%	49	54
Effects of:		
Group relief received for nil payment	(49)	(54)
<b>Total tax for the year</b>	<b>-</b>	<b>-</b>

#### (c) Factors that may affect future tax charges

The Finance (No.2) Act 2015 reduced the main rate of UK corporation tax to 19%, effective from 1 April 2017. A further reduction in the UK corporation tax rate to 17% was expected to come into effect from 1 April 2020 (as enacted by Finance Act 2016 on 15 September 2016). However, legislation introduced in the Finance Act 2020 (enacted on 22 July 2020) repealed the reduction of the corporation tax, thereby maintaining the current rate of 19%. Deferred taxes on the balance sheet have been measured at 19% (2019 – 19%) which represents the future corporation tax rate that was enacted at the balance sheet date.

The UK Budget 2021 announcements on 3 March 2021 included measures to support economic recovery as a result of the ongoing COVID-19 pandemic. These included an increase to the UK's main corporation tax rate to 25%, which is due to be effective from 1 April 2023. These changes were not substantively enacted at the balance sheet date and hence have not been reflected in the measurement of deferred tax balances at the period end. It is not anticipated that these changes will have a material impact on the company's deferred tax balances.
