Strategic report

The Directors present their Strategic report for the year ended 31 March 2021.

Principal activity

The principal activity of Teddington 2 Limited ("the Company") during the period was that of an investment holding company. The Company is a member of a wider international life sciences group, with the main holding company of that wider group being LGC Science Group Holdings Limited ("the Group" or "LGC"), a company incorporated in England.

LGC is a leading global life science tools company providing mission-critical components and solutions into high-growth application areas across the human healthcare and applied market segments. The Group's high quality product portfolio is comprised of mission-critical tools for genomic analysis and for quality assurance applications, which are typically embedded and recurring within its customers' products and workflows and are valued for their performance, quality and range. These tools play a key role in customer workflows from discovery applications through to commercial manufacture and enable customers to: bring new diagnostics and therapies to market; progress research and development; optimise food production; and continuously monitor and enhance the quality of food, the environment and consumer products. The Group's 175+ years of scientific heritage combined with a track record of innovation and value enhancing acquisitions has enabled it to build the Group's product portfolio and expertise, and develop deep relationships with customers, industry partners and the global scientific community. The Group is committed to delivering on its core purpose of "Science for a Safer World."

A full review of the LGC business including future developments is disclosed in the financial statements of LGC Science Group Holdings Limited, a parent company of the Company, which are available to the public and may be obtained from LGC, Queens Road, Teddington, Middlesex, TW11 0LY.

Ownership

The Company's immediate parent company is LGC Science Group Limited. The smallest group of undertakings for which group accounts are drawn up and of which the Company is a member is LGC Science Group Holdings Limited, which are available to the public and may be obtained from LGC, Queens Road, Teddington, Middlesex, TW11 0LY. The largest group of undertakings for which group accounts are drawn up and of which the Company is a member is LGC Science Corporation S.à r.l., which are available to the public and may be obtained from LGC, Queens Road, Teddington, Middlesex, TW11 0LY.

LGC Science Corporation S.à r.l. was established through investment funds managed by Astorg Asset Management S.à r.l., an independent private equity group ("Astorg"), and investment funds managed by Cinven (the "Seventh Cinven Fund"). Subsequently, each of Astorg and the Seventh Cinven Fund sold part of their interests in LGC Science Corporation S.à r.l. to Luxinva S.A., a wholly owned subsidiary of the Abu Dhabi Investment Authority ("ADIA").

Astorg VII (GP) S.à r.l. is the General Partner of Astorg VII SLP and Astorg VII Co-Invest LGC SLP (the "Partnerships"). Astorg Asset Management S.à r.l. is the alternative investment fund manager and manager of the Partnerships. The Partnerships through their interest in Loire TF S.à r.l., are the ultimate shareholders of 38.8% of LGC Science Corporation S.à r.l.

Cinven Capital Management (VII) General Partner Limited is the Managing General Partner of Cinven Capital Management (VII) Limited Partnership Incorporated, who in turn is the Managing General Partner of the Seventh Cinven Fund. The Seventh Cinven Fund through its interest in Cinloire Luxembourg S.à r.l. is the ultimate shareholder of 38.8% of LGC Science Corporation S.à r.l.

Silver Holdings S.A., a direct subsidiary of the Abu Dhabi Investment Authority (an independent public investment institution owned by the Emirate of Abu Dhabi), is the sole shareholder of Luxinva S.A. Luxinva S.A. owns 19.4% of LGC Science Corporation S.à r.l.

Review of business performance and future developments

The income statement is set out on page 6 and shows the result for the financial year of £nil (2020: profit of £258,000). No key performance indicators are monitored by the Directors as Teddington 2 Limited is a holding company. The Company expects to continue to operate on this basis for the foreseeable future.

Strategic report (continued)

Principal risks and uncertainties

The review of other principal risks and uncertainties contains certain forward-looking statements. These statements have been made by the Directors in good faith based on the information available to them at the time of their approval of this report. They should be treated with caution due to the inherent uncertainties arising because they relate to circumstances that may or may not occur in the future.

Financial instruments risk

Financial risk management

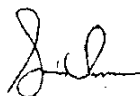

The Company's operations expose it to a variety of financial risks that include the effects of changes in credit risk, liquidity risk, interest rate cash flow risk and foreign exchange risk. LGC Science Group Holdings Limited, a parent company of the Company, has in place a group-wide risk management programme that seeks to limit the adverse effects on the financial performance of the Company. Details are set out in the financial statements of LGC Science Group Holdings Limited.

Liquidity risk

Liquidity is managed by LGC Science Group Holdings Limited, a parent company of the Company. The wider Group actively maintains a mixture of long-term and short-term debt finance and cash deposits that are designed to ensure the Group has sufficient available funds for operations, expansion and planned acquisitions.

Foreign exchange risk

The Company is exposed to cash flow risk as a result of assets and liabilities denominated in foreign currency. This risk is partially mitigated by internally generated cash flows in a similar mix of currencies. Net risk of exposure to operations in foreign currencies is managed by the purchase of forward foreign exchange contracts.

Directors' responsibilities statement

The Directors are responsible for preparing the Strategic report, the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 'Reduced Disclosure Framework' ('FRS 101'). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether FRS 101 has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the financial statements

1. Corporate information

These financial statements were authorised for issue by the Board on 16 December 2021. The Company is a private company limited by share capital incorporated in England and Wales and domiciled in the United Kingdom. The address of its registered office is:

LGC
Queens Road
Teddington
Middlesex
TW11 0LY

2. Accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

The Company's financial statements,

- have been prepared under the historical cost convention and in accordance with FRS 101 and the Companies Act 2006;
- do not comply with all of the requirements of UK-adopted IFRS and therefore do not contain the unreserved statement of compliance set out in paragraph 3 of IFRS 1 First Time Adoption of International Financial Reporting Standards and paragraph 16 of IAS 1 Presentation of Financial Statements; and
- are presented in pounds sterling and all values are rounded to the nearest thousand pounds (£000), except where indicated otherwise.

The Company has taken advantage of the following disclosure exemptions under FRS 101:

- the requirements of IFRS 7 Financial Instruments Disclosures;
- the requirements of paragraphs 91-99 of IFRS 13 Fair Value Measurements;
- the requirement in paragraph 38 of IAS 1 'Presentation of Financial Statements' to present comparative information in respect of:
 - (i) paragraph 79(a)(iv) of IAS 1;
 - (ii) paragraph 73(e) of IAS 16 Property, Plant and Equipment;
- the requirements of paragraphs 10(d), 10(f), 39(c) and 134-136 of IAS 1 Presentation of Financial Statements;
- the requirements of IAS 7 Statement of Cash Flows;
- the requirements of paragraphs 30 and 31 of IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors;
- the requirements of paragraph 17 of IAS 24 Related Party Disclosures; and
- the requirements in IAS 24 Related Party Disclosures to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary which is a party to the transaction is wholly owned by such a member.

Exemption from preparing group accounts

The financial statements contain information about Teddington 2 Limited as an individual Company and do not contain consolidated financial information as the parent of a group.

The Company is exempt under section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included by full consolidation in the consolidated financial statements of LGC Science Group Holdings Limited, a company incorporated in England and Wales.

Beddington 2 Limited

Notes to the financial statements (continued)

2. Accounting policies (continued)

Going concern

These financial statements have been prepared on a going concern basis, having regard to future projections for the Company, the parent company guarantee provided by LGC Science Group Holdings Limited, and that company's financing arrangements in place as of 31 March 2021.

Whilst acknowledging the inherent risk in any plan, the Directors have a reasonable expectation that the Company has adequate resources to continue in operation for the foreseeable future and at least one year from the date of approval of the financial statements.

Foreign currencies

Transactions in foreign currencies are initially recorded at the functional currency rate prevailing at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated into the respective functional currency of the entity at the rates prevailing on the reporting period date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the initial transaction dates. All differences arising on settlement or translation of monetary items are taken to the Income statement. Tax charges and credits attributable to exchange differences on those monetary items are also recorded in the Income statement.

Non-monetary items measured in terms of historical cost in a foreign currency are not retranslated.

Current and deferred income tax

Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income or directly to equity.

Current tax is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates taxable income.

Deferred tax is provided on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements and on unused tax losses or tax credits in the Company. Deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

Fixed asset investments

Fixed asset investments are stated at cost. The carrying values of fixed asset investments are reviewed for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable.

In the event of reconstructions within the Group, where the trade and net assets of subsidiary undertakings may be transferred elsewhere within the Group, consideration is given to whether such reconstruction results in a loss to the Company when considering whether an impairment has occurred.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

3. New and amended standards and interpretations

Several amendments and interpretations apply for the first time in 2021 and, as described below, do not have an impact on the financial statements of the Company.

Amendments to IFRS 3 'Business Combinations': Definition of a Business

In October 2018, the IASB issued amendments to the definition of a business in IFRS 3 'Business Combinations' to help entities determine whether an acquired set of activities and assets is a business or not. They clarify the minimum requirements for a business, remove the assessment of whether market participants are capable of replacing any missing elements, add guidance to help entities assess whether an acquired process is substantive, narrow the definitions of a business and of outputs, and introduce an optional fair value concentration test. New illustrative examples were provided along with the amendments. The amendment is applicable for business combinations for which the acquisition date is on or after the first annual reporting period beginning on or after 1 January 2020. The Company adopted the amendments to IFRS 3 with the date of initial application of 1 April 2020. These amendments had no impact on the financial statements of the Company, but may impact future periods should the Company enter into any business combinations.

Amendments to IAS 1 'Presentation of Financial Statements' and IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors': Definition of Material

In October 2018, the IASB issued amendments to IAS 1 'Presentation of Financial Statements' and IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' to align the definition of 'material' across the standards and to clarify certain aspects of the definition. The new definition states that, 'Information is material if omitting, misstating or obscuring it could reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements, which provide financial information about a specific reporting entity.' The amendments are applicable for annual reporting periods beginning on or after 1 January 2020. The Company adopted these amendments with the date of initial application of 1 April 2020. These amendments had no impact on the financial statements of, nor is there expected to be any future impact to the Company.

Amendments to IFRS 9 'Financial Instruments', IAS 39 'Financial Instruments: Recognition and Measurement', and IFRS 7 'Financial Instruments: Disclosures': Interest Rate Benchmark Reform

In September 2019, the IASB issued amendments to a number of standards to clarify that entities need to continue to apply certain hedge accounting requirements assuming that the interest rate benchmark on which the hedged cash flows from the hedging instrument will not be altered as a result of interest rate benchmark reform. The amendment is applicable for annual reporting periods beginning on or after 1 January 2020. The Company adopted these amendments with the date of initial application of 1 April 2020. These amendments had no material impact on the financial statements of the Company. Conceptual Framework for Financial Reporting issued on 29 March 2018. The Conceptual Framework is not a standard, and none of the concepts contained therein override the concepts or requirements in any standard. The purpose of the Conceptual Framework is to assist the IASB in developing standards, to help preparers develop consistent accounting policies where there is no applicable standard in place and to assist all parties to understand and interpret the standards. This will affect those entities which developed their accounting policies based on the Conceptual Framework. The revised Conceptual Framework includes some new concepts, updated definitions and recognition criteria for assets and liabilities and clarifies some important concepts. The amendment is applicable for annual reporting periods beginning on or after 1 January 2020. The Company adopted these amendments with the date of initial application of 1 April 2020. These amendments had no impact on the financial statements of the Company.

4. Directors' remuneration and staff costs

The Directors of the Company are also Directors of the holding company and fellow subsidiaries. The Directors received total remuneration for the year of £1,403,000 (2020: £1,285,000), which was paid by fellow subsidiary companies and includes contributions of £1,500 (2020: £1,900) to a defined contribution pension scheme on behalf the Directors. The Directors do not believe that it is practical to apportion this amount between their services as Directors of the Company and services as Directors of the fellow subsidiary companies of the Group.

The highest paid director received £790,000 which included £1,000 of contributions to a pension scheme.

Other than the Directors, the Company had no employees and therefore incurred no staff costs during the year.

5. Taxation

(a) Analysis of tax in year:

	2021 £000	2020 £000
Current tax		
UK tax for the year	-	-
Total tax for the year	-	-

(b) Factors affecting tax for the year:

The reconciliation of the profit before tax for the year at the standard rate UK corporation tax rate of 19% (2020: 19%) to the tax for the year is set out below:

	2021 £000	2020 £000
Profit from ordinary activities before taxation	-	258
Expected corporation tax charge at standard rate of 19%	-	49
Effects of:		
Group relief received for nil payment	-	(49)
Total tax for the year	-	-

(c) Factors that may affect future tax charges

At the Spring Budget 2020, the UK Government announced measures to set the corporation tax main rate at 19% for the financial year beginning 1 April 2020. At the time, this maintained the rate at 19%, rather than reducing it to 17% from 1 April 2020 as had been previously announced. The impact of this announcement was recorded within the prior year.

Furthermore at the Spring Budget 2021, the UK Government announced that from 1 April 2023 the corporation tax rate will increase to 25%. As the proposal to increase the rate to 25% had not been substantively enacted at the balance sheet date, its effects are not included in these financial statements. However, had it been substantively enacted by the balance sheet date, it would not have had an impact on the entity's deferred tax.
