STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE ANNUAL REPORT AND THE FINANCIAL STATEMENTS

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

DISCLOSURE OF INFORMATION TO AUDITORS

In the case of each director in office at the date the directors' report is approved, the following applies

- (a) so far as the director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- (b) he has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

GOING CONCERN

The directors believe that preparing the accounts on the going concern basis is appropriate due to the continued financial support of the ultimate parent company Development Securities PLC. The directors have received confirmation that for the foreseeable future, Development Securities PLC intends to support the company such that it can meet its liabilities as they fall due.

INDEPENDENT AUDITORS

The auditors, PricewaterhouseCoopers LLP, were appointed during the period and have indicated their willingness to continue in office and a resolution concerning their re-appointment will be proposed at the annual general meeting.

1 ACCOUNTING POLICIES

Basis of accounting

These financial statements are prepared in accordance with the Companies Act 2006, and in accordance with applicable United Kingdom law and accounting standards and under the historical cost convention

Going concern

The directors believe that preparing the accounts on the going concern basis is appropriate due to the continued financial support of the ultimate parent company Development Securities PLC. The directors have received confirmation that for the foreseeable future, Development Securities PLC intends to support the company such that it can meet its liabilities as they fall due.

Cash flow statement and related party disclosures

The company is a wholly-owned subsidiary of Development Securities PLC and is included in the consolidated financial statements of Development Securities PLC, which are publicly available. Consequently, the company has taken advantage of the exemption from preparing a cash flow statement under the terms of Financial Reporting Standard number 1 "Cash flow statements" (revised 1996). The company is also exempt under the terms of Financial Reporting Standard number 8 "Related party disclosures" from disclosing related party transactions with entities that are part of the Development Securities PLC group.

Work in progress

Work in progress is carried as inventory and stated at the lower of cost and estimated net realisable value. Cost also includes directly attributable expenditure. No element of overhead is included in cost, since it is not practical to identify overhead amounts in respect of particular assets. Where directors consider that the costs are not recoverable from the proposed scheme, the project or site is written down to its net realisable value, with the write-down taken to the profit and loss account. Net realisable value is calculated as the estimated realisable value of the project or site, based upon our current plans, less all further costs to be incurred in making the sale.

2 OPERATING LOSS

None of the directors received any emoluments from the company during the period for their services as directors. Directors are remunerated by Development Securities PLC.

Auditors' remuneration of £2,500 for the current financial period has been borne by Development Securities PLC, the ultimate parent company.

The company did not have any employees during the period.
