Please indicate how it is proposed that the company's activities will benefit the community, or a section of the community. Please provide as much detail as possible to enable the CIC Regulator to make an informed decision about whether your proposed company is eligible to become a community interest company. Activities (Tell us here what the company is being set up to do)	How will the activity benefit the community? (The community will benefit by)
Promote a culture of solutions focus and appreciative inquiry in communities of all descriptions	becoming consistently constructive and focussed on root causes to bring about lasting change With increased curiosity, and improved facilitation skills, people will be more creative in working together and better able to manage different perspectives
Highlight the best of 'What Works' and promote the exchange of great skills, experiences and solutions between communities	Feeding a culture of mutual support and information sharing which emphasises the constructive focus above
