REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The aims of the charity remain to develop, over the next five years, a high quality, financially sustainable science and ideas (where science represents the pursuit of knowledge and includes the social sciences) festival with a non-exclusive focus on the Oxford region, aiming to have national and international appeal. Our objectives are the following:

- Deliver a varied programme of high quality, enjoyable science events which:
- Attract a large, diverse audience, gaining consistently positive feedback
- To explore art, culture and performance and how these interact with science in order to widen the appeal of the festival and engage with an audience who would not normally consider attending a science and ideas festival
- Showcase the wide range of science, technology and Innovation taking place in the region, ensuring this is covered with scientific credibility and rigor
- Raise awareness, engage and excite people, supporting a life-long interest in science
- To take the festival to communities who would not naturally engage in a science and ideas festival, for example in South East Oxford.

Develop a clear, distinctive identity and image for the festival(s) that will:

- Attract high profile and credible STEM speakers and events
- Encourage visitors to Oxford
- Build a national and international profile
- Gain mainstream and local media recognition

Build a financially sustainable organisation, that for the forthcoming festival years:

- Includes a broader cohort of companies and organisations willing to financially support the festival and lessen the reliance on the small number of key funders
- Generates an annual surplus by establishing strong and predictable revenue streams sufficient to support the sustainable delivery of a substantial annual festival
- Has sufficient reserves to defray financial risks
- Has robust cost control, financial governance and oversight.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

2021 was the second successive challenging year the festival faced, primarily due to the ongoing Covid-19 Pandemic and the impact on participation and funding. The board made a strategic decision to deliver a hybrid festival in 2021, with 67 in-person events, albeit with limited capacity and social distancing, in addition to 36 digital events. 143 teams took part in IF, representing their university or college, companies, charities, communities and individuals. We wish to acknowledge the support provided by all of the participants in IF-2021, without whom we could not have delivered a month-long programme of events.

Approximately, 35,000 people engaged with the festivals 100+ events during October 2021, with 27% visiting the festival for the first time. In exit surveys over 90% of visitors rated the event they attended as good (a score of 6+ / 10) and 80% as great (8+ / 10). The festival audience covered a broad age range and the hands-on activities at Blast, Science at the Shops and Explorazone brought in a family audience. Over 65% of attendees came from Oxfordshire and approximately 30% from other regions of the UK. Our social media campaign reached an impressive 1.4 million people.

FINANCIAL REVIEW

Financial position

The year presented a number of significant financial challenges and we acknowledge the financial support received from a number of bodies, including companies, universities and organisations, without whom the programme could not have been delivered. Despite this support, increased costs, restricted numbers due to social distancing and a reduction in grant income resulted in a financial loss of £50,979. This loss was partly a consequence of expenditure in 2021/22 of funds accumulated in 2020/21. Despite this loss, the festival has sufficient cash reserves to deliver IF-2022 and aim to return to profit in order to plan a festival in 2023. The priority for the festival is to encourage more companies and organisations to engage with IF and offer financial support through participation fees, sponsorship and donations.

FUTURE PLANS

In 2022 our focus will be on increasing income to build financial sustainability. Our overarching objective remains to build a major independent science and ideas festival in the region of Oxford, encouraging participation from the region's science and innovation ecosystem. We aim to work with the creative arts sector to encourage their participation in the festival, with the aim of attracting a broader audience. We also propose to continue to take events to local communities who would not usually engage with a science and ideas festival. This objective remains a key driver for a significant number of our funders.

We have had feedback from a number of organisations, particularly in the USA, who do not support festivals and therefore the board has made a strategic decision to change the legal name of the charity to "IF Oxford Limited", which better represents the broad range of events and subject matters covered.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Decision making

Our charity is governed by a board of trustees all of whom hold, or have held, significant roles in science, education, communications or business. Most of the trustees come from key partnering institutions, in local research organisations and companies. The 2021 Festival was supported by a number of supporters, participants and donors, who were acknowledged in the festival programme and, Outputs and Impacts Report.

Our board of trustees will continue to work towards the improvement of our governance and support the growth of operational capacity, and will continuously review our structure, procedures and management to meet this aim. In addition, we wish to increase the diversity and age profile of the board in order to better represent society and ensure we are able to engage with all communities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF IF OXFORD LTD.

Independent examiner's report to the trustees of if Oxford Ltd. ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

 accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act: or

2. the accounts do not accord with those records; or

- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than
 any requirement that the accounts give a true and fair view which is not a matter considered as part of
 an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement
 of Recommended Practice for accounting and reporting by charities (applicable to charities preparing
 their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic
 of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES

BASIS OF PREPARING THE FINANCIAL STATEMENTS

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

INCOME

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

EXPENDITURE

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

TANGIBLE FIXED ASSETS

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Computer equipment - 33% on cost

TAXATION

The charity is exempt from corporation tax on its charitable activities.

FUND ACCOUNTING

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements

PENSION COSTS AND OTHER POST-RETIREMENT BENEFITS

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
