**Notes to the abbreviated accounts**

For the year ending 31 March 2012

**1 Accounting policies**

The financial statements are prepared under the historical cost convention. The financial statements are prepared on the basis of going concern, which assumes that the company will be in operational existence for a foreseeable future. This depends upon the continued support of the shareholders and creditors. The financial statements do not include any adjustments that would result if such support is withdrawn.

**Turnover**

Turnover represents commission receivable from the agency.

**2 Exchange rates**

Monetary assets and liabilities denominated in foreign currencies are translated into USD at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

**2 Compliance with accounting standards**

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

**3 Deferred taxation**

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.

**4 Share capital**
