NOTES TO THE ABBREVIATED ACCOUNTS **FOR THE YEAR ENDED 31st MARCH 2012**

1) Accounting Policies

The principal accounting policies are

a) Basis of preparation of accounts

The financial statements are prepared under the historical cost convention and include the results of the company's operations which are described in the director's report all of which are continuing

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company

b) Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off their cost less residual value over their estimated useful lives as follows

Freehold building	2% straight line basis
Plant, fixtures and fittings	25% reducing balance basis

c) Turnover

Turnover represents the amounts receivable (excluding value added tax) for sales made by the company. All turnover is generated from the company's one main activity and from within the United Kingdom

d) Stocks

Stocks and work in progress are stated at the lower of cost and net realisable value. Cost is determined on a first in first out basis. The cost of work in progress and finished goods comprises materials, direct labour and attributable production overheads

e) Deferred taxation

Provision is made for taxation deferred as a result of material timing differences between the incidence of income and expenditure for taxation and accounting purposes, using the liability method, only to the extent that, in the opinion of the directors, there is a reasonable probability that a liability or asset will crystallise in the near future

f) Pension contributions

The company operates a defined contribution scheme and the pension charge represents the amount payable by the company to the fund in respect of the year
