The financial statements were approved by the director on 19 December 2017 and were signed by:

Mr R Beecroft - Director

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2017**

1. STATUTORY INFORMATION

Searchlighter Services Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements have been prepared under the historical cost convention and in accordance with Section 1A Small Entities of Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

Transition to FRS 102

This is the first year that the company has presented its results under FRS 102. The last financial statements under UK GAAP were for the year ended 31 March 2016. The date of transition to FRS 102 was 1 April 2015. There are no transitional adjustments arising from the first time adoption of FRS 102.

Going concern

The company meets its day-to-day working capital requirements through its bank facility and support from the shareholder/director. After making enquiries, the director has a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. The company therefore continues to adopt the going concern basis in preparing its financial statements.

Income

Income is recognised when the company has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably. Income received in advance of a service is deferred until the criteria for income recognition are met. Income arises in the United Kingdom.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the company has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Development costs are being amortised evenly over their estimated useful life of nil years.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc	- 33% on cost
-------------------------	---------------

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

2. ACCOUNTING POLICIES - continued

Financial instruments

a) Debtors

Basic financial assets, including trade and other debtors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at amortised cost using the effective interest method, less any impairment.

b) Creditors

Basic financial liabilities, including trade and other creditors, loans from third parties and loans from related parties, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Such instruments are subsequently carried at amortised cost using the effective interest method, less any impairment.

c) Cash at bank and in hand

Cash and cash equivalents are represented by cash in hand, deposits held at call with financial institutions, and other short-term highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

d) Interest income

Interest income is recognised in profit or loss using the effective interest method.

Taxation

The tax expense for the year comprises current and deferred tax.

Tax is recognised in profit or loss except that a change attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date, except that:

- the recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

Both current and deferred tax is determined using tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Pension costs

The company makes contributions into personal retirement schemes of certain employees. The contributions payable by the company and the staff are deposited in the respective pension schemes within 30 days following the deduction. Once the contributions have been paid, the company as employer, has no further obligations. The company's contributions are charged to the profit and loss account in the period to which they relate.

Contributions outstanding at the reporting date was £nil (2016: £nil).

3. DIRECTORS

The average number of employees during the year was 1 (2016 - 1) .
