2 Accounting policies

Accounting convention

These financial statements comply with Financial Reporting Standard 102 Section 1A.

Revenue

Revenue, described as turnover, is the value of goods (net of VAT) provided to customers during the year, plus the value of work (net of VAT) performed during the year with respect to services.

Intangible assets

Goodwill is amortised on a straight line basis over its estimated useful economic life of 5 years.

Tangible assets

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost less estimated residual value, of each asset evenly over its expected useful life, as follows:

Plant & machinery	25% per annum straight line
-------------------	-----------------------------

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost includes any expenditure incurred in bringing the stock to its present location and condition. A "first in first out" basis is used.
