#### Class of share

#### **Ordinary**

#### Prescribed particulars

The ordinary shares carry the right to participate in a distribution of profits made in respect of the shares in the capital of the Company (pari passu as if the shares constituted one class of share) of an amount which the Company may determine to distribute in respect of any financial year.

On a liquidation, sale, distribution of assets by the Company or a return of capital the surplus assets of the Company remaining after payment of its debts and liabilities and of the costs, charges and expenses of the matters giving rise to the liquidity event shall be applied in the following manner and order of priority:

- (i) first, in paying to the holders of preferred ordinary shares the amount paid up or credited as paid up on a share, including the full amount of any premium at which that share was issued (whether or not that premium is subsequently applied for any purpose) ("Subscription Price") on each preferred ordinary share (provided that if there are insufficient surplus assets to pay the amounts per preferred ordinary share equal to the Subscription Price, the surplus assets available shall be distributed to the holders of preferred ordinary shares pro rata to their respective holdings of preferred ordinary shares); and
- (ii) the balance of the surplus assets (if any) being distributed among the holders of shares pro rata (as if the shares constituted one and the same class) to the number of Shares held.

The holders of ordinary shares shall be entitled to receive notice of, to attend, to speak at and to vote at, general meetings of the Company and shall have one vote on a show of hands, and one vote on a poll.

The ordinary shares are not redeemable nor liable to be redeemed at the option of the Company or the holder.
