Notes to the abbreviated accounts for the year ended 30 April 2013

1 ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

12 Cash flow

The financial statements do not include a Cash flow statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under the Financial Reporting Standard for Smaller Entities (effective April 2008)

1.3 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases.

Motor vehicles
Office equipment

25% straight line

33% straight line

1.5 Investment properties

Investment properties are included in the Balance sheet at their open market value in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) and are not depreciated. This treatment is contrary to the Companies Act 2006 which states that fixed assets should be depreciated but is, in the opinion of the directors, necessary in order to give a true and fair view of the financial position of the company

1.6 Stocks and work in progress

Stocks and work in progress which consists of development properties are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost comprises costs of acquisition and development including directly attributable fees and expenses

1. ACCOUNTING POLICIES (continued)

1.7 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse

Deferred tax assets and liabilities are not discounted
