The Chargor further irrevocably authorises the Security Agent to apply amounts credited to the relevant account in repayment of the Loan Advances whether or not 12 months have elapsed since receipt of those proceeds if an Enforcement Event has occurred. Provided that the Reinstatement Period has not expired and no Enforcement Event has occurred, the Chargor may withdraw sums from the relevant account solely to pay the relevant third party or in the replacement, reinstatement or repair of the assets in respect of which the relevant insurance claim was made. For the avoidance of doubt proceeds in relation to the credit insurance policy held by the Clients shall be paid promptly to the Security Agent upon receipt (and held on trust for the Security Agent pending such payment) and used to reduce the balance on the Current Account;

- (d) **Excluded Insurance proceeds:** the provisions of clause 4.5(c) shall not apply to the first £100,000 of the proceeds of all insurance claims received by the Group during each Financial Year.
- (e) **Insurances:** it will punctually pay all premiums and other sums payable under or in relation to each of the Insurances (and, if requested by the Security Agent (acting reasonably), produce evidence of payment satisfactory to the Security Agent) and not omit to do or permit anything to be done which may make void, voidable or unenforceable any of the Insurances and not make any material alterations to the terms of any of the Insurances or allow any of the Insurances to lapse; and
- (f) **Notice:** it will upon the date of this Deed give notice of this security in the form set out at the beginning of Schedule 6 to the assurance or insurance company or organisation issuing any of the Insurances (to the extent any such Insurance relates to Eligible Collateral) in its favour and use reasonable endeavours to obtain and deliver the form of acknowledgement of such notice in the form set out later in Schedule 6 within 30 days.

4.6 Representations and Warranties

Each Chargor represents and warrants in favour of the Security Agent as follows (and these representations and warranties shall survive the execution of this Deed):

- (a) **Due execution:** that the execution of this Deed has been duly authorised by a resolution of its board of directors (or by a duly authorised committee of such board) and that it does not breach any provision of its memorandum and/or articles of association or of any other Encumbrance, security or agreement entered into prior to the date of this Deed or the laws of any jurisdiction applying to it in a manner which has or could reasonably be expected to have a Material Adverse Effect;
- (b) **Ownership:** that it is the sole beneficial owner with full title guarantee of all its Charged Assets and that no Encumbrances affect it other than those permitted by the Security Agent including Permitted Encumbrances;
- (c) **Validity:** that subject to the Legal Reservations, this Deed constitutes its legal, valid, binding and enforceable obligations and is an effective security over all and every part of its Charged Assets in accordance with its terms; and
- (d) **Authorisations:** that all necessary authorisations and consents to enable or entitle it to enter into this Deed and create the Encumbrances hereby created or intended to be created have been obtained and these will remain in full force and effect during the existence of this security.

5 GUARANTEE AND INDEMNITY

5.1 Grant of guarantee and indemnity

Each Chargor unconditionally and irrevocably guarantees to the Security Agent the punctual payment, performance and discharge on demand of the Secured Obligations when they fall due. Each Chargor also agrees to hold harmless and indemnify fully the Security Agent against any loss which the Security Agent may incur as a result of any of

the Secured Obligations being or becoming void, voidable or unenforceable for any reason whatsoever or any breach or non-observance by any Obligor of any obligation to the Security Agent including those under this Deed. The amount of such loss shall be the amount which the Security Agent would otherwise have been entitled to recover from such other Obligor.

5.2 Protective provisions

Each Chargor agrees that its liability under the guarantee and indemnity given under Clause 5.1 shall not be affected by:

- (a) **Variation:** any variation in, replacement of, substitution, assignment or novation of any of the Secured Obligations (even if an Obligor's liability to the Security Agent is increased or extended in time) or of any Encumbrance, guarantee, indemnity or other assurance held or to be held as security for any of the Secured Obligations (any such Encumbrance, guarantee, indemnity or other assurance being referred to in this Clause 5 as "related security");
- (b) **Indulgence:** any past, present or future failure to enforce remedies, the grant of time or indulgence, the conclusion of any agreement not to sue, any compromise or composition or the release of any related security, or any part thereof;
- (c) **Non-enforceability:** any inability to enforce the Secured Obligations or any related security;
- (d) **Defects:** any defect in any guarantee or indemnity given to the Security Agent by any other Chargor under Clause 5.1 or by any other Obligor under any related security or in any other document given for or in connection therewith;
- (e) **Failure to perfect:** any failure by the Security Agent to take or perfect any related security from an Obligor or any other person;
- (f) **Incapacity:** any incapacity or change in the constitution or control of an Obligor or of any person party to any related security;
- (g) **Waiver:** any waiver or release of any Obligor or of any person party to any related security or any termination of the obligations or liabilities to the Security Agent of any Obligor or of any person party to any related security; or
- (h) **Other acts:** any other act, event or omission which, but for this provision, would or might operate to offer any legal or equitable defence for, or impair or discharge, any of the Secured Obligations or any obligation of any person under any related security or prejudicially affect the rights and remedies of the Security Agent under this Deed or otherwise conferred by law.

5.3 Joint and several

The liabilities of each Chargor to the Security Agent under this Deed are joint and several and if at any time there are co-sureties then each Chargor's liability to the Security Agent shall be joint and several with them.

5.4 Additional security

The guarantees or indemnities given under Clause 5.1 shall be additional to and not in substitution for any other security taken or to be taken by the Security Agent in respect of the Secured Obligations.

5.5 No competition

Until all of the Secured Obligations have been satisfied in full, no Chargor will:

- (a) **Subrogation:** exercise any right of subrogation, indemnity, set-off or counter-claim against any other Obligor or any person party to any related security (being security arising as a result of its execution of this Deed);
- (b) **Claims:** claim payment of any other monies due to it by any other Obligor or any person party to any related security (being security arising as a result of its execution of this Deed) by reason of the performance of its obligations under this Deed or under any related security or on any account whatsoever or exercise any other right or remedy or enforce any Encumbrance, guarantee, indemnity or other assurance which it has in respect thereof;
- (c) **Contribution:** claim any contribution from any other Obligor or any other person party to any related security (being security arising as a result of its execution of this Deed);
- (d) **Disposals:** negotiate, assign, charge or otherwise dispose of any monies, obligations or liabilities now or at any future time due or owing to it by any other Obligor or any person party to any related security or any Encumbrance, guarantee, indemnity or other assurance in respect thereof, other than to another Chargor; or
- (e) **Proofs:** claim or prove in the winding-up or dissolution of any other Obligor or any other person party to any related security (being security arising as a result of its execution of this Deed),

and if any Chargor receives any sums in contravention of this Clause 5.5, it will hold them on trust to be applied by the Security Agent in or towards satisfaction of the Secured Obligations in such order or manner as the Security Agent may specify.

6 FURTHER ASSURANCE AND POWER OF ATTORNEY

6.1 Further assurance

At the Security Agent's request, each Chargor will, at its own expense, promptly following the request sign, seal, execute, deliver and perfect all deeds, debentures and instruments including, without limitation, standard securities, assignments and any other documents needed in relation to assets in Scotland and any other jurisdiction and do all such other acts and things as the Security Agent or any Administrator or Receiver (as the case may be) appointed under this Deed may reasonably require in order to perfect, protect or enforce this security in respect of that Chargor or to facilitate the realisation of any of the Charged Assets or to use the powers given to each of them in this Deed or to enforce the obligations of that Chargor and/or the rights of the Security Agent under this Deed and it will take such steps as the Security Agent shall reasonably specify to make

such registrations and give such notifications as the Security Agent may consider appropriate (or which may be specified by applicable law) in relation to this Deed and each Chargor authorises the Security Agent to effect the same if the Security Agent so chooses.

6.2 Execution of documents/registration

Without prejudice to Clause 6.1 each Chargor will at the request of the Security Agent (acting reasonably) and at that Chargor's own expense execute a legal mortgage, charge or assignment of any part of the Charged Assets of that Chargor, subject to or intended to be subject to any fixed security under this Deed, in such form as the Security Agent may reasonably require. In every such case the Chargor will then take such other steps as the Security Agent may require to perfect such legal mortgage, charge or assignment including, without limitation, using all reasonable endeavours to obtain the consent of any landlord or other person required for any legal mortgage.

6.3 Power of attorney

Each Chargor, by way of security and in order more fully to secure the performance of its obligations hereunder, hereby irrevocably appoints the Security Agent, any directors, officers or managers for the time being of the Security Agent and any other person authorised by the directors of the Security Agent and any Administrator or Receiver (as the case may be) appointed hereunder, jointly and each of them severally, to be the lawful attorneys of that Chargor for the purposes set out in this Clause 6. Such appointment gives each attorney the power in that Obligor's name and on its behalf to, following the occurrence of an Enforcement Event or where the Obligor has failed to take any action required by this Deed within the applicable time period (or if no such time period is prescribed within a reasonable time period), act and to carry out all acts and execute all the deeds, debentures, instruments and other documents required by Clauses 6.1 and 6.2 in the event of the relevant Chargor not having done so following the relevant request from the Security Agent. Each attorney so appointed may appoint substitute attorneys to carry out all or any of such purposes. Each Chargor agrees to ratify and confirm any instrument, act or thing which any such attorney or substitute attorney may lawfully execute or do in the name or on behalf of that Chargor.

6.4 Power of attorney on Receivables

Each Chargor which is a Client, by way of security and in order more fully to secure the performance of its obligations hereunder hereby, irrevocably appoints the Security Agent, any directors, officers or managers for the time being of the Security Agent and any other person authorised by the directors of the Security Agent and any Administrator or Receiver (as the case may be) appointed hereunder, jointly and each of them severally, to, following the occurrence of an Enforcement Event or where the Obligor has failed to take any action required by this Deed within the applicable time period (or if no such time period is prescribed within a reasonable time period), be the lawful attorneys of each such Chargor and on each such the Chargor's behalf to take any action which each such Chargor is obliged to take under the Facility Agreement including:

- (a) execute or sign any deeds or documents (including assignments);
- (b) obtain payment of Receivables;
- (c) complete, deal with, negotiate or endorse Remittances;

- (d) institute, conduct, compromise or defend any legal proceedings;
- (e) settle each such Chargor's indebtedness to the Security Agent or to Debtors; and
- (f) perform such other lawful acts, as the Security Agent in its absolute discretion, may consider reasonably necessary or expedient.

7 CONSEQUENCES OF AN ENFORCEMENT EVENT

Upon the occurrence of an Enforcement Event:

- (a) **Enforceability:** the security constituted by this Deed shall become enforceable; and/or
- (b) **Retentions:** the Security Agent may retain any monies in any account referred to in Clause 4.2(a), for such period as the Security Agent reasonably considers necessary to ensure any Chargor's compliance with the terms of this Deed; and/or
- (c) **Voting rights:** the Security Agent may exercise in the name of any Chargor any voting rights attached to the Securities and all powers given to trustees by the Trustee Act in respect of securities, property subject to a trust and any powers or rights exercisable by the registered holder of any of the Securities or by the bearer of any of the Securities. The Security Agent will not then need any consent or authority from any Chargor.

8 POWER OF POSSESSION AND SALE

At any time after an Enforcement Event has occurred, the Security Agent and/or any Receiver or Administrator appointed under this Deed may, in their discretion, enter upon and take possession of the Charged Assets or any part of them. They may also, at their discretion, when exercising their powers given in this Deed, sell, call in, collect and convert into monies the Charged Assets or any part of them. By way of extension of these powers such sale, calling in and conversion may be done for such consideration in such form and upon such terms as to payment and otherwise as the Security Agent or any Receiver or Administrator shall think fit.

9 APPOINTMENT OF RECEIVER OR ADMINISTRATOR AND THEIR POWERS

9.1 Appointment of a Receiver or an Administrator

The restrictions in Section 109 and Section 91(2) of the Law of Property Act 1925 (restricting, inter alia, the power to appoint a receiver, the maximum rate of a receiver's remuneration and the power to apply to court for an order for sale of mortgaged property) shall not apply to this Deed. At any time after:

- (a) this security becomes enforceable; or
- (b) a Chargor at any time so requests in writing,

the Security Agent may, without further notice to any Chargor appoint any person to be a Receiver or an Administrator of such Chargor (as the Security Agent may in its absolute discretion determine is appropriate) in respect of the Charged Assets of such Chargor.

The appointment of a Receiver may extend to the whole or any part of such Charged Assets. The Security Agent may, so far as the law permits, remove any Receiver. In case of the removal, retirement or death of any Receiver or Administrator, the Security Agent may appoint another in his place. At the time of his appointment (or at any time afterwards) the Security Agent may fix the remuneration of a Receiver on such basis as the Security Agent shall determine.

9.2 Joint and several obligations

The Security Agent may appoint more than one person to act as a Receiver or an Administrator and where it does so those so appointed shall carry out their duties, exercise their rights, and be subject to their obligations jointly as well as severally. References in this Deed to a "Receiver" or an "Administrator" shall be to each and all of them as appropriate.

9.3 Writing

The appointment of a Receiver or an Administrator or the removal or fixing of the remuneration of a Receiver shall be made in writing and may be signed by any director or officer of the Security Agent.

9.4 Appointment of Receiver or Administrator and their powers

- (a) **Appointment:** Any Receiver or Administrator shall be the agent of each Chargor to which such appointment relates. Each Chargor to which such appointment relates will, and the Security Agent will not in any way, be responsible for the acts, omissions, losses, misconduct, defaults and remuneration of such Receiver or Administrator;
- (b) **Powers of a Receiver:** A Receiver shall, without the need for the consent of any Chargor to which such appointment relates, have all of the powers described in this Clause, unless any such powers shall specifically be excluded by the written terms of his appointment. A Receiver may exercise these powers in such way, at such time and on such terms as he shall think fit, necessary or expedient and whether in his name or the name of the relevant Chargor and without being under any obligation to take or omit to take any action which any Chargor, but for the appointment of the Receiver, would or might have considered to be in that Chargor's interests. A receiver shall have the powers granted by the Law of Property Act 1925 to any receiver appointed under such Act and all the powers of an administrative receiver under Schedule 1 of the Insolvency Act 1986. A Receiver shall also have the power on behalf and at the cost of the relevant Chargor, and in the relevant Chargor's name or otherwise, to do or omit to do anything which the relevant Chargor could do or omit to do or could have done or omitted to do but for any incapacity or the appointment of a liquidator, administrator or equivalent officer in relation to such Chargor or its Charged Assets; and
- (c) **Powers of an Administrator:** An Administrator shall have all the powers conferred from time to time on administrators by law or by statute.

9.5 Security Agent's powers

Whether or not a Receiver or an Administrator shall be appointed under this Deed, the Security Agent may at any time after this security becomes enforceable, and without giving notice, exercise all or any of the powers, authorities and discretions conferred on a Receiver or an Administrator as set out above.

10 VARIATIONS TO STATUTORY PROVISIONS

10.1 Law of Property Act

Section 103 of the Law of Property Act 1925 (restricting the power of sale) shall not apply to this Deed. However the power of sale and the other powers conferred on mortgagees by that Act shall apply to this security but without the Act's restrictions as to giving notice or otherwise. Accordingly, for the purposes of a sale or other exercise of any such powers, the whole of the Secured Obligations shall be treated as due and payable on the date hereof.

10.2 Non-consolidation

The restrictions on the right of consolidating mortgage securities, which are contained in Section 93 of the Law of Property Act 1925, shall not apply to this security.

10.3 Subsequent encumbrances

If the Security Agent receives, or is treated as having received, notice of any subsequent Encumbrance affecting any of the Charged Assets then the Security Agent may open a new account with the relevant Chargor. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received, or was treated as having received, such notice. From that time all payments made by the relevant Chargor to the Security Agent shall be credited, or be treated as having been credited, to the new account. These payments shall not operate to reduce the amount secured by this Deed when the Security Agent received or was treated as having received such notice.

11 APPLICATION OF MONIES

11.1 Order of payment

All monies received by the Security Agent or by an Administrator or Receiver (as the case may be) under or by virtue of this Deed shall be applied (so far as the law permits) in the following order:

- (a) **Costs and expenses:** in payment of all costs, charges and expenses of or incidental to the appointment of an Administrator or Receiver (as the case may be), the payment of his remuneration and the payment and discharge of any other Expenses incurred by or on behalf of the Administrator or Receiver (as the case may be);
- (b) **Preferential Debts:** in or towards payment of any debts or claims which are by statute payable in preference to the Secured Obligations but only to the extent to which those debts or claims have such preference;

- (c) **Payments to Security Agent:** in payment to the Security Agent of the Secured Obligations due to the Security Agent in such order as the Security Agent in its absolute discretion thinks fit; and then
- (d) **Surplus:** in payment to the relevant Chargor of any surplus (which shall not carry interest) which may be paid into any of the relevant Chargor's bank accounts including an account opened specifically for such purpose. The Security Agent shall then have no further liability for the surplus.

11.2 Appropriation

Upon and following this security becoming enforceable, any monies received by the Security Agent may be appropriated by the Security Agent in its discretion in or towards the payment and discharge of any part of the Secured Obligations.

11.3 Suspense accounts

The Security Agent or the Administrator or Receiver (as the case may be) may credit any monies to a suspense account for so long and in such manner as the Security Agent may from time to time determine. The Administrator or Receiver (as the case may be) or the Security Agent may retain the same for such period as the Administrator or Receiver (as the case may be) and the Security Agent consider expedient.

12 PROTECTION OF THIRD PARTIES

12.1 Third party payments

No person paying or handing over monies to an Administrator or Receiver (as the case may be) and obtaining a discharge shall have any responsibility or liability to confirm the correct application of such monies.

12.2 Third party dealings

No person dealing with the Security Agent, or an Administrator or Receiver (as the case may be), need enquire:

- (a) **Powers exercisable:** whether any event has happened giving either the Security Agent or the Administrator or Receiver (as the case may be) the right to exercise any of his powers;
- (b) **Propriety of acts:** as to the propriety or regularity of any act purporting or intending to be an exercise of such powers;
- (c) **Validity of appointment:** as to the validity or regularity of the appointment of any Administrator or Receiver (as the case may be) purporting to act or to have been appointed as such; or
- (d) **Satisfaction:** whether any of the Secured Obligations remain unsatisfied.

12.3 Statutory protection

All the protections given to purchasers contained under sections 104 and 107 of the Law of Property Act 1925 shall apply to any person purchasing from or dealing with an Administrator or Receiver (as the case may be) or the Security Agent as if the Secured Obligations had become due and the statutory power of sale and appointment of the Administrator or Receiver (as the case may be) in relation to the Charged Assets had arisen, on the date of this Deed.

12.4 Express notice

No person dealing with the Security Agent or any Administrator or Receiver (as the case may be) shall be affected by express notice that any act is unnecessary or improper.

13 CONTINUING AND ADDITIONAL SECURITY

13.1 Continuing security

This security is a continuing security for all the Secured Obligations notwithstanding any interim settlement of account until a final discharge of this security shall be given by the Security Agent.

13.2 Non-merger

This security is in addition to, and shall not merge or otherwise prejudice or affect, any other right or remedy of the Security Agent or any assignment, bill, note, guarantee, Encumbrance, or other security now or in future in favour of the Security Agent or held by, or available to, the Security Agent (whether created by the Obligors or any of them or any third party).

14 EXPENSES AND INDEMNITIES

14.1 Expenses and interest

All Expenses incurred and all payments made by the Security Agent or any Administrator or Receiver (as the case may be) in the lawful exercise of the rights created by this Deed shall carry interest at the Default Rate. Interest under this Deed shall accrue (both before and after judgment) from the date the Expenses were incurred or the sum paid became payable, whichever shall be earlier, until the date the same are paid and discharged in full. The Security Agent may compound unpaid interest with rests at such times as it may consider appropriate. The amount of all Expenses and payments referred to in this Clause 14.1 and any interest thereon shall be payable by the relevant Chargor on demand.

14.2 General indemnity

Each Chargor jointly and severally agrees to indemnify the Security Agent (and its nominees) and any Administrator or Receiver (as the case may be) on demand against all losses, actions, claims, reasonable expenses, demands and liabilities now or in the future incurred by any of them or by any manager, agent, officer or employee for whose liability, act or omission any of them may be answerable for anything done or omitted in the exercise or purported exercise of the rights contained in this Deed or caused by any breach by a Chargor of any of its obligations under this Deed or in connection with the

Charged Assets provided that the Chargor shall not be liable to the extent the losses, actions or claims occurred due to the gross negligence or wilful default of the Security Agent (and its nominees) and any Administrator or Receiver (as the case may be). The Security Agent (and its nominees) and any Administrator or Receiver (as the case may be) shall also be entitled to be indemnified out of the Charged Assets in respect of all losses, actions, claims, reasonable expenses, demands and liabilities incurred by them in the execution, or purported execution, of any of the rights vested in them under this Deed.

14.3 Currency indemnity

- (a) **Conversion:** For the purpose of, or pending, the discharge of any of the Secured Obligations the Security Agent or an Administrator or Receiver (as the case may be) may convert any monies received, recovered or realised under this Deed (including the proceeds of any previous conversion) from their existing currency into such other currency as the Security Agent or such Administrator or Receiver (as the case may be) may think fit acting in good faith. Any such conversion shall be effected at the then prevailing spot selling rate of exchange of the Security Agent's bankers for such other currency against the existing currency.
- (b) **Shortfall indemnity:** Each Chargor jointly and severally agrees to indemnify the Security Agent against any shortfall between:
 - (i) any amount received or recovered by the Security Agent in respect of any of the Secured Obligations which is converted in accordance with Clause 14.3(a) into the currency in which such liability was payable; and
 - (ii) the amount payable to the Security Agent under this Deed in the currency of such liability.

15 PAYMENTS, DISCHARGE AND SET-OFF

15.1 Discharge of security

Upon (a) payment and complete discharge and performance of all the Secured Obligations under or in relation to this Deed or (b) a Permitted Disposal being effected, the Security Agent shall, at the request and cost of a Chargor, duly discharge this security so far as it relates to that Chargor's Charged Assets (or, as appropriate, that Chargor's Charged Assets the subject of such Permitted Disposal) and any further security given by that Chargor (or, as appropriate, that Chargor's Charged Assets the subject of such Permitted Disposal) in accordance with the terms hereof. The Security Agent will also, at the request and cost of a Chargor, transfer to that Chargor any of the Charged Assets of that Chargor (or, as appropriate, that Chargor's Charged Assets the subject of such Permitted Disposal) which have been assigned or transferred to the Security Agent. If any Charged Assets (or, as appropriate, that Chargor's Charged Assets the subject of such Permitted Disposal) transferred or assigned to the Security Agent were fungible, the Security Agent may transfer to the relevant Chargor assets of the same class, denomination and quality rather than the identical Charged Assets (or, as appropriate, that Chargor's Charged Assets the subject of such Permitted Disposal) transferred or assigned to it under this Deed.

15.2 Avoidance of payments

The right of the Security Agent to payment of the monetary obligations comprised in the Secured Obligations or to enforce the terms of this Deed shall not be affected by any payment or any act or thing which is avoided or adjusted under the laws relating to bankruptcy or Insolvency or under Part VI of the Insolvency Act 1986. Any release, or discharge given or settlement made by the Security Agent relying on any such payment, act or thing shall be void and of no effect.

18 MISCELLANEOUS

18.1 Delays and omissions

No delay or omission on the part of the Security Agent in exercising any right or remedy under this Deed shall impair that right or remedy or operate as or be taken to be a waiver of it. Any single, partial or defective exercise of any such right or remedy shall not prevent the further exercise of that or any other right or remedy.

18.2 Cumulative rights

The Security Agent's rights under this Deed are cumulative. They are not exclusive of any rights provided by law. They may be exercised from time to time and as often as the Security Agent sees fit.

18.3 Waivers

Such consent and approval shall then only apply for the purpose stated and be subject to any written terms and conditions imposed by the Security Agent.

18.4 Illegality

If at any time any one or more of the provisions of this Deed is or becomes illegal, invalid or unenforceable in any respect under the laws of any jurisdiction then neither the legality, validity or enforceability of the remaining provisions of this Deed nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall be in any way affected or impaired as a result.

18.5 Security Agent's certificates

Any certificate signed by a director or authorised officer of the Security Agent as to the amount of the monetary obligations comprised in the Secured Obligations at the date of that certificate shall, in the absence of manifest error, be conclusive evidence of that amount and be binding on each Chargor to whom such certificate is addressed.

18.8 Contracts (Rights of Third Parties) Act 1999

Other than in relation to the provisions of Clause 14, the terms of this Deed may only be enforced by a party to it and the operation of the Contracts (Rights of Third Parties) Act 1999 is excluded.

- (c) **Other competent jurisdictions:** The submission to the jurisdiction of the courts referred to in Clause 19.2(a) shall not (and shall not be construed so as to) limit the right of the Security Agent to take proceedings against any Chargor in any other court of competent jurisdiction nor shall the taking of proceedings in any

one or more jurisdictions preclude the taking of proceedings in any other jurisdiction, whether concurrently or not.

- (d) **Consent to enforcement:** Each Chargor hereby consents generally in respect of any legal action or proceeding arising out of or in connection with this Deed to the giving of any relief or the issue of any process in connection with such action or proceeding including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be made or given in such action or proceeding.
