AES Ballylumford Holdings Limited

Strategic report

The directors present their Strategic report for the year ended 31 December 2022.

Principal activity

The principal activity of the Company is a holding company:

The company currently holds one investment in AES Barry Operations Limited which was the indirect parent of the Maritsa Power Plant in Bulgaria until December 2020 when AES Barry Operations Limited, sold the Maritsa Power Plant to AES Global Power Holdings B.V.. Barry Operations Limited no longer has any investments.

No key financial and other performance indicators have been identified for this company as the Company's operations are that of a holding company and are managed as part of a group.

Business review and future developments

The company did not trade during the year. The financial statements have been prepared on a basis other than going concern as the company expects to wind up in the foreseeable future.

Principal risks and uncertainties

The Company's activities previously exposed it to a number of financial risks, such as credit, interest rate cash flow, liquidity risks, which the directors considered to be the Company's principal risks and uncertainties. As the company has no longer has any activity, the previously identified risks are not applicable as at 31 December 2022.

Approved by the Board of Directors and signed on behalf of the Board.

Elizabeth Akdag
Director

Date: 12 September 2023

AES Ballylumford Holdings Limited

Directors' report

The directors present their annual report and audited financial statements for the year ended 31 December 2022.

Results and dividends

The Company's profit after taxation for the year ended 31 December 2022 is \$nil (2021: profit after taxation of \$52,000).

During the year the Company paid dividend of \$nil (2021: \$164,670,000). The directors do not recommend the payment of a final dividend (2021: \$nil).

Directors of the Company

The directors of the Company who served throughout the year and to the date of these financial statements (except as noted) are given on page 1.

Events since the balance sheet date

There are no significant events after the balance sheet date, which require adjustments and/or disclosures in the company's financial statements for the year ended 31 December 2022.

Future outlook

Details of the future outlook of the company are included within the Strategic report.

Going concern

For the year ended 31 December 2022, the Company has reported a profit after taxation of \$nil (2021: profit after taxation of \$52,000) and net current assets of \$4,000 (2021: net current assets of \$nil).

As there is no expectation of trading activity to occur and company wind up is expected in the foreseeable future, the directors consider that it is not appropriate to prepare the accounts on a going concern basis. The financial statements have therefore been prepared on a basis other than going concern. As part of the change in basis of preparation the investment in subsidiary was reclassified from fixed asset investments to current assets.

Directors' indemnity

During the year the Company maintained liability insurance for its directors and officers. The Company indemnifies the directors in its Articles of Association to the extent allowed under the Companies Act 2006. The indemnity provision, which is a qualifying third-party indemnity provision as defined by section 236 of the Companies Act 2006, has been in force throughout the year and remains in force as at the date of approving this Directors' report.

Disclosure of information to the auditor

So far as each of the directors in office at the date of approval of these financial statements is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Each director has taken all the steps that they are obliged to take as directors in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Auditors

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and Ernst & Young LLP will therefore continue in office.

Approved by the Board of Directors and signed on its behalf:

Elizabeth Akdag

Director

Date: 12 September 2023

Directors' responsibilities statement

The directors are responsible for preparing the Strategic report, the Directors' report and the financial statements in accordance with the applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the profit or loss for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies in accordance with Section 10 of FRS 102 and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- provide additional disclosures when compliance with the specific requirements in FRS 102 is insufficient to enable users to understand the impact of particular transactions, other events and conditions on the company financial position and financial performance;
- in respect of the financial statements, state whether FRS 102 has been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business. For the reasons stated in the Directors' report and note 2 the financial statements have not been prepared on a going concern basis.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Under applicable law and regulations, the directors are also responsible for preparing a Strategic report and a Directors' report, that comply with that law and those regulations.

AES Ballylumford Holdings Limited

Independent Auditor's Report to the members of AES Ballylumford Holdings Limited for the year ended 31 December 2022

Opinion

We have audited the financial statements of AES Ballylumford Holdings Limited for the year ended 31 December 2022 which comprise the Statement of comprehensive income, the Statement of financial position, the Statement of changes in equity and the related notes 1 to 14, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 31 December 2022 and of its results for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – prepared on a basis other than going concern

We draw attention to note 2 to the financial statements which explains that there is no expectation of trading activity to occur and company wind up is expected in the foreseeable future. the directors do not consider it to be appropriate to adopt the going concern basis of accounting in preparing the financial statements. Accordingly, the financial statements have been prepared on a basis other than going concern as described in note 2. Our opinion is not modified in respect of this matter.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact. We have nothing to report in this regard.

AES Ballylumford Holdings Limited

Independent Auditor's Report to the members of AES Ballylumford Holdings Limited for the year ended 31 December 2022 (continued)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and Directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report or Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

AES Ballylumford Holdings Limited

Independent Auditor's Report to the members of AES Ballylumford Holdings Limited for the year ended 31 December 2022 (continued)

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company and determined that the most significant are those that relate to the reporting framework (FRS 102 and Companies Act 2006) and the relevant direct and indirect tax compliance regulation in the United Kingdom.
- We understood how the company is complying with those frameworks by making inquiries of management to understand how the company maintains and communicates its policies and procedures in these areas. We corroborated our enquires through reading board minutes and correspondence with relevant authorities.
- We assessed the susceptibility of the company's financial statements to material misstatement, including how fraud might occur by considering the risk of management override of controls.
- Based on this understanding we designed our audit procedures to identify noncompliance with such laws and regulations. Our procedures involved testing journals identified by specific risk criteria. For journals selected we understood the nature and purpose of the journal, traced adjustments back to source documentation and tested that the journal had been authorised in line with company policy. We read the minutes of Directors' meetings to identify any non-compliance with laws and regulations. We also made enquiries with the Directors and of management of the Company regarding compliance with laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

AES Ballylumford Holdings Limited

Notes to the financial statements

for year ended 31 December 2022

1. General information

AES Ballylumford Holdings Limited (the "Company") is a private company limited by shares and incorporated and domiciled in the UK. The presentation currency of these financial statements is US Dollars (USD). This is also the functional currency of the Company. All amounts in the financial statements have been rounded to the nearest \$1,000.

2. Accounting policies

2.1. Basis of preparation of the Financial Statements

These financial statements were prepared in accordance with Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland ("FRS 102") and the Companies Act 2006.

The company is exempt by virtue of section 401 of Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the company as an individual undertaking and not about its group.

The Company's ultimate parent undertaking, The AES Corporation includes the company in its consolidated financial statements. The consolidated financial statements of The AES Corporation are prepared in accordance with generally accepted accounting principles adopted by the U.S. Securities and Exchange Commission and are available to the public and may be obtained from the Securities and Exchange Commission, 450 5th Street NW, Washington DC 20549, USA. In these financial statements, the Company is considered to be a qualifying entity for the purposes of FRS 102 and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- A reconciliation of the number of shares outstanding at the beginning and at the end of the period, required by FRS 102.4.12;
- Cash Flow Statement and related notes, required by FRS 102.7;
- Related party transactions, required by FRS 102.33.1A; and
- Key Management Personnel compensation in total, a requirement of FRS 102.33.7.

As the consolidated financial statements of The AES Corporation include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

- The disclosures required by FRS 102.11 Basic Financial Instruments in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all the periods presented in these financial statements.

2.2 Going concern

For the year ended 31 December 2022, the Company has reported a profit after taxation of \$nil (2021: profit after taxation of \$52,000) and net current assets of \$4,000 (2021: net current assets of \$nil).

As there is no expectation of trading activity to occur and company wind up is expected in the foreseeable future, the directors consider that it is not appropriate to prepare the accounts on a going concern basis. The financial statements have therefore been prepared on a basis other than going concern. As part of the change in basis of preparation the investment in subsidiary was reclassified from fixed asset investments to current assets.

AES Ballylumford Holdings Limited

Notes to the financial statements

for year ended 31 December 2022

2. Accounting policies (continued)

2.3 Foreign currency translation

Transactions in foreign currencies are translated to the Company's functional currency at the foreign exchange spot rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are retranslated to the functional currency at the foreign exchange rate ruling at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction. Non-monetary assets and liabilities denominated in foreign currencies that are stated at fair value are retranslated to the functional currency at foreign exchange rates ruling at the dates the fair value was determined. Foreign exchange differences arising on translation are recognised in the profit and loss account.

2.4 Basic financial instruments

Cash and cash equivalents

Cash and cash equivalents comprise unrestricted balances of cash in bank and are subject to an insignificant risk of changes in value.

2.5 Other financial instruments

Investments in subsidiaries

Investments in subsidiaries are initially recognised at fair value which is normally the transaction price. Subsequently they are measured at cost less impairment.

2.6 Impairment excluding stocks and deferred tax assets

Non-financial assets

The carrying amounts of non-financial assets, other than stocks and deferred tax assets, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognised if the carrying amount of an asset or its cash generating unit exceeds its estimated recoverable amount. Impairment losses are recognised in profit or loss. An impairment loss is reversed if and only if the reasons for the impairment have ceased to apply.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

AES Ballylumford Holdings Limited

Notes to the financial statements for year ended 31 December 2022

2. Accounting policies (continued)

2.7 Turnover

Turnover represents dividend income from subsidiary companies. The revenue is recognised when the decision for dividend distribution is authorised.

2.8 Expenses

Interest payable

Interest payable and similar charges include interest payable and net foreign exchange losses that are recognised in the profit and loss account (see foreign currency accounting policy).

2.9 Interest and similar income

Other interest receivable and similar income include interest receivable on funds invested and net foreign exchange gains.

Interest income and interest payable are recognised in profit or loss as they accrue, using the effective interest method.

2.10 Taxation

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met; and differences relating to investments in subsidiaries to the extent that it is not probable that they will reverse in the foreseeable future and the reporting entity is able to control the reversal of the timing difference. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. Deferred tax is measured on a non-discounted basis.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

AES Ballylumford Holdings Limited

Notes to the financial statements

for year ended 31 December 2022

2. Accounting policies (continued)

2.11 Judgements and estimates

In the preparation of the financial statements, management is required to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the accounts and the reported amounts of revenues and expenses during the reporting period. Use of available information and application of judgement are inherent in the formation of estimates, together with experience and expectations of future events that are believed to be reasonable under the circumstances. Actual results in the future could differ from those estimates. The following are considered key sources of estimation uncertainty:

Valuation of investments

The company's investments in its subsidiary undertakings are measured at cost less impairment. Where there are indicators of impairment of individual assets, the company performs impairment tests based on the fair value less costs to sell or a value in use calculations. The former is based on reliable data from sales transactions on similar assets if applicable. The value in use calculations is based on a discounted cashflow model. The cashflows are derived from the budget over the life of the assets and do not include performance enhancement modifications not yet committed to.

3. Revenue

	2022 USD'000	2021 USD'000
Dividend income	-	156,409
	<u>-</u>	<u>156,409</u>

4. Auditor's remuneration

The auditor's remuneration for 2022 is £10,000 (2021: £9,000). It will be paid by other group entity and not recharged to the company.

5. Impairment of investment

	2022 USD'000	2021 USD'000
Impairment	-	156,352
	<u>-</u>	<u>156,352</u>

6. Interest receivable and similar income

	2022 USD'000	2021 USD'000
Interest income from group undertakings	-	14
	<u>-</u>	<u>14</u>

AES Ballylumford Holdings Limited

Notes to the financial statements

for year ended 31 December 2022

7. Interest payable and similar expense

	2022	2021
	USD'000	USD'000
Foreign exchange loss	-	14
	<u>-</u>	<u>14</u>

8. Staff costs and directors' remuneration

The Company had no employees, apart from the directors in the years ended 31 December 2022 and 31 December 2021.

No remuneration was paid out to directors of the company as they provided negligible qualifying services to the Company. Directors are paid out of other group entities and an apportionment of salary was not deemed practical (2021: \$nil).

9. Taxation

	2022	2021
	USD'000	USD'000
Current tax:		
Current tax on income for the period	-	-
Total current tax charge	<u>-</u>	<u>-</u>

The difference between the total tax recognised in the profit and loss and the amount calculated by applying the standard rate of UK corporation tax to the profit before tax is as follows:

	2022	2021
	USD'000	USD'000
Profit before tax	-	52
Tax on profit on ordinary activities at standard UK corporation tax rate of 19.00% (2021: 19%)	-	10
Effect of:		
Income not taxable for tax purposes	-	(10)
Movement in deferred tax not recognised	(96)	-
Group relief surrendered	96	-
Total tax charge for the period	<u>-</u>	<u>-</u>

An increase in the UK corporation tax rate from 19% to 25% (effective 1 April 2023) was substantively enacted on 24 May 2021. The unrecognised UK deferred tax asset as at 31 December 2022 has been calculated at 25% (2021: 25%).

The deferred tax asset of \$671,032 (2021: \$797,485) on losses has not been recognised as the recovery is not possible.

AES Ballylumford Holdings Limited

Notes to the financial statements for year ended 31 December 2022

13. Ultimate parent company and parent company of larger group

The Company is controlled by its immediate parent undertaking, AES UK Holdings Ltd, a company incorporated in England and Wales.

The ultimate parent and controlling party is The AES Corporation, a company incorporated in the State of Delaware, USA.

The largest and smallest group in which the results of the company are controlled is that headed by The AES Corporation.

Copies of the ultimate parent company's financial statements can be obtained from the Securities and Exchange Commission, 450 5th Street NW, Washington DC 20549, USA.

14. Events after the balance sheet date

There are no significant events after the balance sheet date, which require adjustments and/or disclosures in the company's financial statements for the year ended 31 December 2022.
