I. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax.

E - learning costs

E - Learning development costs are capitalised within intangible assets where they can be identified with a specific project anticipated to produce future benefits, and are amortised on the straight line basis over the anticipated life of the benefits arising from the completed project.

The carrying values of capitalised development costs is reviewed for impairment when events or changes in circumstances indicate that the carrying values may not be recoverable.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 25% on a straight line basis
Computer Equipment - 25% on a straight line basis

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Deferred government grants

Deferred government grants in respect of capital expenditure are treated as deferred income and are credited to the profit and loss account over the estimated useful life of the assets to which they relate.
