The schools have a combined pupil Capacity of 18,174 and had a roll of 17,015 in August 2022.

Structure, governance and management

Constitution

The Academy Trust is a company limited by guarantee and is an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the Academy Trust. The company registration number is 7353824.

The governors act as the trustees for the charitable activities of The Spencer Academies Trust and are also the directors of the charitable company for the purposes of company law.

Details of the governors who served throughout the year except as noted are included in the Reference and Administrative Details on page 1.

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

Trustees' indemnities

The Trust through its Articles has indemnified its Governors to the fullest extent permissible by law. During the period the Trust also purchased and maintained liability insurance for its Governors.

Method of recruitment and appointment or election of Trustees

The number of Trustees shall be not less than three and (unless determined by ordinary resolution) shall not be more than fourteen. The articles of association set out the categories of Trustees and includes the following:

- up to 6 Trustees appointed by the members
- the Chief Executive Officer
- Parent Trustees
- any Additional Trustees appointed by the Secretary of State
- up to 2 Trustees, if appointed by the Secretary of State in accordance with the terms of any Relevant Funding Agreement.

The number of Trustees (including the Chief Executive Officer) appointed by the Members who are employees of the company may not exceed one third of the total number of Trustees.

The Trustees appoint separate committees known as Local Governing Bodies (LGB) for each Academy, which each operate according to the Scheme of Delegation. The establishment, terms of reference, constitution and membership of any committee of the Trustees or LGB's may be reviewed annually.

The Trustees listed on page 1 appoint Governors to each Academy LGB according to the Scheme of Delegation.

The term of office for any Trustees or Governor will be 4 years, except that this time limit does not apply to the CEO, Principal or Head of Academy. Any Trustees or Governor can be re-appointed or re-elected, subject to remaining eligible for the role.

Policies and procedures adopted for the induction and training of Trustees

All Trustees are expected to undertake a full induction with the Trust upon their appointment, and will be given relevant supporting documentation. This induction programme intends to provide information on the Trust, its schools, its activities, staff, achievements, and the responsibilities expected of the Trustees.

All Trustees and Governors are provided with policies, procedures, minutes, accounts, budgets, plans and other documents that they will need to undertake their role effectively, as well as training sessions provided by the Trust procured through the National Governors Association and other providers as appropriate.

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Organisational structure

Trustees are responsible for strategic core governance functions, including:

- ensuring clarity of vision, ethos and strategic direction
- holding the Chief Executive Officer (CEO) and the Executive team, our Principals/Head of Schools to account for the educational performance of our schools, pupils and staff; and
- overseeing the financial performance of the Trust and our schools and ensuring that funds entrusted to SAT are spent in compliance with statutory requirements

Each Academy operates under the Scheme of Delegation, which can be viewed at www.satrust.com

Local Governing Bodies are responsible for ensuring their Academy operates within the Trust wide Scheme of Delegation.

Details of the Trustees who served during the year are included in the Reference and Administrative details on page 1.

The CEO of the Trust holds the position of Accounting Officer and his statement is included within this report. The Executive Leadership team are responsible for ensuring the educational outcomes, and strategic vision of the Trust throughout the Academies.

Arrangements for setting pay and remuneration of key management personnel

The arrangements for the remuneration of key personnel are set out in the Trust's Pay Policy which is reviewed annually and ratified by the Trustees. The Pay Policy sets out the framework for decisions on all pay including senior management staff. The policies development is in line with current employment registration and considers the recommendations of the School Teachers' Pay and conditions Document (STPCD). The pay policy sits alongside the Trust Appraisal and capability policy which, when combined determine the process for assessing the performance and development needs of employees, as well as their eligibility for performance related pay and pay awards, against agreed objectives. The remuneration of the CEO is set and performance monitored by the Board of Trustees. There are no remuneration payments to Trustees.

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Spencer Academies Trust Facility Time reporting 2021

The Trade Union (Facility Time Publication Requirements) Regulations 2017 came into force on 1 April 2017. The regulations require relevant public sector employers, including multi academy trusts, to publish information about facilities time provided to trade union officials within the organisation before 31 July in the calendar year in which the relevant period to which the information relates ends. The reporting period covered by this report is 1 April 2021 to 31 March 2022.

Relevant union officials

Number of employees who were relevant union officials during the relevant period	Full-time equivalent employee number
1	1

Percentage of time spent on facility time

Percentage of time	Number of employees
1%-50%	1

Percentage of pay bill spent on facility time

	2022
Total cost of facility time	12,808
Total pay bill	77,483,384

Paid trade union activities

	2022
Time spent on paid trade union activities as a percentage of total paid facility time hours calculated as: (total hours spent on paid trade union activities by relevant union officials during the relevant period ÷ total paid facility time hours) x 100	100

Connected organisations, including related party relationships

During the year the Trust established a wholly owned Charitable subsidiary, Spencer Superstars (Company Registration number: 13625834) to allow it to better support it's children, young people and their carers access extracurricular activities that they may excel in, or have an interest in exploring. Transactions of the subsidiary are detailed in note 31.

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Engagement with Employees

The Trust has throughout the year engaged with employees through a variety of methods to ensure that the needs of both the employees and Trust are best met.

Policies and guidance are readily available and circulated at points of change, starts of employment or during periods when it is considered prudent to do so.

Academies within the Trust have systems in place to capture employee feedback, through the means of staff surveys and regular review meetings with individuals and groups of employees. The Trust has implemented a Trust wide formalised method for capturing employee morale and feedback, through automated anonymised employee surveys and is currently reviewing how best to act upon the feedback received to improve employee wellbeing and satisfaction.

The Trust continues to embed its Employee Assist Programme, covering health and wellbeing support for all employees and their families. To complement this the Trust has implemented networks across the Trust for equality, diversity and inclusion and employee wellbeing to explore and share best practice across all sites as well as to develop further initiatives.

The Trust has a robust professional performance review policy and process that ensures all employees are engaged with their own performance and how this impacts their Academy and the wider Trust.

The Trust is an equal opportunities employer of choice within the local area, and has robust recruitment and employee policies to ensure all employees are able to access employment, training, development and promotion regardless of any protected characteristics.

Engagement with suppliers, customers and others in a business relationship with the Trust

The Trust continues to act in line with its values of aspiration, partnership and responsibility when interacting with all stakeholders. By the nature of the organisation the majority stakeholders are the pupils and their parents and carers. The Trust, and all its academies have clear policies to ensure that all pupils and their carers are recognised, and their comments and concerns are engaged with.

The Trust has continued to embed an appropriate procurement strategy to ensure that all suppliers are dealt with in an appropriate manner throughout the working relationship. Details of the Trust's terms and conditions for procurement are available on the Trust website. In addition to this the Trust has engaged with appropriate frameworks to ensure that best value is achieved whilst maintaining compliant arrangements.

By the nature of the Trust's operation there are limited customers to the Trust, the Trust engages with these on a localised basis as needed to ensure an ongoing relationship.

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Objectives and activities

Objects and aims

The Trust's Objects, as disclosed in their Articles of Association are:

- to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing schools (the "Academies") offering a broad and balanced curriculum; and
- to promote for the benefit of individuals living in the East Midlands and the surrounding area who have need by reason of their age, infirmity or disability, financial hardship or social and economic circumstances or for the public at large the provision of facilities for recreation or other leisure time activities in the interests of social welfare and with the object of improving the condition of life of the said individuals.

Objectives, strategies and activities

The Trust is focused on providing a high quality, effective education to all its students leading to improved life chances through raising aspirations and fulfilling potential of all pupils within the Trust. The Trust has continued to support and challenge its Academies to ensure that all pupils are able to fulfil their potential, and to ensure that the Trust continues to develop world-class system leaders in pupils, staff and the wider community.

Public benefit

The Academy provides educational services to all children in the local area. The Trustees confirm that they have complied with the duty in Section 4 of the Charities Act 2006 to have due regard to the public benefit guidance provided by the Charity Commission.

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Strategic Report

Achievements and performance

During 2021/22 the Trust continued to pursue its mission of delivering high quality education and delivering the best possible outcomes for children and young people across the East Midlands region. The Trust celebrated 10 years in operations, by making a renewed commitment to build on 10 years of educational excellence by responding to the challenges and opportunities for the sector, as outlined in the DfE White Paper, - 'Opportunities for all: strong schools with great teachers for your child.

The Trust played a leading regional role in the academy sector and provided direct educational support and school-to-school improvement for other academy trusts. The Trust completed an Improvement Capacity Framework evaluation, and prepared for delivery in 2022-2025 a three-year strategic plan, the 'One-Spencer' Plan. The Plan articulates a challenging set of Trust Goals, covering: Governance, Leadership, Curriculum, Learning & Teaching, Technology & Ed Tech, People & Wellbeing, Estates & Environment, Finance & Resourcing, Partnerships & Community, Growth.

In September 2021 the Trust opened two brand new primary schools. The Trust has been designated as a leading regional teaching school hub and also is firmly established as a registered apprenticeship provider. Educational outcomes at KS4 and Post 16 remained in the top 20% for all similar schools and the strong tradition of students progressing to further and higher education and into the workplace continued.

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Strategic Report

Key performance indicators

The Trust Board adopts a holistic view to measuring performance of the Trust and its Academies ensuring that they are measured across all performance indicators, as well as by discussion following visits by ELT members and peers within the Trust. All Academies within the Trust are tracked across the following metrics: OFSTED grading, academic attainment and progress of the cohorts, number on roll versus capacity, attendance, pupil and staff turnover, and financial stability and sustainability. In addition to these the Board of Directors reviews across all elements of operational efficacy ranging through safeguarding indicators, reviews of book scrutiny, health and safety and compliance health checks and internal audit recommendations.

Over the 2021/22 academic year the Trust has further embedded the ethos of collaborative working within phases and across phases, allowing academies and the Trust Executive Leadership Team to improve benchmarking and Quality Assurance to better improve the provision of education in all Academies. The Trust has continued to invest and develop its approach to digital literacy across all academies, both to enable distance learning, as has continued post pandemic, as well as to enhance the overall curriculum and the engagement of pupils within it. The work on enhancing pastoral provision across the Trust, undergone in the previous two years, has been built upon with all academies continuing and increasing their offer of counselling and support services to pupils, as well as tailored provision to help close the educational gap caused by the prolonged disruption to face to face learning.

Going concern

After making appropriate enquiries, the Governing Body has a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Strategic Report

Promoting the Success of the Trust

The Trustees have acted in accordance with their duties codified in law, which include their duty to act in the way in which they consider, in good faith, would be most likely to promote the success of the Company for the benefit of its members, stakeholders and the matters set out in section 172(1) of the Companies Act 2006. The Charities Commission has issued guidance which explains that charitable companies should take “promoting the success of the company” to mean “promoting the success of the charity to achieve its charitable purposes.”

The Spencer Academies Trust is governed by its charitable objects. These charitable objects set out the purpose of the Charity. The consequences of all decisions and activities of the charity are assessed by how they drive the Trust towards achieving that long-term purpose, including by reference to the Charity’s strategy, vision and values. As an educational charity, the Trust is accountable to the wider community as well as our pupils and funders.

The Trust continues to act in line with its values of aspiration, partnership and responsibility when interacting with all stakeholders, and these stakeholders, by engaging with the Trust, continue to challenge us to improve as well as supporting the Trust. It is the focus on these stakeholders that ensures the Trust focus the decisions made as a charity, from the local academy level through to the Board, are for their wider benefit. Well-established involvement in local academy and Trust practice and the mechanism of linking Trustees with individual academies and governing boards, ensure that decisions made by the Trustees are informed by the needs of the organisation’s stakeholders.

Long-term consequences of any decision

Trustees consider the long-term consequences of any strategic decision as part of their ongoing assessment prior to, and throughout the enacting of. The Trust operates financial metrics to safeguard the overall sustainability, however this is balanced against the needs of the pupils, employees and other stakeholders to ensure that we are appropriately spending government funding in line with our objects.

The interests of the Trust’s employees

Details of how the Trustees give consideration to the interests of the organisation’s employees can be found in the section Engagement with employees within this Report.

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Strategic Report

The need to foster the Trust's business relationships with suppliers, customers and others.

Details of how the Trustees give consideration to the interests of the organisation's other stakeholders can be found in the section Engagement with suppliers, customers and others in a business relationship with the Trust.

The impact of the Trust's operations on the community and the environment.

Details of how the Trustees give consideration to the impact on the community can be found in the section Engagement with suppliers, customers and others in a business relationship with the Trust. Further information is also given in the section on Public Benefit.

The desirability of the Trust maintaining a reputation for high standards of business conduct.

The Trust aims to conduct all its relationships with integrity and courtesy, and to honour every business agreement. The Trustees and employees adhere to the seven principals of public life and conduct themselves in line with these. In order to facilitate this behaviour the Trust has approved a number of policies that help maintain these high standards of business conduct; these include the Anti-Fraud policy, Whistleblowing Policy, and Gifts and Hospitality Policy.

The need to act fairly as between members of the Trust:

All members of the Trust are treated fairly and equally, with the same access to information, the ability to directly contact trustees or the executive leadership, and being invited to participate in training or relevant strategic events.

All matters reserved for decision by the Trustees are presented at Board or Committee meetings as appropriate. Trustees are briefed on any identified potential risks for our stakeholders and how they are to be managed. The Trustees take these factors into account before making a final decision which together they believe is in the best interests of the Trust and its stakeholders.

Financial review

This set of accounts lays out the financial performance for the Trust for the year ended to 31 August 2022. Funding is primarily received through the Funding Agreements that the Trust has with the Secretary of State for each academy within the Trust. This funding is based upon the number of students on each academy's roll, and is restricted for expenditure solely for the purposes of meeting the terms of the Funding Agreement. Funding is lagged for 12 months, unless within a Free School in which case it is based on estimated in year pupil number on roll and adjusted at the end of the year.

Revenue expenditure during the period has been overseen by the Executive Leadership of the Trust, along with the Principals of the Academies. Capital expenditure, funded by the Multi Academy Trust School Condition Allocation has been overseen and directed by the Trust Executive Leadership Team in line with the strategic forward plan for the Trust as a whole, as well as reactive needs of the estate of the Trust as required. The Board of Directors has oversight of financial reports, and holds the view that expenditure has been effectively managed in line with the Trust's financial policies and procedures, and has been of a prudent, fair and reasonable nature.

The majority of revenue expenditure has been in relation to staffing costs, both teaching and support, as is reasonably expected within academies.

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Strategic Report

The Trust has received £8,670k (2021: £4,530k) in Capital grants through the Multi-Academy Trust School Condition Allocation of which £4,917k (2021: £564k) is restricted to be spent on fixed assets.

Cash balances for the Trust were £20,249k at year end (2021: £16,815k).

At 31 August 2022 the Trust had a surplus of £63,703k (2021: surplus of £17,697k), this includes an actuarial gain on the LGPS scheme of £61,384k (2021: Loss of £10,342k) as well as donated assets of £6,886k (2021: £33,435k) for the land and building at Castleward Spencer Academy.

Pension Liabilities have decreased in the year, following changes to the actuary processed and pension assessments by the respective Local Authorities, to £13,951k (2021: £66,543k) overall.

The Balance Sheet as at 31 August 2022 has a positive position with net assets, excluding pension liability, amounting to £275,402k (2021: £264,290k).

Reserves policy

It is the responsibility of the Directors to ensure that the Trust is able to continue to operate on a going concern basis, and its constituent Academies.

The Directors have established a policy to monitor reserves, by individual academy, and as a whole, to ensure they are maintained at an appropriate level. The Trust aims to hold 10% of in year income in reserves at both academy and consolidated level. Where the Directors feel that additional support is required to improve an individual reserve this is provided by the Executive Leadership Team in collaboration with the Directors and Academy Executive Leadership.

Where there is a known capital requirement in the future the Trust may opt to increase the reserves held at either Local Academy or Trust level to ensure that the project can be undertaken without unnecessary risk to the day to day operations and educational outcomes. Where Academies or the Central Trust function hold more than 10% reserves, that are not earmarked, or ring fenced for ongoing or future projects, the needs of the academy as assessed alongside the projected financial position, and a plan for the appropriate use of the funds at the relevant point in time to maximise impact is developed.

At all times the Directors consider the benefit of utilising reserves for long term investment in the Trust Activities whilst minimising the risk to cash flow. The accumulation of healthy reserves allows the Trust to be reactive to the changing landscape and invest where necessary, in changes to curriculum delivery and facilities development without impact on the current year budget.

As at 31 August 2022 the Trust held total funds of £261,451k, which includes; £15,242k restricted funds (excluding pension reserves) not available for general purposes of the Trust; £2,732k of free unrestricted reserves available for general use; and £257,428k of fixed asset restricted reserves which can only be realised on the disposal of tangible fixed assets.

The balance on restricted general funds (excluding pension reserve) plus the balance on unrestricted funds was a surplus of £17,974k.

Investment policy

Due to the nature of the funding cycle, the Trust, may at times, hold large cash balances which may not be required for immediate use. The Trustees have authorised the opening of additional short-term bank investment accounts to take advantage of higher interest rates.

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Strategic Report

Principal risks and uncertainties

The Trustees have considered the major risks to which the Trust is exposed over the coming period and have reviewed the risks accordingly.

The Trustees have established an Audit and Risk Committee to review the risks to the Trust and propose actions to mitigate these risks.

The principal risks to the Trust identified are:

- Failure to deliver positive outcomes

The Trust monitors current progress and attainment throughout the year, benchmarking against known comparators, and working in collaboration both within and without, to ensure that educational outcomes are positive and all pupils achieve their potential.

The Trust has invested in enhancing the school improvement teams across all phases to focus on the gaps caused by the lost face to face education during the pandemic as well as improvement of the overall education provision. To complement this the Trust has focused resources on pastoral care to ensure that pupils are supported throughout the challenges and therefore in a position to enable them to access the curriculum fully.

- Reduction in student numbers across the Trust.

The Trust wide approach to educational outcomes, as well as the whole child approach, ensures that our Academies remain a desirable option for parents, minimising the risk of the falling roles across the Academies. The Trust has increased its focus on providing wrap around care and extended educational provision to increase the support to parents of the pupils and minimise the risk of reduced pupil numbers.

- Impact in real terms of proposed changes to the Funding Formulae

The Trust continues to reforecast the current, and long term, budgets in line with published changes to the funding across, General Annual Grant, Pupil Premium, LA funding and additional funding grants (Teachers' Pension and Teachers' Pay grants) and continues to review the projections. This allows for reallocation of funds as required to maintain financial sustainability and educational progress.

- Impact of current economic landscape, including cost of living and energy crisis's

The Trust continues to reforecast the current, and long term, budgets to include the impact of the increased costs, including potential future cost increases, associated with operating within the current economic climate. The long-term position of the Trust is uncertain due to the ever-changing nature of the global position. However every effort is being made to respond to changes to costs and funding as they arise. Due to previous work undertaken to ensure the Trust is sustainable, the Trust is able to manage the short-term impact of any new changes whilst analysing future positions and responding appropriately.

The Trustees have identified specific actions with regard to each of these areas, and they are reviewed alongside the general risks at Audit and Risk Committee meetings and form part of the Risk Register.

Fundraising

The Trust does not use any external fundraisers. All fundraising during the year was monitored by the Leadership of the relevant academy and the Trustees.

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Strategic Report

Streamlined Energy and Carbon Reporting

UK Greenhouse gas emissions and energy use data for the period 01 September 2021 to 31 August 2022

	2022	2021
Energy consumption used to calculate emissions (kWh)	19,602,460	20,278,721
Scope 1 emissions in metric tonnes CO2e		
Owned transport - mini-buses	11.85	18.58
Gas consumption	2231.17	2437.66
Bio fuel	434.78	423.00
Total scope 1	2677.80	2879.24
Scope 2 emissions in metric tonnes CO2e		
Purchased electricity	1385.46	1455.42
Scope 3 emissions in metric tonnes CO2e		
Business travel in employee owned vehicles	39.79	20.56
Total gross emissions in metric tonnes CO2e	4103.05	4355.22
Intensity ratio		
Tonnes CO2e per pupil	0.25	0.28

Quantification and Reporting Methodology:

We have followed the 2019 HM Government Environmental Reporting Guidelines. We have also used the GHG Reporting Protocol - Corporate Standard and have used the 2020 UK Government's Conversion Factors for Company Reporting.

Intensity measurement

The chosen intensity measurement ratio is total gross emissions in metric tonnes CO2e per pupil, the recommended ratio for the sector.

Measures taken to improve energy efficiency

The Trust has rolled out video conferencing systems to limit the need for business miles, all utility meters have been fitted with half hourly reading to ensure accurate bills and the Trust has engaged with the Department of Education Salix Energy Efficiency fund and Salix programmes to allow for improvements to energy efficient lighting systems, heating systems and insulations. The Trust is currently exploring Solar PV for all sites in order to limit the need for brown electricity

The Spencer Academies Trust

Trustees' Report for the Year Ended 31 August 2022 (continued)

Strategic Report

Plans for future periods

The Trust will be driven by strong governance and ambitious leadership towards its vision, which is to be an exceptional Trust, which provides an outstanding education for local children.

The Trust remains committed to evolving as a high-performing, sustainable organisation and is optimistic about future developments, including preparations to open a flagship secondary Free School, and meeting Trust Goals outlined in the One-Spencer Plan.

Trust investment in estates, the environment and facilities to the value of over £30m is planned for the coming years.

Auditor

In so far as the Trustees are aware:

- there is no relevant audit information of which the Charitable Company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

This Trustees' Report, incorporating the Strategic Report, was approved by order of the members of the Board of Trustees on 15 December 2022 and signed on its behalf by:

.....
D Kinderman
Trustee

The Spencer Academies Trust

Governance Statement

Scope of responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that The Spencer Academies Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to P West, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The Spencer Academies Trust and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 7 times during the year.

Attendance during the year at meetings of the Board of Trustees and constituent sub committees, was as follows:

Trustee	Meetings attended	Out of a possible
D Kinderman	7	7
M Batchelor	7	7
G Weightman	7	7
J Smith	7	7
J Dale	7	7
M Thompson	6	7
G Mukuka	6	7
P West	7	7

There have been five sub-committees of the Board of Trustees for the year ended 31 August 2022, Resources (Finance and Personnel), Audit and Risk, Quality & Standards, Estates and Health and Safety, and Remuneration.

The Resources Committee is a sub-committee of the main Board of Trustees. Its purpose is to ensure appropriate action is taken to secure ongoing financial viability at Trust Level, through providing strategic guidance, support and challenge around all areas of Trust resources, including, but not limited to, financial procedures and process, effective management and deployment of government grants, capital maintenance programs, staffing structures, budget setting, ratification and review. Attendance at meetings during the year was as follows:

The Spencer Academies Trust

Governance Statement (continued)

Trustee	Meetings attended	Out of a possible
G Mukuka	3	3
D Kinderman	3	3
G Weightman	2	3
J Smith	3	3
M Thompson	2	3
P West	3	3
M Batchelor	2	3

The Quality and Standards Committee is also a sub-committee of the main Board of Trustees. Its purpose is Monitor and evaluate the Trust's school improvement model, and ensure that standards or progress and attainment are maintained and improved across the Trust academies.

Attendance at the Quality and Standards committee in the year was as follows:

Trustees	Meetings attended	Out of a possible
M Bachelor	3	3
D Kinderman	3	3
G Weightman	3	3
J Dale	3	3
P West	3	3

The Audit Committee is a sub-committee of the main Board of Trustees. Its purpose is to review the financial and other statutory returns of the Trust, and to hold the Executive to account for compliance with the regulations of the Academies Financial Handbook, and other requirements. Attendance at the Audit Committee in the year was as follows:

Trustee	Meetings attended	Out of a possible
M Batchelor	3	3
J Smith	1	3
P West	3	3
G Mukuka	2	3

The Spencer Academies Trust

Governance Statement (continued)

The Estates Committee is a subcommittee of the Board of Directors. Its purpose is to review and monitor the maintenance and development of the Trust's estate and to hold the Executive to account on matters relating to the Estates and Health and Safety. It met three times during the year, with attendance as follows:

Trustees	Meetings attended	Out of a possible
M Bachelor	3	3
D Kinderman	3	3
G Weightman	-	3
P West	3	3
J Smith	3	3

The Remuneration Committee has the delegated powers to review remuneration for the CEO and other senior staff with remuneration above the levels set out in the Scheme of Delegation. It met once during the year, with attendance as follows:

Trustees	Meetings attended	Out of a possible
M Bachelor	1	1
M Thompson	1	1
D Kinderman	1	1
P West	1	1

Review of value for money

As Accounting Officer, P West, has responsibility for ensuring that the Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider community outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Directors where value for money can be improved, including the use of benchmarking data where available. The Accounting Officer for the Trust has delivered improved value for money during the year as below:

The Trust is committed to raising attainment and progress and for continuously improving the education received by all its pupils.

The Trust has implemented a dedicated central team to deliver in house centralised business function support to allow for consistent low cost finance, HR, payroll and recruitment functions allowing the Academies to focus on Teaching and Learning objectives.

The Spencer Academies Trust

Governance Statement (continued)

Centralised procurement is enabled through the Trust Central Team, allowing for economies of scale, ensuring best value and cost savings are realised within the Academies.

The Trust takes a deliberate and focused approach to collaboration across the Trust; sharing best practice across all phases. Trust-wide Continuous Professional Development and implementations of multi academy processes for reviewing, monitoring and implementing impacts of intervention to maximise benefit to students helps to ensure the maximum realisation of potential across all pupils.

The financial performance of the Trust has been sound over the year, against a backdrop of tightening funding and increased operational costs, and the Trust's reserves remain healthy. The Board is committed to ensuring that the students across the Trust are advantaged by being part of the Trust and therefore ensure that the reserves are deployed into appropriate projects to benefit our students, whilst being mindful of the need to maintain a healthy reserves position to ensure financial stability.

The purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in The Spencer Academies Trust for the year ended 31 August 2022 and up to the date of approval of the annual report and financial statements.

Capacity to Handle Risk

The Board of Trustees has reviewed the key risks to which the Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Trust's significant risks that has been in place for the year ending 31 August 2022 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

The Risk and Control Framework

The Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the Finance and General Purposes Committee of each academy of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

The Board of Trustees has considered the need for a specific internal audit function and decided:

- to appoint Haines Watts Chartered Accountants as internal auditor from 2018/19.

In the year 2021/22 Haines Watts have undertaken a review of the financial regulations in place, and have drawn up an internal audit schedule to cover the principal risks to the Trust, a schedule of reviews are in place for Financial Controls, Governance, Safeguarding and Cyber Security.

The Spencer Academies Trust

Governance Statement (continued)

Review of Effectiveness

As Accounting Officer, P West, has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

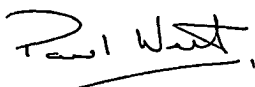

- the work of the internal auditor;
- the work of the external auditor;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Trustees and a plan to address weaknesses and ensure continuous improvement of the system is in place.

The Spencer Academies Trust

Statement on Regularity, Propriety and Compliance

As Accounting Officer of The Spencer Academies Trust I have considered my responsibility to notify the academy trust Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2021.

I confirm that I and the academy trust Board of Trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2021.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Governing Body and ESFA.

.....
P West
Accounting Officer

15 December 2022

The Spencer Academies Trust

Statement of Trustees' Responsibilities

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the Board on 15 December 2022 and signed on its behalf by:

Trustee

The Spencer Academies Trust

Independent Auditor's Report on the Financial Statements to the Members of The Spencer Academies Trust

Opinion

We have audited the financial statements of The Spencer Academies Trust (the 'Academy Trust') for the year ended 31 August 2022, which comprise the Statement of Financial Activities incorporating Income and Expenditure Account, Balance Sheet, Statement of Cash Flows, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2022 and of its results for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education & Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the academy trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the academy's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The Trustees (who are also the directors of the academy trust for the purposes of company law) are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

The Spencer Academies Trust

Independent Auditor's Report on the Financial Statements to the Members of The Spencer Academies Trust (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report (incorporating the Strategic Report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- In the light of the knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities set out on page 29, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

The Spencer Academies Trust

Independent Auditor's Report on the Financial Statements to the Members of The Spencer Academies Trust (continued)

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud is detailed below:

The extent to which the audit was considered capable of detecting irregularities including fraud

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations.
- we identified the laws and regulations applicable to the academy through discussions with trustees and other management, and from our knowledge and experience of the academy sector.
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the academy, including the Companies Act 2006, the Charities Act 2011, and the Academies Accounts Direction 2021 to 2022 and Academies Financial Handbook 2021, both issued by the Education and Skills Funding Agency.
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence.
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the academy's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud.
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures on material balances for which robust, substantive analytical procedures have been undertaken to identify any unusual or unexpected relationships.
- tested journal entries to identify unusual transactions.
- investigated the rationale behind significant or unusual transactions.

The Spencer Academies Trust

Independent Auditor's Report on the Financial Statements to the Members of The Spencer Academies Trust (continued)

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Academy Trust's Trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy Trust's Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy Trust and its Trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

The Spencer Academies Trust

Independent Reporting Accountant's Report on Regularity to The Spencer Academies Trust and the Education and Skills Funding Agency

In accordance with the terms of our engagement letter dated 23 August 2018 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by The Spencer Academies Trust during the period 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to The Spencer Academies Trust and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we may state to The Spencer Academies Trust and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Spencer Academies Trust and the ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of the Governing Body's accounting officer and the reporting accountant

The Accounting Officer is responsible, under the requirements of the Board of Trustees' funding agreement with the Secretary of State for Education and the Academies Financial Handbook extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year from 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountants issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy trust's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Review and testing of financial systems of internal control;
- Sample testing of transactions;
- Discussions with management.

The Spencer Academies Trust

Independent Reporting Accountant's Report on Regularity to The Spencer Academies Trust and the Education and Skills Funding Agency (continued)

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year from 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

Basis of preparation

The financial statements of the academy trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102); the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Going concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the academy trust's ability to continue as a going concern, thus they will continue to adopt the going concern basis of accounting in preparing the financial statements.

Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability.

Grants

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are spent on capital projects in line with the terms and conditions of the grant. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship income

Sponsorship income provided to the academy trust which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

1 Accounting policies (continued)

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the academy trust has provided the goods or services.

Transfer on conversion

Where assets and liabilities are received by the academy trust on conversion to an academy, the transferred assets are measured at fair value and recognised in the balance sheet at the point when the risks and rewards of ownership pass to the academy trust. An equal amount of income is recognised as transfer on conversion within Donations and capital grant income to the net assets received.

Transfer of existing academies into the trust

Where assets and liabilities are received on the transfer of an existing academy into the academy trust, the transferred net assets are measured at fair value and recognised in the balance sheet at the point when the risks and rewards of ownership pass to the academy trust. An equal amount of income is recognised for the transfer of an existing academy into the academy trust within Donations and capital grant income to the net assets acquired.

Donated fixed assets

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Trust's accounting policies.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the academy trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the academy trust's educational operations, including support costs and costs relating to the governance of the academy trust apportioned to charitable activities.

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

1 Accounting policies (continued)

Intangible fixed assets

Intangible assets costing £1,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably. Intangible assets are initially recognised at cost and are subsequently measured at cost net of amortisation and any provision for impairment. Amortisation is provided on intangible fixed assets at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Asset class	Amortisation method and rate
Computer software	3 years straight line

Tangible fixed assets

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment. Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. The related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on such assets is charged to the restricted fixed asset fund in the Statement of Financial Activities so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the Academy Trust's depreciation policy.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset over its expected useful lives, per the table below.

Assets in the course of construction are included at cost. Depreciation on these assets is not charged until they are brought into use.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

Asset class	Depreciation method and rate
Leasehold Land	125 years in line with terms of lease
Freehold property	50 years straight line
Long-term Leasehold property	10-75 years straight line
Motor vehicles	4 years straight line
Furniture and Fixtures	8 years straight line
Computer equipment	3 years straight line

Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

1 Accounting policies (continued)

Provisions

Provisions are recognised when the academy trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

Leased assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

Financial Instruments

The academy trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the academy trust and their measurement basis are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 14. Prepayments are not financial instruments. Amounts due to the charity's wholly owned subsidiary are held at face value less any impairment.

Cash at bank - is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in notes 15 and 16. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument. Amounts due to charity's wholly owned subsidiary are held at face value less any impairment.

Taxation

The academy trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the academy trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

1 Accounting policies (continued)

Pension benefits

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes. The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in the notes to the financial statements, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the governors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Education and Skills Funding Agency/Department for Education/sponsor/other funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Education and Skills Funding Agency/Department for Education.

Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

1 Accounting policies (continued)

Critical accounting estimates and assumptions

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 27, will impact the carrying amount of the pension liability. Furthermore, a roll forward approach which projects results from the latest actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Land and Buildings received into the Trust on new academies joining the Trust are valued at fair value. The land and buildings received into the Trust in 2022 have been formally valued at their fair value on a freehold basis by an independent firm of RICS approved valuers. The Trustees believe, to the best of their knowledge and drawing on all available sources of information that the assets are leasehold in tenure. The valuers confirm that the impact on the valuation of the land element on moving from freehold to leasehold is a 10% reduction, with no impact on the value of the buildings.

Basis of Consolidation

During the year Spencer Superstars, a subsidiary of the Academy Trust, was incorporated on 16th September 2021 as a company limited by guarantee without share capital. The company number for the subsidiary is 13625834.

The financial statements present information about the academy trust as an individual entity and not about the group. The academy trust has taken advantage of the exemption not to prepare group accounts, as the subsidiary company is immaterial to the group.

Agency accounting

The demy trust acts as an agent in distributing 16-19 bursary funds from ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the trust does not have control over the charitable application of the funds. The trust can use up to 5% of the allocation towards its own administration costs and this is recognised in the statement of financial activities. The funds received and paid and any balances held are disclosed in note 30.

2 Donations and capital grants

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

8 Staff

Staff costs

	2021/22 £ 000	2020/21 £ 000
Staff costs during the year were:		
Wages and salaries	60,936	56,117
Social security costs	6,190	5,521
Operating costs of defined benefit pension schemes	21,042	12,352
	<u>88,168</u>	<u>73,990</u>
Supply staff costs	1,645	1,195
Staff restructuring costs	43	24
	<u>89,856</u>	<u>75,209</u>
	2022 £ 000	2021 £ 000

Staff restructuring costs comprise:

Redundancy payments	-	5
Severance payments	43	-
Other restructuring costs	-	19
	<u>43</u>	<u>24</u>

The academy trust paid 3 severance payments in the year, disclosed in the following bands:

0 - £25,000	2
£25,001 - £50,000	1

Non statutory/non-contractual staff severance payments

Included in staff restructuring costs are non-statutory/non-contractual severance payments totaling £Nil (2020: £Nil). Individually, the payments were:

Non-contractual payments £Nil

The Spencer Academies Trust

8 Staff (continued)

Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs and employer national insurance contributions) exceeded £60,000 was:

	2022	2021
	No	No
£60,001 - £70,000	28	26
£70,001 - £80,000	11	7
£80,001 - £90,000	1	2
£90,001 - £100,000	3	4
£100,001 - £110,000	2	1
£110,001 - £120,000	1	2
£120,001 - £130,000	-	1
£130,001 - £140,000	2	1
£220,001 - £230,000	1	-
£230,001 - £240,000	-	1

Key management personnel

The key management personnel of the academy trust comprise the Trustees and the Executive Leadership Team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the academy trust was £1,223,304 (2021: £1,139,975).

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

9 Central services

The academy trust has provided the following central services to its academies during the year:

- Human resources
- Financial Services
- Legal services
- Educational support services
- Estates / H & S
- Others as arising

The academy trust charges for these services on the following basis:

The schools are charged a fixed percentage of GAG of 6% (2020/21: 5%).

The actual amounts charged during the year were as follows:

	2022 £ 000
George Spencer Academy	528
Wyndham Spencer Academy	116
Chetwynd Spencer Academy	106
Fairfield Spencer Academy	156
Portland Spencer Academy	108
Glenbrook Spencer Academy	117
Sunnyside Spencer Academy	60
Heanor Gate Spencer Academy	444
Long Field Spencer Academy	225
Inkersall Spencer Academy	87
Derby Moor Spencer Academy	548
John Port Spencer Academy	625
Ashwood Spencer Academy	165
Hilton Spencer Academy	177
Arnold Hill Spencer Academy	489
Rushcliffe Spencer Academy	577
Farnborough Spencer Academy	303

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

10 Related party transactions - trustees' remuneration and expenses

One or more trustees has been paid remuneration or has received other benefits from employment with the academy trust. The CEO and other staff trustees only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment, and not in respect of their role as trustees.

P West (Chief Executive Officer)

Remuneration: £225,000 - £230,000 (2021: £230,000 - £235,000)

Employer's pension contributions: £50,000 - £55,000 (2021: £50,000 - £55,000)

Other related party transactions involving the Trustees are set out in note 28.

11 Trustees' and officers' insurance

In accordance with normal commercial practice the Academy has purchased insurance to protect governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business. The insurance provides cover up to £5,000,000 on any one claim and the cost for the year ended 31 August 2022 was not separately identifiable from the other insurance premiums (2021 - £1,000).

The cost of this insurance is included in the total insurance cost.

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

17 Funds (continued)

Chetwynd Spencer Academy is carrying a net deficit of £308,000 on these funds because:

The Academy had carried forward a deficit as a result of new classrooms being constructed. This has been financed partly by School Condition Allocation monies and also an intra-trust loan of £250,000 and it is the latter, alongside the COVID pandemic impact to generated income, that has led to the deficit in general funds. In the meantime, the Trust as a whole has the resources to support the Academy during this phase. The Academy returned a deficit in 2021/22 against a small surplus budget, the main contributing factors were the additional NJC pay award, alongside increased occupancy and catering costs as the year progressed. Due to pay award, energy and other cost of living pressures the Academy is forecast to return another deficit in 2022/23 before funding begins to meet the needs of the Academy. The Trust as a whole has sufficient resources to support the Academy.

Inkersall Spencer Academy is carrying a net deficit of £110,000 on these funds because:

At the point of joining the Trust the academy required significant investment and structural changes in the way it was staffed. The school returned an in year surplus in line with predictions in prior years, reducing the cumulative deficit position. Due to the pressures caused by the NJC pay award, energy and other cost of living increases the Academy has returned a deficit in year, and is forecast to return another deficit in 2022/23 before funding begins to meet the needs of the academy. The Trust as a whole has sufficient resources to support the Academy.

Farnborough Spencer Academy is carrying a net deficit of £319,000 on these funds because:

At the point of being sponsored by the Trust, Farnborough was carrying a net deficit due to inefficiencies, a reduced roll and an inability to vary the estates management costs due to the existing PFI contract. Since joining, Farnborough has returned a broadly balanced position, showing improvements in financial management throughout the period, as well as seeing an increase in NOR due to improved educational outcomes and Good OFSTED rating. The Trust will continue to support Farnborough Spencer Academy whilst it improves its educational outcomes, making it a more desirable school and improving its roll further. Whilst doing this the Trust has sufficient scale to leverage buying power and minimise costs of resources and supplies wherever possible. The Trust is able to continue to support the Academy whilst it continues to improve its financial viability.

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

17 Funds (continued)

Chellaston Fields Spencer Academy is carrying a net deficit of £26,000 on these funds because:

Chellaston Fields is a new Academy that opened in September 2019 with a 30 place reception and a 15 place year 3 class and is growing by one form of 30 pupils per annum. Due to its small scale and the COVID pandemic increasing significantly staffing absence the academy carried a deficit of £19,000 into 2021/22. Due to this and ongoing staffing pressures we expected a slight increase in this during the 2021/22 academic year before this stabilises and recovers. The academy has performed in line with this expectation. Current forecasting expects the academy to return a cumulative surplus with 2 years.

The Mease Spencer Academy is carrying a net deficit of £13,000 on these funds because:

The Academy opened in September 2019 with a 30 place reception, and is growing by one form of 30 pupils per annum. Due to its small scale and an increase in staffing absence the academy returned deficit in year. Due to this and pressures caused by pay awards, energy and cost of living rises the Academy is expecting a deficit in 2022/23 before funding begins to meet the needs of the Academy. The Trust as a whole has sufficient resources to support the Academy.

18 Analysis of net assets between funds

26 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

27 Pension and similar obligations

The Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Derbyshire pension fund, Leicestershire County Council pension fund and Nottinghamshire pension fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £1,554k (2021:£1,486k) were payable to the schemes at 31 August and are included within creditors.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academy trusts. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI. assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

The employer's pension costs paid to TPS in the period amounted to £9,213,946 (2021: £8,825,210).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Trust has set out above the information available on the scheme.

27 Pension and similar obligations (continued)

Local government pension scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £5,140,000 (2021 - £4,890,000), of which employer's contributions totalled £4,014,000 (2021 - £3,794,000) and employees' contributions totalled £1,126,000 (2021 - £1,096,000).

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of a Trust closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal actuarial assumptions

	2022 %	2021 %
Rate of increase in salaries	3.80	2.90
Rate of increase for pensions in payment/inflation	3.00	3.70
Discount rate for scheme liabilities	4.20	1.70
Inflation assumptions (CPI)	<u>3.00</u>	<u>1.20</u>

The current mortality assumptions include sufficient allowance for future improvements in the mortality rates. The assumed life expectations on retirement age 65 are:

	2022	2021
Retiring today		
Males retiring today	21.36	21.40
Females retiring today	24.04	24.10
Retiring in 20 years		
Males retiring in 20 years	22.53	22.70
Females retiring in 20 years	<u>25.68</u>	<u>25.80</u>

Sensitivity analysis

	2022 £000	2021 £000
Discount rate +0.1%	-2,457.00	-3,113.00
Discount rate -0.1%	3,503.00	3,113.00
Mortality assumption – 1 year increase	3,968.00	4,965.00
Mortality assumption – 1 year decrease	-2,473.00	-4,965.00
CPI rate +0.1%	3,438.00	2,797.00
CPI rate -0.1%	<u>-2,456.00</u>	<u>-2,797.00</u>

The Trust's share of the assets in the scheme were:

Effect of non-routine settlements	<u>(14)</u>	<u>51</u>
At 31 August	<u>55,874</u>	<u>53,036</u>

28 Related party transactions

Owing to the nature of the Trust's operations and the composition of the board of governors being drawn from local public and private sector organisations, it is inevitable that transactions will take place with organisations in which a member of the board of governors may have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the Trust's financial regulations and normal procurement procedures.

Remuneration paid to the CEO through his employment with the Trust is disclosed in note 10.

Transactions with the subsidiary, Spencer Superstars, are disclosed in note 31.

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

29 Agency arrangements

The Trust distributes 16-19 bursary funds to students as an agent for ESFA. In the accounting period ending 31 August 2022 the Trust received £79,717 and disbursed £81,442 from the fund. An amount of £188,285 is included in other creditors relating to undistributed funds that is repayable to ESFA.

The Spencer Academies Trust

Notes to the Financial Statements for the Year Ended 31 August 2022 (continued)

30 Conversion to an academy trust

On 1 April 2021 Brackensdale Spencer Academy converted to academy status under the Academies Act 2010 and all the operations and assets and liabilities were transferred to The Spencer Academies Trust from the Derbyshire Local Authority Local Authority for £Nil consideration.

In relation to Brackensdale the original transfer was accounted for during the 2020/21 financial year and has been accounted for as a combination that is in substance a gift. Originally, the assets and liabilities were transferred valued at their fair value and recognised in the balance sheet under the appropriate headings with a corresponding net amount recognised as net incoming resources in the Statement of Financial Activities as Donations - transfer from local authority on conversion. However, in 2021/22 the trust received a letter which stated that the LGPS closing balance as at 31st August 2021 should have been £27,000 higher in relation to the pension deficit when it was converted to an academy status. Therefore, this has been adjusted in 2021/22 financial statements.

Free Schools joining the Trust

Clover Leys Spencer Academy opened on 1 September 2021. It is a presumptive free school through the Derby County Council.

Castleward Spencer Academy opened on 1 September 2021. It is a presumptive free school through the Derbyshire City Council.

Clover Leys currently has no school building due to an ongoing dispute over the land. However, the council wanted the school to open. Therefore the staff and students are currently placed at another Spencer Academy while this is ongoing.

The total balance of Land and Buildings recognised in respect of the Free Schools joining the Trust this year as noted above is £6,886k. No other balances were transferred to the Trust in respect of the Free Schools.

31 Subsidiary

During the year the Trust established a wholly owned subsidiary, Spencer Superstars (13625834) to allow it to better support its children, young people and their carers to access extracurricular activities that they may excel in, or have an interest in exploring.

Due to it not being material to the group no consolidated accounts have been prepared this year.

However, there have been transactions with the subsidiary. During the year the Trust donated £5,949 to the subsidiary. At the year end the subsidiary owed the Trust £1,626.

During the year the subsidiary had total income of £58,535, expenses of £16,324 and a surplus of £42,211. At 31 August 2022 it had current assets of £43,837 and current liabilities of £1,626.
