Lendlease Stratford GP Limited

Directors' Report for the Year Ended 30 June 2021

The directors of Lendlease Stratford GP Limited present their report for the financial year ended 30 June 2021.

Directors of the company

The following persons held office as directors of the Company during the financial year and up to the date of this report:

L N Bramble (appointed 10 August 2020)

J D Clark (appointed 12 May 2021)

Y Kostopoulos (resigned 14 August 2020)

T L Mackellar (resigned 12 May 2021)

M J Packer (resigned 22 October 2021)

Results

The Company's loss after tax for the year was £388 (2020: £16 profit).

Dividends

The directors do not recommend the payment of a dividend (2020: £nil).

Political donations

The Company made no political donations or incurred any political expenditure during the year (2020: £nil).

Outlook

With the continuing support of the Lendlease group, the Company will continue to act as a general partner to the Lendlease Stratford Limited Partnership.

Lendlease is closely monitoring the developing situation relating to COVID-19 which has emerged in early 2020. The Directors and management of the wider Lendlease Group have taken immediate and significant actions, all within management's control, to reduce costs and optimise the cash flow and liquidity position, including reduction of non-essential capital and project expenditure and overhead reduction initiatives. The full impact the pandemic will have on the Company is uncertain given the situation is evolving and the wider impact on the economy is unknown, however due to the nature of the Company, to date, there has not been a material impact.

Events after the balance sheet date

There were no material events subsequent to the end of the financial year.

Disclosure of information to the auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Lendlease Stratford GP Limited

Directors' Report for the Year Ended 30 June 2021 (continued)

Reappointment of auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Approved by the Board on 15/11/2021... and signed on its behalf by:

.....
J.D. Clark
Director

Lendlease Stratford GP Limited

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 *Reduced Disclosure Framework*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Independent Auditor's Report to the Members of Lendlease Stratford GP Limited

Opinion

We have audited the financial statements of Lendlease Stratford GP Limited (the "Company") for the year ended 30 June 2021, which comprise the Statement of Profit or Loss and Other Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, and related notes, including the accounting policies in note 3.

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 June 2021 and of its loss for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

In our evaluation of the directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period.

Our conclusions based on this work:

- we consider that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate;
- we have not identified, and concur with the directors' assessment that there is not, a material uncertainty related to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for the going concern period.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the above conclusions are not a guarantee that the Company will continue in operation.

Independent Auditor's Report to the Members of Lendlease Stratford GP Limited (continued)

Fraud and breaches of laws and regulations - ability to detect

Identifying and responding to risks of material misstatement due to fraud

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included enquiring of directors and inspection of policy documentation as to the Lendlease Europe Holding Limited's policies and procedures to prevent and detect fraud that apply to this group company as well as enquiring whether the directors have knowledge of any actual, suspected or alleged fraud.

As required by auditing standards, we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries. On this audit we do not believe there is a fraud risk related to revenue recognition because there are no revenue transactions. We did not identify any additional fraud risks.

We performed procedures including agreeing all accounting entries in the period to supporting documentation.

Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience and through discussion with the directors (as required by auditing standards), and discussed with the directors the policies and procedures regarding compliance with laws and regulations.

The company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies legislation), distributable profits legislation and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

This company, as a holding company, is not subject to other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements.

Context of the ability of the audit to detect fraud or breaches of law or regulation

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

Independent Auditor's Report to the Members of Lendlease Stratford GP Limited (continued)

Directors' report

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006, we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in the Statement of Directors' Responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

**Independent Auditor's Report to the Members of Lendlease Stratford GP Limited
(continued)**

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Lendlease Stratford GP Limited

Notes to the Financial Statements for the year ended 30 June 2021

1 General information

Lendlease Stratford GP Limited (the "Company") is a private company limited by share capital incorporated and domiciled in United Kingdom. The company registration number is 07375408.

The address of its registered office is:

20 Triton Street
Regent's Place
London
NW1 3BF
United Kingdom

The principal activity is to act as a general partner to the Lendlease Stratford Limited Partnership.

2 Basis of preparation

Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework*.

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of International Financial Reporting Standards as adopted by the EU ("Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

In the financial statements, the Company has taken advantage of the following disclosure exemptions available under FRS 101:

- IAS 7: Preparing a cash flow statement and related notes;
- IAS 8: The listing of new or revised standards that have not been adopted (and information about the likely impact);
- IFRS 7: Financial instruments and financial risk disclosures;
- IAS 24: Disclosure of related party transactions entered into between members of the group, providing that any subsidiaries party to the transaction are wholly owned;
- IAS 24: Disclosure of compensation for key management personnel and amounts incurred by an entity for the provision of key management personnel services that are provided by a separate management entity.

As the consolidated financial statements of Lendlease Europe Holdings Limited include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- Certain disclosures required by IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures.

Amounts are presented in pounds sterling, with all values rounded to the nearest pound unless otherwise indicated.

Lendlease Stratford GP Limited

Notes to the Financial Statements for the year ended 30 June 2021 (continued)

2 Basis of preparation (continued)

Summary of significant accounting policies and key accounting estimates

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Changes in accounting policy

New standards, interpretations and amendments effective

The following accounting standards, interpretations and amendments have been adopted by the Company in the year ended 30 June 21:

Amendments to the following standards:

- IAS 1 and IAS 8 Definition of Material
- IFRS 3 Business Combinations
- IFRS 9, IAS 39 and IFRS 7 Interest Rate Benchmark Reform
- Amendments to References to the Conceptual Framework in IFRS Standards

These amended standards did not have a material effect on the Company.

Going concern

Notwithstanding net liabilities of £318 as at 30 June 2021 and a loss for the year then ended of £388, the financial statements have been prepared on a going concern basis which the directors consider to be appropriate. The directors have considered the cash requirements of the Company for a period of at least 12 months from the date of approval of these financial statements which indicate that, taking account of reasonably possible downsides, that the Company is dependent for its working capital on funds provided to it by Lendlease Europe Holdings Limited ("LLEH"), the Company's ultimate UK parent entity.

LLEH has indicated its intention to continue to make available financial support for at least twelve months from the signing date of these financial statements, or earlier, to such period when either LLEH or the Company ceases to be part of the group headed by LLEH, to enable the Company to trade, and not to call for settlement of amounts owing to LLEH where to do so would place the Company in an insolvent position. LLEH itself has been provided with a letter of support from Lendlease International Pty Limited which accepts responsibility of providing and undertakes to provide, sufficient financial assistance to the Company, as and when it is required, to enable the Company to continue its operations and fulfil all of its financial obligations. This support covers a period of at least 12 months from the date of approval of these financial statements. As with any company placing reliance on other group entities for financial support, the directors of the Company acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

The Directors have considered the liquidity of the Company going forward, in particular adverse effects that could arise due to the ongoing COVID-19 pandemic and have deemed that due to the letter of support, they believe that the Company is well placed to manage its financing and future commitments over a period of at least 12 months from the date of the financial statements.

Consequently, the directors are confident that the company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

Lendlease Stratford GP Limited

Notes to the Financial Statements for the year ended 30 June 2021 (continued)

2 Basis of preparation (continued)

Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements that comply with IFRS requires management to make judgements, estimates and assumptions which can affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. These estimates and underlying assumptions are reviewed on an ongoing basis and revisions are recognised prospectively. Accounting judgements that have the most significant effects on reported amounts and further information about estimated uncertainties are highlighted in the relevant accounting policy in note 3.

3 Accounting policies

Taxation

Income tax on the profit or loss for the period comprises current and deferred tax. Income tax is recognised in the Statement of Profit or Loss, except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Current tax is the expected tax payable or receivable on the taxable income for the financial year, using applicable tax rates (and tax laws) at the Statement of Financial Position date, and any adjustment to tax payable in respect of previous financial years. The current tax payable or receivable includes amounts awaiting settlement of group relief with other Lendlease Europe Holdings Limited subsidiary entities.

Deferred tax is the expected tax payable or receivable in future periods as a result of past transactions or events and is calculated by comparing the accounting balance sheet to the tax balance sheet. Temporary differences are provided for any differences in the carrying amounts of assets and liabilities between the accounting and tax balance sheets. Temporary differences are not provided for on the initial recognition of assets or liabilities that affect neither accounting nor taxable profit and differences relating to investments in subsidiaries to the extent that they are not likely to reverse in the foreseeable future.

Measurement of deferred tax is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities using applicable tax rates and laws at the reporting date.

Recognition of deferred tax assets is only to the extent it is probable that future taxable profits will be available so as the related tax asset will be realised. Deferred tax assets may include deductible temporary differences, unused tax losses and unused tax credits.

Management considers the estimation of future taxable profits to be an area of estimation uncertainty as a change in any of the assumptions used in budgeting and forecasting would have an impact on the future profitability of the Company. Forecasts and budgets form the basis of future profitability to support the carrying value of deferred tax assets.

Presentation of deferred tax assets and liabilities can be offset if there is a legally enforceable right to offset current tax liabilities and assets, they relate to income taxes levied by the same tax authority, and they are intended to be settled on a net basis or realised simultaneously.

Investments

Equity investments in subsidiaries, joint ventures and associates are stated at cost less impairment. Adjustments are made to the carrying value to reflect the net realisable value of the investment where these are lower than cost. Management conducts annual impairment reviews.

Lendlease Stratford GP Limited

Notes to the Financial Statements for the year ended 30 June 2021 (continued)

3 Accounting policies (continued)

Trade and other receivables

Trade and other receivables are non derivative financial assets with fixed or determinable payments that are not equity securities. They arise when the Company provides money, goods or services directly to a debtor with no intention of trading the receivable.

Trade and other receivables are carried at amortised cost using the effective interest method, which applies the interest rate that discounts estimated future cash receipts over the term of the receivables. Cash flows relating to short term trade and other receivables are not discounted if the effect of discounting is immaterial. The discount, if material, is then recognised as finance income over the remaining term.

The Company assesses provision for impairment of the receivables based on irrecoverable amounts and expected credit losses, if material. The Company considers reasonable and supportable information that is relevant and reliable. This includes both quantitative and qualitative information and analysis, based on the Company's historical impairment experience, credit assessment of customers and any relevant forward-looking information. The amount of provision is recognised in the Statement of Profit or Loss.

Trade and other payables

Liabilities are recognised for amounts to be paid in the future for goods or services received, whether or not billed to the Company. Trade and other payables are settled in the normal course of business. Trade and other payables are carried at amortised cost using the effective interest method, which applies the interest rate that discounts estimated future cash outflows over the term of the trade and other payables. Cash flows relating to short term trade and other payables are not discounted if the effect of discounting is immaterial. The discount, if material, is then recognised as a finance cost over the remaining term.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

4 Employees

The Company did not employ any staff during the year (2020: nil).

Lendlease Stratford GP Limited

Notes to the Financial Statements for the year ended 30 June 2021 (continued)

5 Directors' remuneration

The directors of the Company were all directly employed by Lendlease Construction (Europe) Limited however their costs were recharged to the following entity:

M J Packer: Lendlease Europe Limited
 L N Bramble: Lendlease Europe Limited
 J D Clark: Lendlease Europe Limited
 Y Kostopoulos: Lendlease Europe Limited
 T L Mackellar: Lendlease Europe Limited

Any qualifying services in respect of the Company are considered to be incidental and part of the directors' overall management services for the above entity. The directors' remuneration for the current year and prior year is included in the financial statements of the above entity.

6 Auditors' remuneration

	2021 £	2020 £
Audit of financial statements	2,423	1,904

The auditor's remuneration has been borne by a fellow group undertaking.

7 Taxation

Tax (charged)/credited in the Statement of Profit or Loss

	2021 £	2020 £
Current tax		
Current year	435	16
Total current tax	435	16
Deferred tax		
Current year	(626)	(110)
Change in tax rate	(197)	-
Adjustment in respect of prior years	-	110
Total deferred tax	(823)	-
Total income tax (charge)/credit	(388)	16

Lendlease Stratford GP Limited

Notes to the Financial Statements for the year ended 30 June 2021 (continued)

7 Taxation (continued)

The tax on profit before tax for the year is higher than the standard rate of corporation tax in the UK (2020 - lower than the standard rate of corporation tax in the UK) of 19% (2020 - 19%).

The differences are reconciled below:

	2021 £	2020 £
Profit/(loss) before tax	-	-
Income tax using the domestic corporation tax rate 19% (2020: 19%)	-	-
Adjustments for prior year tax claim	-	110
Attribution of partnership taxable losses	435	16
Deferred tax relating to changes in tax rates	(197)	-
Others	(626)	-
Amounts not recognised	-	(110)
Total income tax (charge)/credit	(388)	16

Budget 2021 announced an increase to the main rate of UK corporation tax from 19% to 25%. This was substantively enacted on 24 May 2021 and will be effective from 1 April 2023.

Deferred tax

Deferred tax assets and liabilities are attributable to the following:

	Liability £
2021	
Temporary differences non trading	(823)

Deferred tax movement during the year:

	At 1 July 2020 £	Recognised in income £	At 30 June 2021 £
Temporary differences non trading	-	(823)	(823)

Budget 2021 announced an increase to the main rate of UK corporation tax from 19% to 25%. This was substantively enacted on 24 May 2021 and will be effective from 1 April 2023. This future change to the rate of UK corporation tax has been incorporated into the valuation of deferred tax balances recognised in the statement of financial position.

Deferred income tax assets are recognised for tax loss carry forwards to the extent that the realisation of the related tax benefit through future taxable profits is probable. The company did not recognise deferred income tax assets of £145 (2020: £110) in respect of losses amounting to £578 (2020: £578) that can be carried forward against future taxable income.
