DIRECTORS' REPORT

For the year ended 31 August 2019

The Directors of Liberty Quay 2 (Newcastle) Limited (the 'Company') present their Annual Report and the audited Financial Statements for the year ended 31 August 2019. This Directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption. Accordingly, the Directors have elected to take advantage of the exemption from preparing a Strategic report.

PRINCIPAL ACTIVITY AND FUTURE DEVELOPMENTS

The principal activity of the Company is the letting and management of property. The Directors do not foresee a change of the Company's principal activity in the near future. On 3 July 2019, The Unite Group plc agreed to acquire Liberty Living Group plc, an intermediate parent company, from Liberty Living Holdings Inc, a wholly owned subsidiary of Canada Pension Plan Investment Board. The acquisition is expected to complete by the end of November 2019. This will result in a change of ultimate parent to the Unite Group plc.

PRINCIPAL RISKS AND UNCERTAINTIES

The Directors consider the following to be the principal risks and uncertainties which may affect the Company's position and performance:

- continued availability of finance within the Liberty Living Group plc Group;
- the demand and supply of student accommodation, government policy, the condition of the properties including health and safety, reputational risk, information security and the talent and capability of employees; and
- the demand for student accommodation may be adversely affected by Brexit and the performance of the obligor group may be materially impacted. EU students represent only 7% of total student numbers therefore we will continue to monitor the impact of Brexit on the business.

FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's principal financial instruments comprise intercompany balances. The Company is exposed to credit risk through cash held at bank with HSBC Bank plc. The Group's policy is to deposit with highly regarded institutions with credit ratings of at least "A-/A3" by S&P, Fitch or Moody's Investor Services. Other than intercompany balances and cash at bank the Company does not have significant credit risk with one single counterparty. Liquidity risk is managed on a Group basis by the Liberty Living Group plc Group.

RESULTS

The Company made a result for the year of £nil (2018: £nil).

DIRECTORS' INSURANCE AND INDEMNITIES

Liberty Living Holdings Inc. provides Directors' and Officers' liability insurance for the benefit of the Company, the Directors and its officers. On 24 June 2019 Liberty Living (HE) Holdings Limited entered into a deed of indemnity with each of the directors of Liberty Living (HE) Holdings Limited to the extent permitted by law, whereby (amongst other things) Liberty Living (HE) Holdings Limited agreed to indemnify a Director of the Company in respect of all claims, actions and proceedings, whether civil, criminal or regulatory and any losses, damages, penalties, liabilities, compensation or other awards arising in connection with such claims whether arising under the laws of Jersey, the laws of England and Wales or the law of any other jurisdiction. The indemnities do not provide a Director with indemnification, amongst other things, in defending any criminal proceedings in which he is convicted, or any liability incurred by a Director to pay a fine imposed in criminal proceedings. The indemnities remain in force up to the date of approval of the annual report and financial statements. The indemnities have also been made for the benefit of the directors of the Company's associated companies during the year which remain in force at the date of this report.

DIRECTORS' RESPONSIBILITIES STATEMENT

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

For the year ended 31 August 2019

STATEMENT OF DISCLOSURE TO AUDITOR

Each of the persons who is a Director at the date of approval of this report confirms that:

- so far as the Directors are aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the Directors have taken all the necessary steps that they ought to have taken as Directors in order to make themselves aware of all relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Deloitte LLP have expressed their willingness to continue in office as auditor.

GOING CONCERN

In considering the appropriateness of the going concern basis of accounting the Board have reviewed the key risks and uncertainties to which they believe the Company is exposed, the Company's ongoing financial commitments and the availability of sufficient resources for the next twelve months and beyond.

The Company meets its day to day working capital requirements using cash and intercompany borrowing facilities. The Directors, having considered the Company's forecasts and projections, taking account of reasonably possible changes in trading performance, have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future.

As set out in the Directors report, the Group is subject to a proposed transaction. Should the Transaction occur the Directors have obtained a letter of support from the purchaser which provides comfort that the Company will have sufficient support 12 months from the date of signing these financial statements.

As at the balance sheet date the Company is in a net current asset position. Thus, they continue to adopt the going concern basis in preparing the annual financial statements.

EVENTS AFTER THE BALANCE SHEET DATE

Details of significant events since the year end are included in note 12 of the financial statements.

Approved by the Board of Directors on 28 November 2019 and signed on its behalf by:

- give a true and fair view of the state of the company's affairs as at 31 August 2019 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the profit and loss account;
- the balance sheet;
- the statement of changes in equity; and

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs(UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 August 2019

1. ACCOUNTING POLICIES

The Financial Statements are prepared in accordance with accounting standards applicable in the United Kingdom and the functional and presentational currency of the Company is pounds sterling (£). They have all been applied consistently throughout the year and to the preceding year. The accounting policies adopted are described below.

General information and basis of accounting

Liberty Quay 2 (Newcastle) Limited is a private company limited by shares under the Companies Act 2006 and registered in England and Wales. The address of the registered office is Fifth floor, Peninsular House, 30-36 Monument Street, London, EC3R 8NB. The nature of the Company's operation and its principal activities are set out in the Directors' report.

The financial statements have been prepared under the going concern basis, historical cost convention, and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The Company is included in the consolidated financial statements of Liberty Living (HE) Holdings Limited which are available on Companies House. The Company meets the definition of a qualifying entity under FRS 102 and therefore has taken advantage of the disclosure exemptions in relation to financial instruments, the presentation of a cash flow statement, intra-group transactions and remuneration of key management personnel.

Turnover and Cost of sales

Turnover, which relates to the provision of student accommodation, represents rental income which is accounted for on an accruals basis. Rental income received in advance is recognised as deferred income on the balance sheet and recognised as turnover over the rental contract term to which it relates. Turnover is stated net of VAT and is wholly derived from the United Kingdom. Cost of sales are operating costs relating to the provision of turnover and other income associated with student accommodation and are also accounted for on an accruals basis.

Administrative expenses

Administrative expenses are recognised on an accruals basis.

Taxation

As a REIT, UK property rental profits and gains on disposal of UK investment properties are exempt from UK tax with the exception of certain non-core income streams. The Company pays UK corporation tax on the profits from its non-core income streams.

The tax charge for the year is recognised in the profit and loss account and the statement of comprehensive income, according to the accounting treatment of the related transaction. The tax charge comprises both current and deferred tax. Current tax, being UK corporation tax on the residual business (i.e. non-core income streams), is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

LIBERTY QUAY 2 (NEWCASTLE) LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

For the year ended 31 August 2019

A deferred tax asset is regarded as recoverable and therefore unrelieved tax losses and other deferred tax assets are recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date that are expected to apply to the reversal of the timing difference.

Current tax assets and liabilities are offset only when there is a legally enforceable right to set off the amounts and the Group intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

Financial instruments

The Company's financial instruments comprise cash at bank and in hand and bank overdrafts, trade and other debtors, creditors and intercompany balances. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

Financial assets and liabilities

All financial assets and liabilities are initially measured at fair value and subsequently measured at amortised cost. Financial assets are generally derecognised when the contractual rights to the cash flows from the financial asset expire or are settled. Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

Leases

Rentals payable under operating leases are charged to the profit and loss account on an accrual basis over the term of the lease on a straight line basis.

Impairment of assets

Assets, other than those measured at fair value, are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss. For financial assets carried at amortised cost, the amount of an impairment is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

Share premium account

The premium receivable on the issue of shares is credited to the share premium account.

Going Concern

In The Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future, thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements. See the Directors' report for details on the Directors' going concern assessment.

2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY
